November 5, 2008

PUBLIC NOTICE

IDEM ID Number:
2008-495-55-JWR-A

Corps of Engineers ID Number:
LRL-2008-1081-sam

To all interested parties:

This letter shall serve as a formal notice of the receipt of an application for **Section 401 Water Quality Certification** by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

1. Applicant: Mr. Kyle Noah
Indianapolis Power & Light (IPL)
4040 Blue Bluff Road
Martinsville, IN 46151

2. Agent:

3. Project location: Section 16, Township 12 North, Range 1 East, Martinsville USGS Quad.
The project is located north of Martinsville on 4040 Blue Buff Road.

4. Affected waterbody: West Fork of the White River

5. Project Description: The applicant proposes to perform maintenance dredging near the intake structure of the Eagle Valley Generating Station. The dredging activity will allow proper flow to the generating station. In order to do so the applicant will dredge approximately 5,000 tons of material. The area of dredging is approximately 4,000 square feet and will be performed by a hydraulic dredge. All dredged material will be pumped to an IPL on-site ash pond for disposal.

Comment period: Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

Public Hearing: Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

Questions? Additional information may be obtained from Mr. Jason Randolph, Project Manager, at 317-233-0467. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to -
