

Indiana Recycling Infrastructure & Economic Study

Presented to

Prepared by

July 2021

TABLE OF CONTENTS

Executive Summary	2
A. Current Waste and Recycling Infrastructure	2
B. Economic Impact on the States Economy	3
C. Recommendations and Conclusions.....	5
Introduction	7
A. Project Partners	9
B. Key Stakeholders	11
C. Methodology.....	12
Part 1. Current Waste and Recycling Infrastructure	14
A. General Locations and Definitions	14
B. Disposal Infrastructure	18
C. Recycling.....	26
Part 2. Economic Impact on the State’s Economy	45
A. Methodology.....	45
B. The Economic Contributions of the Recycling Industry.....	47
C. Economic Impact of Indiana Manufacturers and End Users that Use Recycled Commodities	53
D. Increased Demand Based on Survey Responses	72
E. Tax Revenue Generated from the Recycling Economy	74
F. Comparison to Institute of Scrap Recycling Industries (ISRI)	75
Part 3. Conclusions and Recommendations	77
A. Data Collection.....	77
B. Materials Management Planning.....	81
C. Indianapolis and Marion County.....	83
D. State and Local Funding	87
E. Recycling Collection Programs	89
F. Recycling Processing.....	91
G. Organics & Food Waste	92
H. Grant Programs.....	92
I. Economic Development	93
J. End User Recycling Markets	94
K. Public-Private Partnerships	96
L. Recommendations Summary	97

Appendices

- Appendix A. 2019 Community Recycling Survey
- Appendix B. 2019 Solid Waste District Recycling Survey
- Appendix C. Municipality Survey
- Appendix D. 2019 End User Recycling Survey
- Appendix E. Compost and Wood Grinder Facilities
- Appendix F. NAICS Codes
- Appendix G. Maps in Study

