

# Green Winter Season Social Media Kit

*Share green tips for winter using the guide, graphics, and captions provided in this kit! We also recommend pairing this kit with our Sustainable Holiday Guide.*

# About IDEM

- ❖ The Indiana Department of Environmental Management (IDEM) employs some of Indiana's most qualified engineers, scientists, and environmental project managers specializing in air, land, pollution prevention, and water quality issues.
- ❖ Our staff members work hard to provide quality environmental oversight and technical assistance in your community and around the state. Whether you're a business owner, consultant, student, farmer, teacher, or parent, IDEM is here to help you make choices that protect human health and the environment.

# Get to Know Your Kit

Social media is a highly effective way to reach residents.

We recommend posting one of our posts a week to supplement your current social media plan, but feel free to post more as you see fit!

# Tips for Posting on Social Media

## ❖ Know your audience

- Pay attention to your demographics and what messages perform best on each platform.

## ❖ Watch for trends

- If a popular pattern, strategy, or even meme aligns with your messaging, capitalize on it to drive engagement.

## ❖ Measure and analyze results regularly

- Is your audience liking, commenting, and/or sharing your posts? Are people clicking your links? Adjust as needed!

## ❖ Be consistent

- Post regularly and use similar handles across platforms so users may find you easily.
