Executive Summary

Beginning May, 2014, the IDOC Offender Population Statistical Report includes the addition of ***Table 20*** which reports juvenile parole within the newly implemented ***Reintegration Districts***. Below are details concerning this new initiative:

The Division of Youth Services implemented six (6) new positions in April 2014. The JDAI Liaison/Reintegration Specialist works in a specific region of the state (see attached map). They will maintain a caseload of youth released from IDOC onto community supervision (parole) to assist with the coordination of re-entry services aimed at successful transition back into the community. The JDAI Liaison/Reintegration Specialist is a critical position for the success of the Indiana JDAI Statewide Expansion initiative, specifically related to deep-end system reform. The JDAI Liaison/Reintegration Specialist is responsible for working directly with local juvenile justice agencies, court representatives, and community corrections agents to assist in diverting youth from commitment to the Indiana Department of Correction.

The Juvenile Detention Alternatives Initiative (JDAI) is a nationally recognized juvenile justice continuous improvement program, focused on effective case processing, use of data in decision-making, reducing the placement of youth in detention, increasing alternative to detention programs, improving conditions of confinement, and reduction of youth in out-of-home dispositional placement. Indiana has adopted the JDAI philosophy and has developed a statewide expansion initiative, in partnership with the Indiana Department of Correction, Division of Youth Services, the Indiana Supreme Court, and the Indiana Criminal Justice Institute.
