The wage rates as set forth by the committee are the minimum and shall not prevent the Contractor or Sub-Contractor from paying a higher rate of wage.

The wage rates are established on the date signed, however, if the project is not awarded within 180 days, a new updated wage rate shall be required.

Stipulation as to the employment of apprentices: Apprentices will be permitted to work at less than the predetermined rate for the classification of work they perform when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Bureau of Apprenticeship and Training. Their wage rate will be their individual warranted percentage of the herein listed skilled classification common wage rate. Apprentices shall be permitted to work only as the ratio to journeymen in the Apprenticeship program standards state. These wage rates shall cover all unskilled and semi-skilled rates for all classifications.
