Selected hunters will have the option of hunting with or without a partner on all areas that do not specifically require a partner. As in the past, Crane and Big Oaks National Wildlife Refuge require that you bring a partner.

The hunter selected in the drawing will be provided with two forms for admission to the hunt (Notification I) and two license request certificates (Notification II). While each individual can only submit one hunt drawing application, each individual can participate in multiple hunts if chosen as a partner in addition to being selected in the drawing. However, on any one hunt day, an individual cannot be both a partner and a selected hunter or be a partner with more than one selected hunter.

There is no limit on how many times a hunter can participate as a partner. A hunter chosen as a partner by more than one person can use the partner license request certificate from each selected hunter to obtain multiple licenses. Upland Game and Migratory Gamebird Hunting (Rabbit, Quail, Woodcock and Snipe) at Goose Pond FWA.

Deadline: September 21, 2007

The Department of Natural Resources will offer three upland game hunts at Goose Pond Fish and Wildlife Area. Follow the directions carefully to complete the application. You will be notified of the results by mail. The application deadline is September 21, 2007.

The hunts will take place Nov. 17, 18, Dec. 1, 2, 15, 16, 29, 30, Jan. 12, 13. The season dates for rabbit are Nov. 9, 2007 - Jan. 31, 2008. The season dates for quail are Nov. 9, 2007 - Jan. 15, 2008. The season dates for woodcock and snipe will be determined at a later date by the U.S. Fish and Wildlife Service. Each Friday and Saturday will be one hunt with the drawing taking place at 8:30 a.m. each Friday morning. A successful draw will enable the hunting party to hunt their chosen unit for each day of their hunt.

Hunting parties are limited to two hunters per party. The daily bag limit for quail is four. Non-toxic shot is required. Shooting hours will be from 9:00 a.m. to 3:00 p.m.

Hunters can apply for these hunts by completing the Upland Game and Migratory Gamebird Hunting application. This application must be completed properly and entirely to be eligible for the drawing. Follow the instructions carefully or the application will be disqualified. No exceptions will be made. However, you may use a single application to apply for the Pheasant, Upland Game, Dove and/or Military/Refuge Deer hunts.

1. Print your last name, first name and middle initial in the spaces provided.
2. Print your complete mailing address along with your city, state and zip code in the correct spaces.
3. Print the number from your current Indiana hunting, hunting and fishing, lifetime or youth hunting license in the space provided. This number is required. Below the license number, select the type of license by marking the box to the left of the types of licenses.
4. Select only ONE date by marking the box in front of the date's name. If more than one date is marked, the application will be disqualified.
5. Affix one First Class U.S. Postage Stamp to the envelope and mail to IDNR Reserved Hunts; 402 W. Washington St. W160A; Indianapolis, IN 46204 so it arrives no later than September 21, 2007.
6. No faxed or over-the-phone applications will be accepted. Overnight mailed applications are acceptable, but must be received at the Customer Service Center by September 21, 2007, not merely postmarked. Walk-in applications will also be accepted at the Customer Service Center until the close of business on September 21, 2007.

The upland game and migratory gamebird hunting application must be received at IDNR Customer Service Center by September 21, 2007 to be eligible for the drawing. Late applications and/or incorrectly filled out applications will be disqualified. If more than one application is received for the same hunter, all applications for that hunter will be disqualified.

Hunters will be selected through a random drawing. All applicants will be notified of the results by mail.