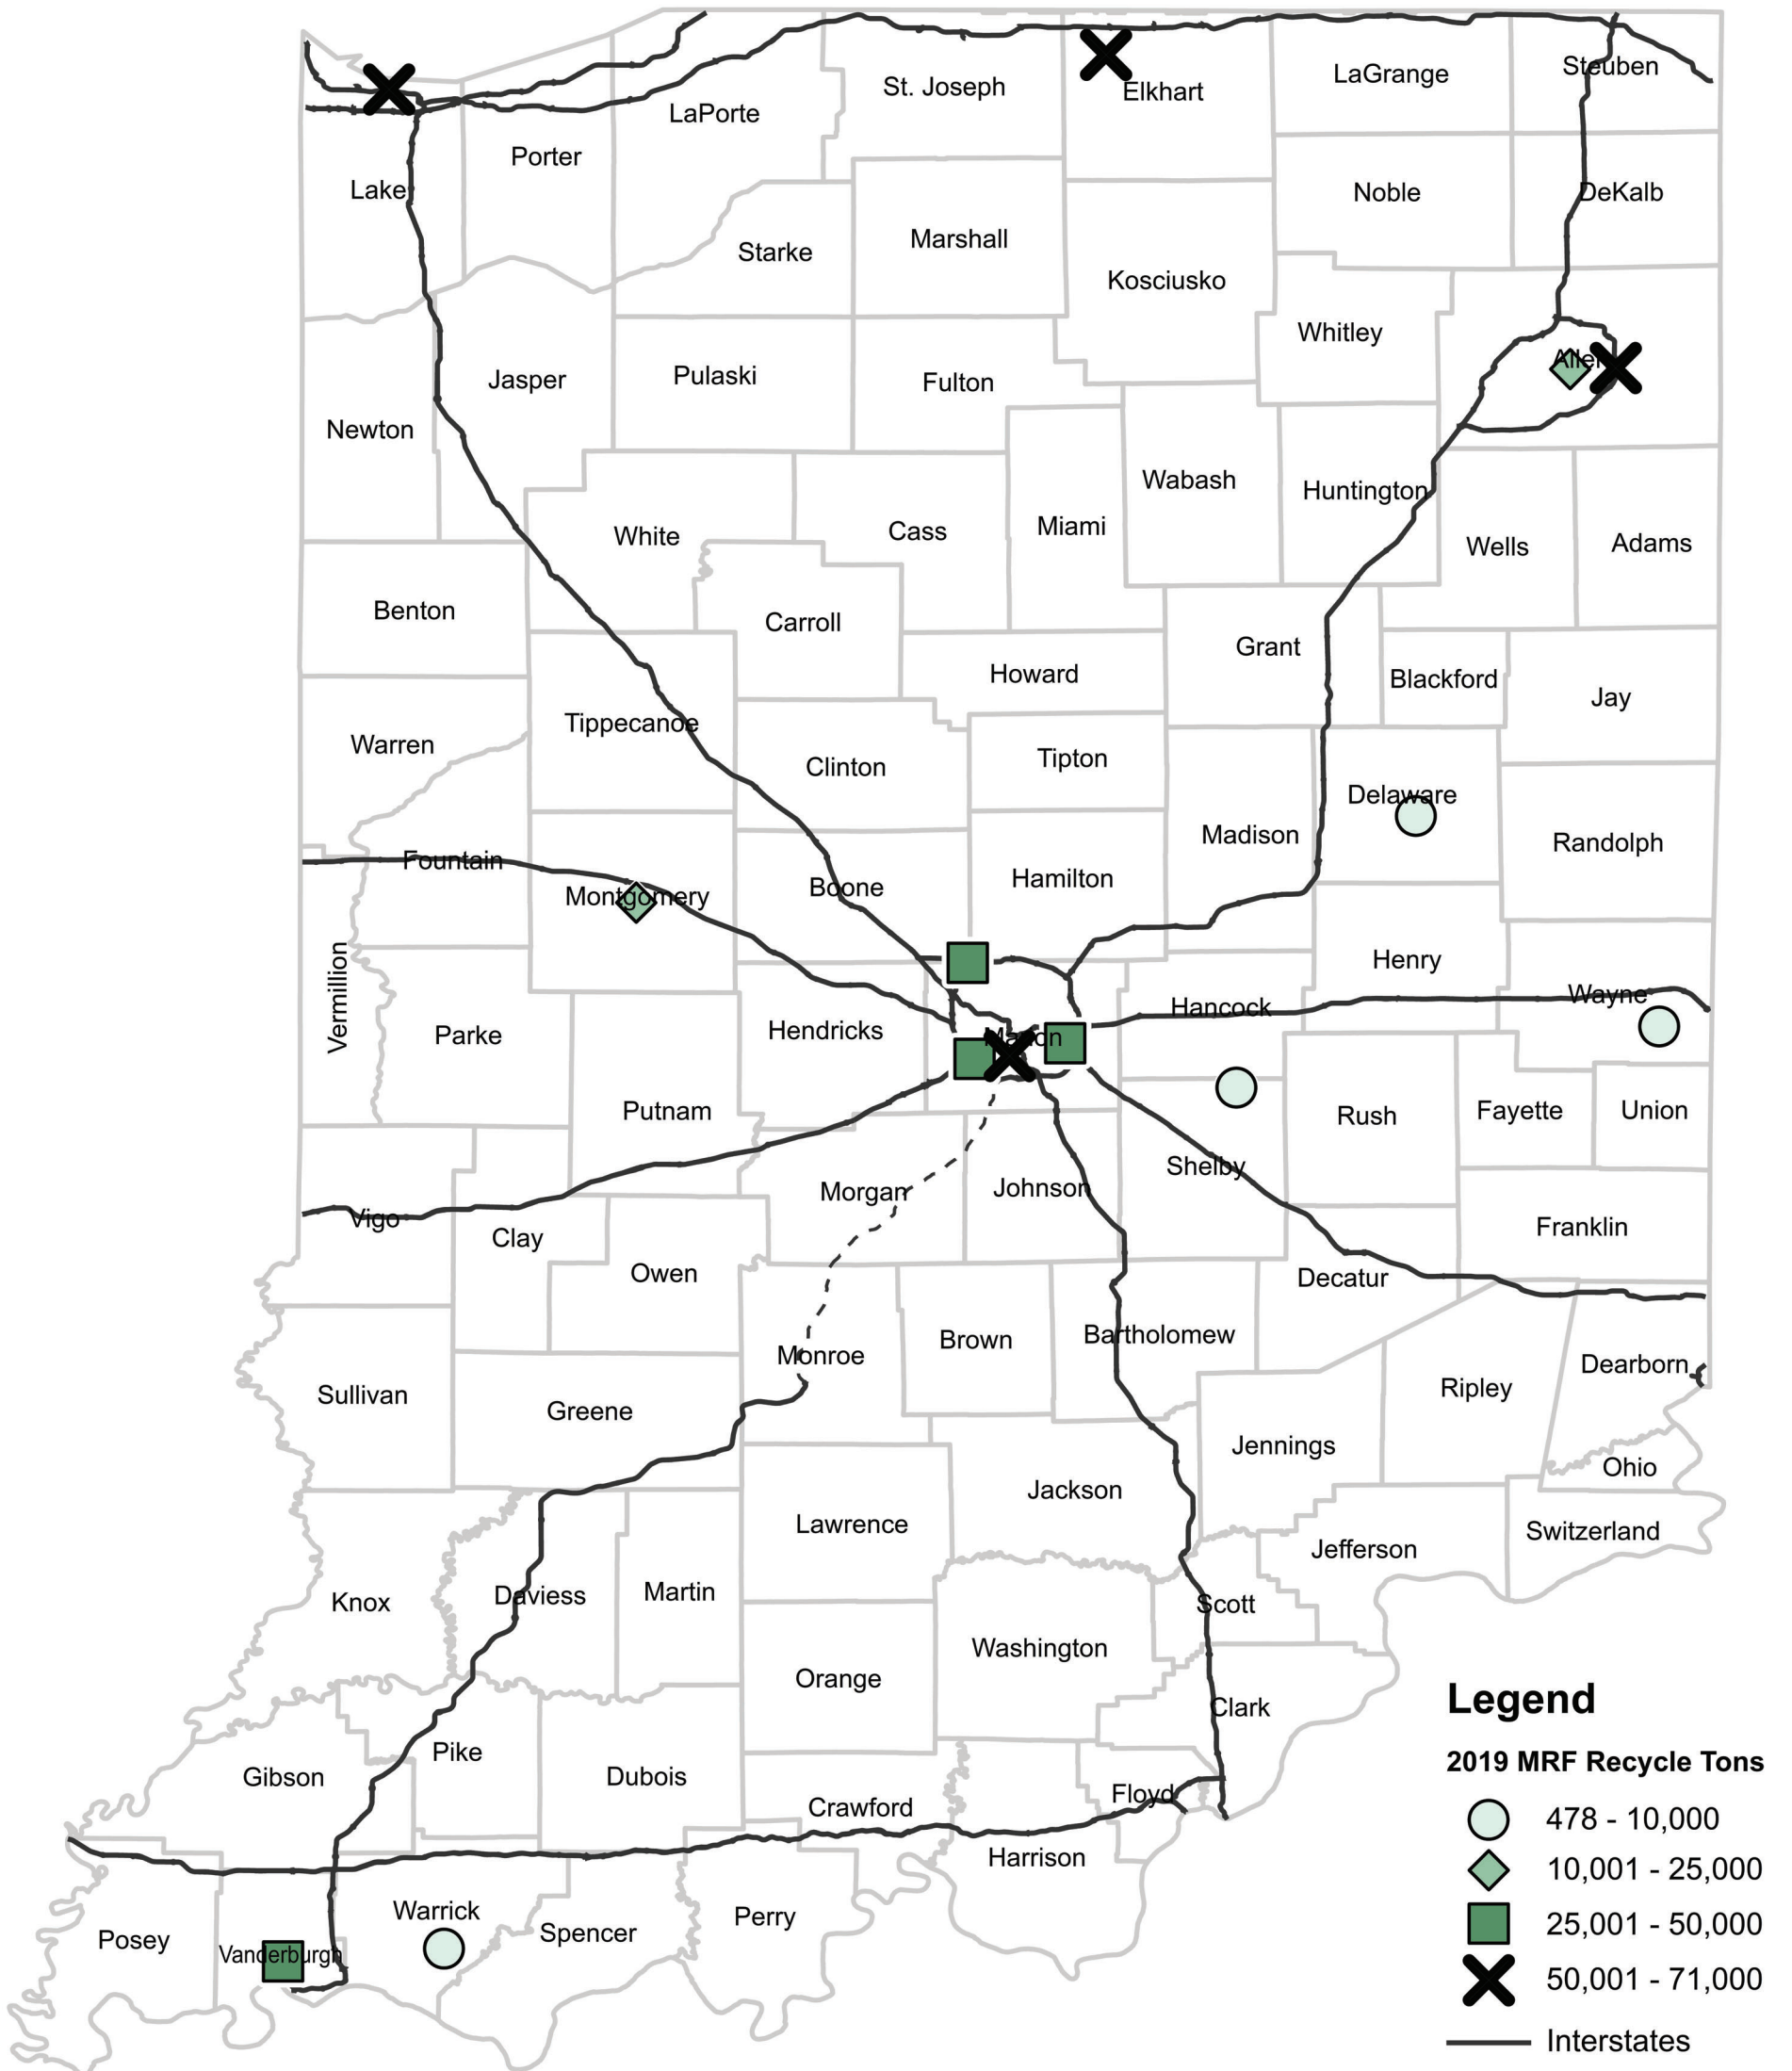

Appendix G

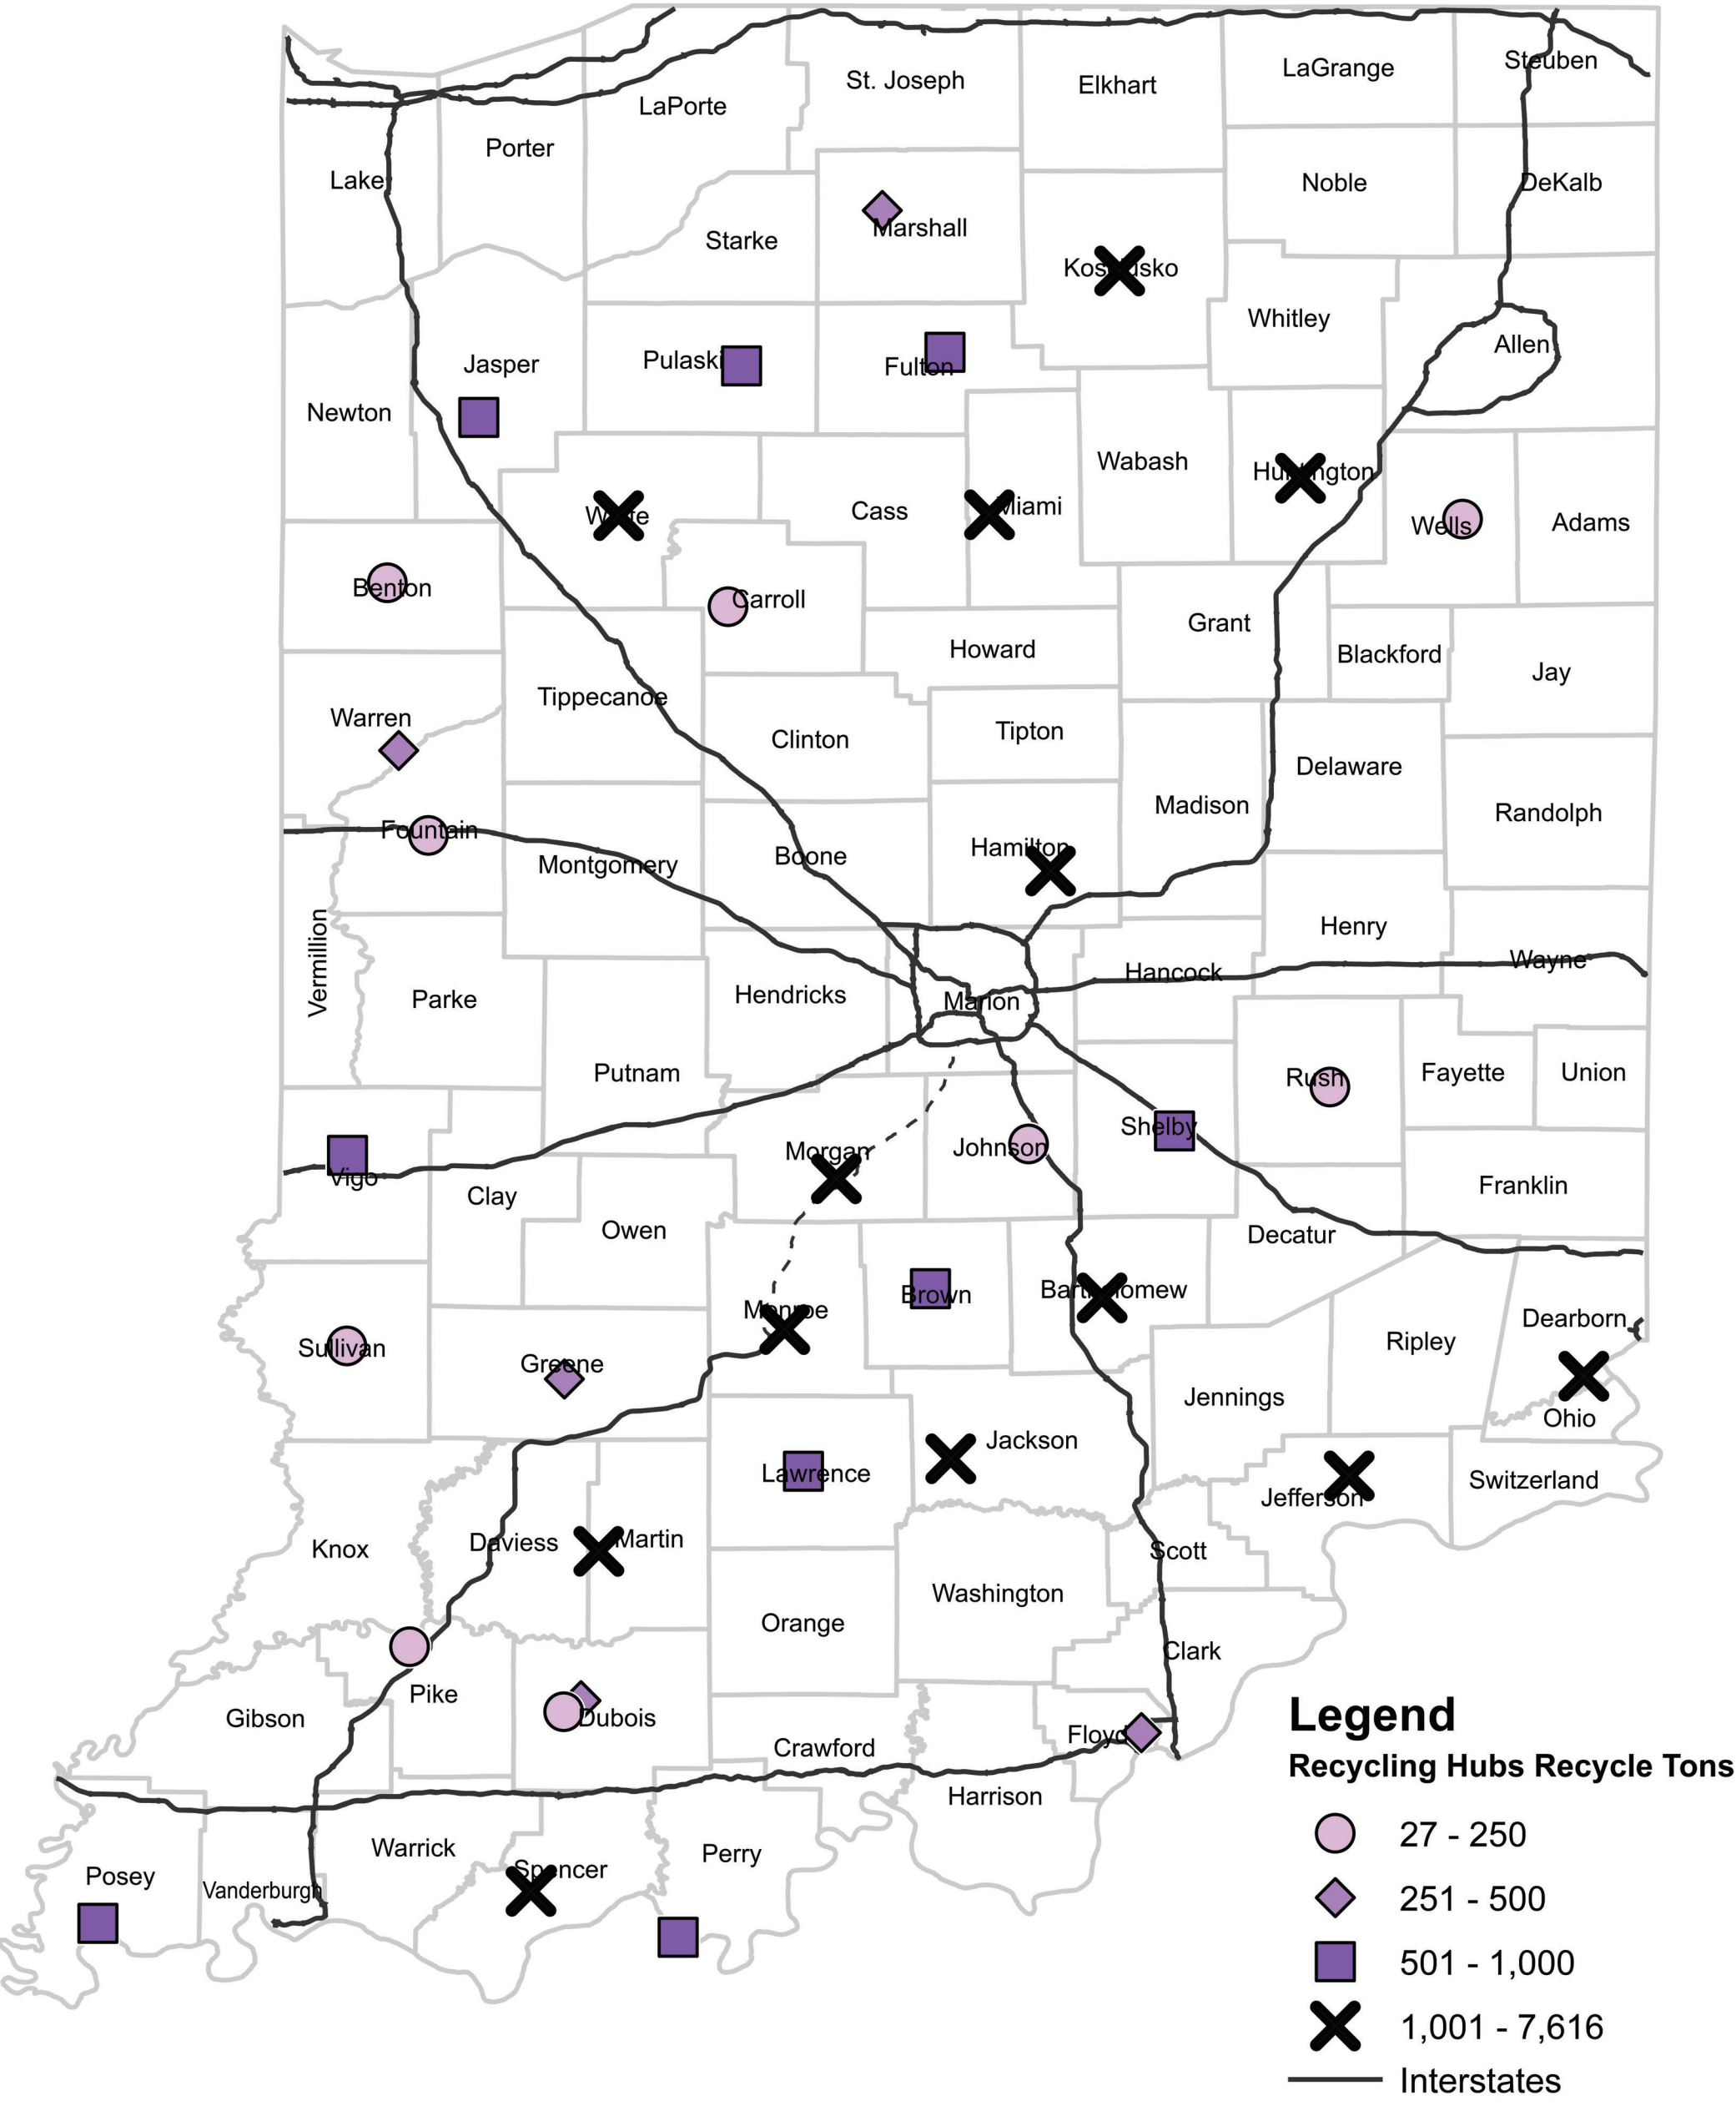

