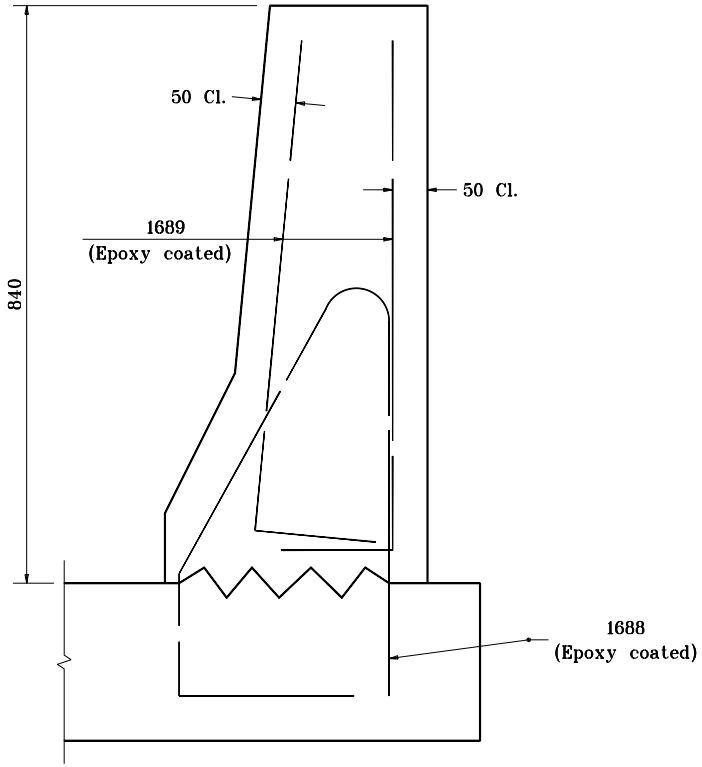
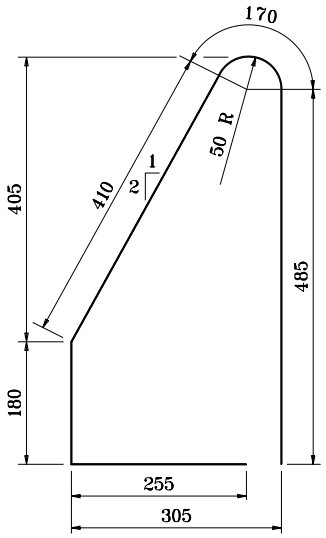
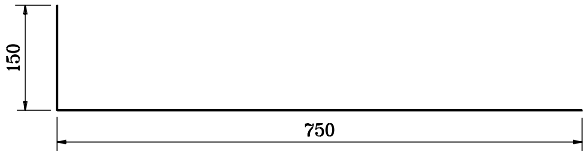
GENERAL NOTES

1. The optional vertical railing reinforcement shown may be used for bridge railing in lieu of that shown on the plans. Longitudinal reinforcing shall be as shown on the plans.
2. Vertical reinforcing lengths shown are for an 840 railing height. If a higher rail is used, these lengths shall be increased accordingly.





1688 x 1500



1689 x 900

All dimensions are in mm unless otherwise specified.
