Summary of Changes

Only nonsubstantive, technical changes have been made to this bulletin. It has been primarily changed to reflect updated formatting.

Introduction

The purpose of this bulletin is to provide employers with the necessary information to correctly indicate Indiana adjusted gross income tax withheld, and county income tax withheld on the State copy of Federal Form W-2, Wage and Tax Statement.

Employer's Statement to Employees

Every employer who has withheld tax from income paid or credited to any taxpayer is required to provide the taxpayer with a statement of the amount of income paid or credited to the taxpayer and the amount of tax withheld for them, during the calendar year. For both Indiana state and county tax purposes, the W-2 form should be used for Indiana withholding purposes.
