***ALL APPRENTICES-As approved by the U.S. Department of Labor Bureau of Apprentice Training***

*The wage rates under column* ***Total Hourly Wage Rates*** *as set forth by the Committee are the Minimum wage rates to be paid and shall not prevent the employer from paying a higher rate. However, the* ***Hourly Rate*** *column plus the* ***Other Hourly Compensation*** *column must equal the Total Hourly Wage Rate column.*

*The wage rates are established on the date signed, however if the project is not awarded within 180 days a new updated wage rate shall be required.*

*Stipulation as the employment of apprentices: Apprentices will be permitted to work less than the predetermined rate for the classification of work they perform when they are employed pursuant to an individual registered in a bona fide apprenticeship program registered with the U.S Departement of Labor, Bureau of Apprenticeship and Training. Their wage rate shall be theirwarranted percentage of the herein listed skilled classification common wage rate. Apprentices shall be permitted to work only as the ratio to journeyman in the apprenticeship program standards state.*

*The absence of a wage determination for the classes od Semi-Skilled and Unskilled workers in a particular classification is the result of the committee's determination that the prevailing practice in the locally is not to use Semi-Skilled or Unskilled workers in that classification on construciton sites.*