Maps in Study
Ledger Size Paper

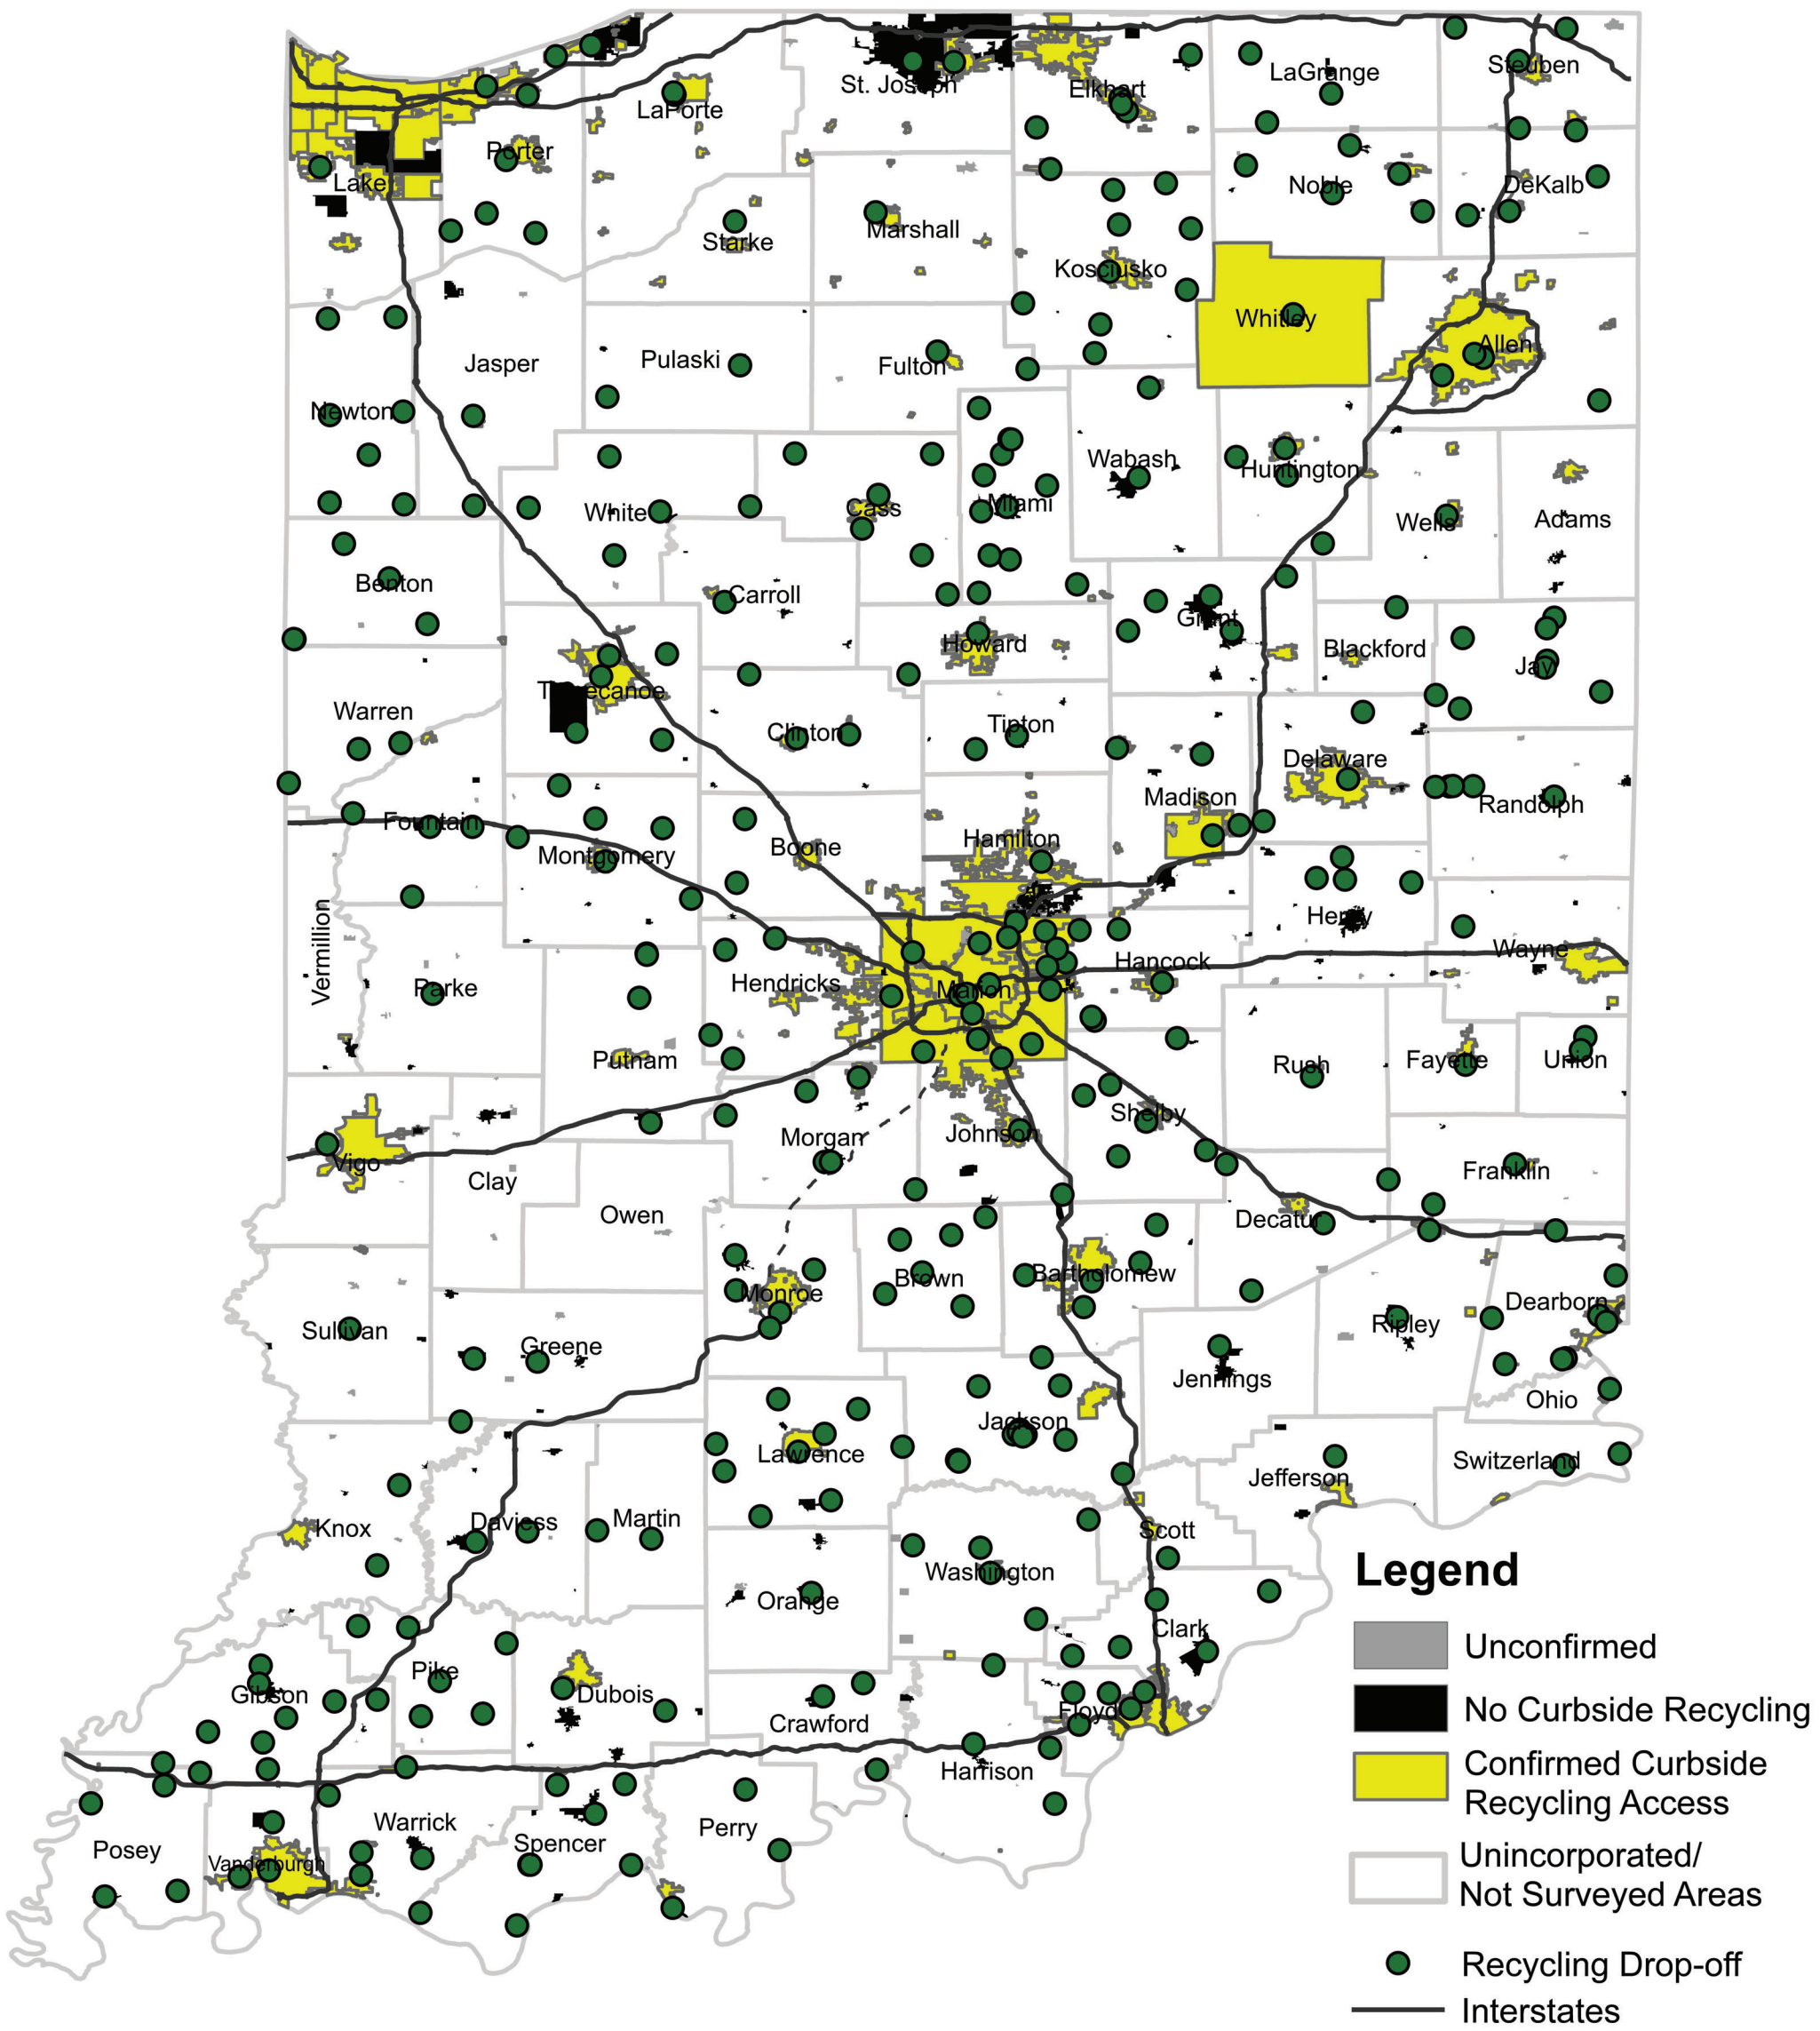

