https://www.trackone-in.com - ClientTrack.NET Search - Microsoft Internet Explorer

Available Services/Activities

Click on the **Search** button to see a list of all activities, services, and training programs available to the client through the Work One system and other approved service providers. To filter the list, you can select a general **Category** (Case Management, Training Programs, Support, etc.), and/or a specific **Service Type** (Line Code). You can also type in a full or partial **Provider** Name and/or **Service Title** to match in the listing.

After you have located the desired service in the list, click on it to select it and return to the WIA Activity screen.
