A wonderful fall weekend awaits you in the beautiful rolling hills of Southern Indiana.

Camp or stay at one of the accommodations listed on the back of this brochure.

ACTIVITIES AND FACILITIES

BEACH - Swimming is a available during posted hours from Memorial Day through Labor Day. A modern bathhouse provides showers, dressing benches, restrooms and food concessions.

BOAT RAMPS - Four launch ramps are located at various points around the lake. Two major ramps are located within the recreation area near Alpha Marina.

CAMPING - Shale Bluff campground contains 149 class A sites with asphalt-surfaced roads and gravel pads, electric hookups, water fountains, flush toilets, hot water and showers. A trailer dump station also serves the campground. Occupancy is limited to two (2) weeks. Campsites available for reservations. Wooster campground primarily serves fishermen and primitive campers, and offers 19 class C sites. Water is available in the immediate area as well as one pit toilet. A launch ramp is also located adjacent to the campground. Campers are permitted to moor their boats overnight in Wooster Bay.

FISHING - Plenty of good fishing available for: bluegill, catfish, crappie, largemouth bass and tiger muskie. Fish cleaning stations are available.

FISHING PIER - There are two fishing piers, one located south of Alpha marina and the other south of the swimming beach.

HIKING TRAILS - Enjoy wildlife on 6 interesting trails ranging from 1/2 to 2 miles, easy to moderate.

HUNTING - Hunting of all wildlife species is permitted within the guideline of the Indiana hunting regulations. Waterfowl, squirrels and rabbit are the most abundant, however, quail, snipe, woodcock, deer, fox, and raccoon are all found on the property. Upland game and waterfowl hunters are required to check in at the reservoir office before hunting.

INTERPRETIVE & RECREATIONAL PROGRAMS Explore the world of natural resources while enjoying interpretive, recreational and cultural arts programs.

MARINA - Located at the Alpha launch ramp. Seasonal mooring is available for boats in open dock slips. Additional services include on-water fuel, modern restrooms and fishing boat rental.

PICNIC AREAS - Most areas contain handicapped picnic sites, picnic tables, grills, toilet facilities and shelters. Some areas have basketball and volleyball courts, also horseshoe pits.