2019 Reported Processed Tons by Material Recovery Facilities in Indiana

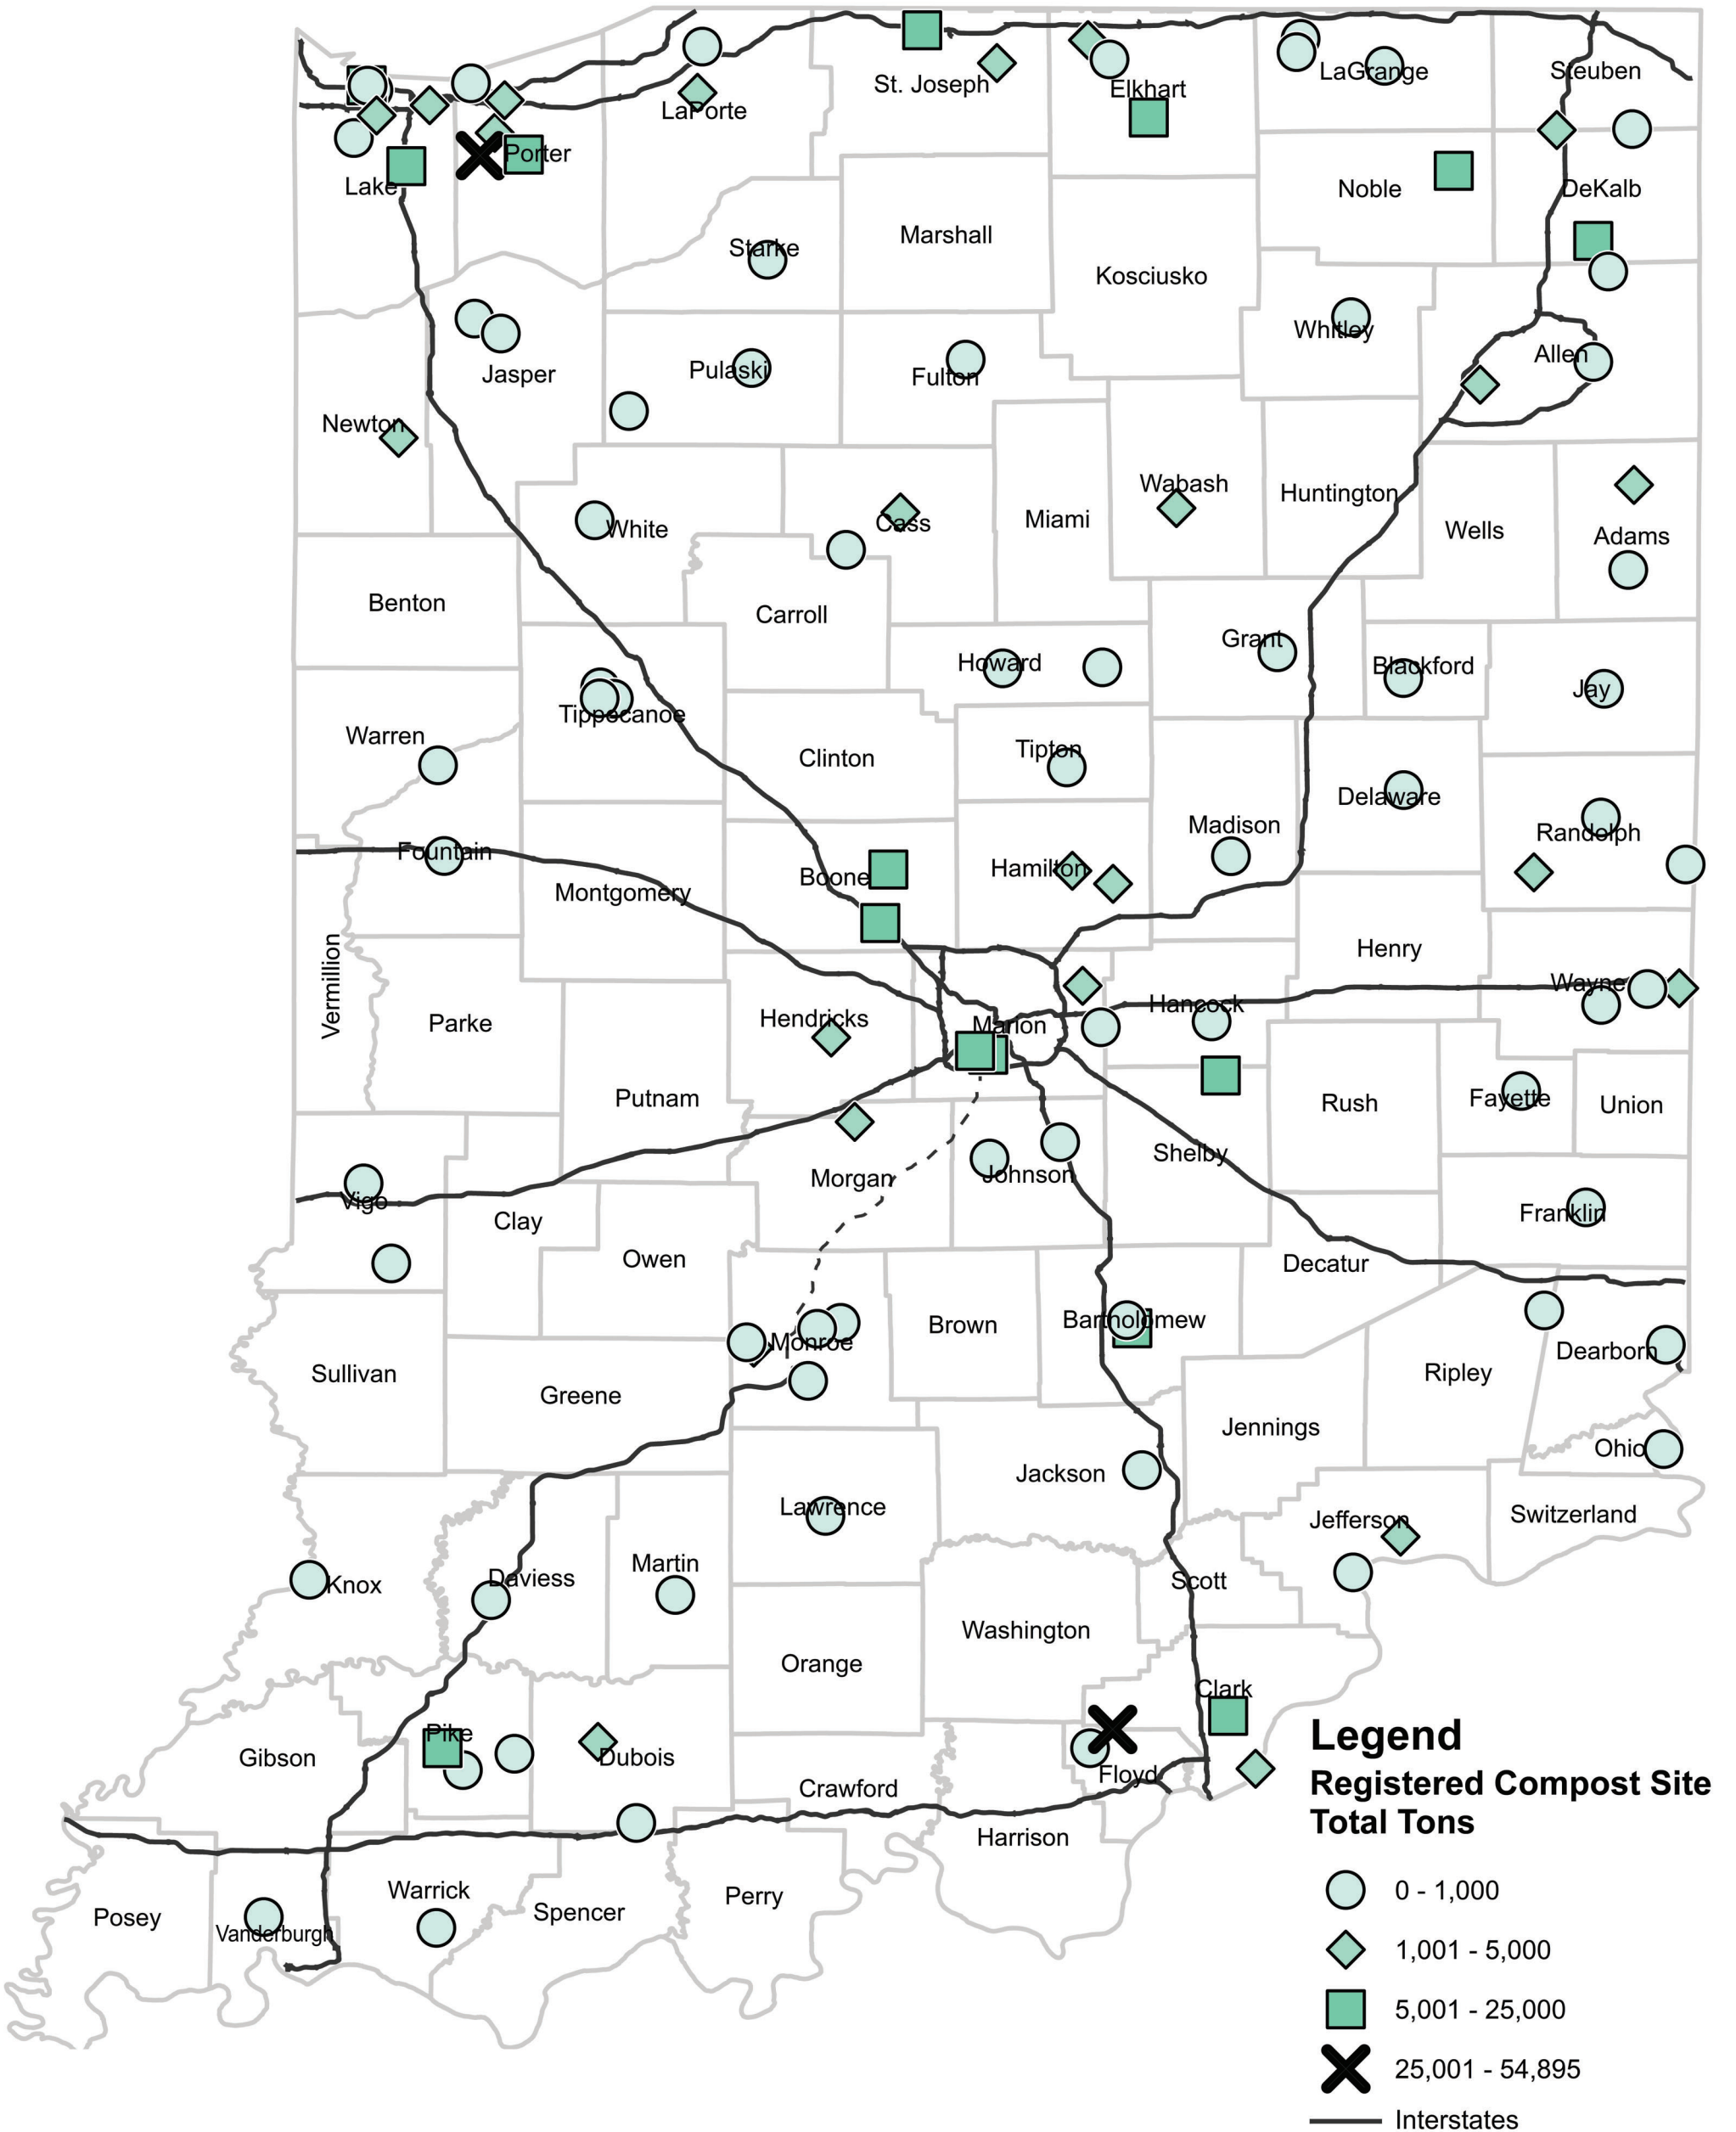

2019 Reported Processed Tons by Recycling Hubs in Indiana

Curbside and Drop-Off Recycling Access in Indiana

2019 Registered Compost Facilities in Indiana

2019 Reported Tonnage for Food Waste in Indiana from Registered Compost Facilities
