JULY 2023

INDIANA CORRECTIONAL INDUSTRIES' GOVERNING STATUTE

Indiana Code 1998, 5-22-11, mandates that all state agencies and political subdivisions of the state **SHALL** purchase from the Department goods produced or manufactured by the Department as listed in the department's printed catalogue, providing those goods meet the specifications and needs of the purchasing governmental body and can be purchased at a fair market price.

Acts 1917, Chapter 83, Sec. 1, Page 237, authorizes prisons in the State of Indiana to manufacture "articles and products as may be found practical" for use by the state, its institutions and political divisions and to sell the surplus upon the market. Indiana Department of Correction was established in Acts 1961, Chapter 343, Sec. 3, Page 1051. Under this Act, the Division of Industries and Farms was created to administer the operation of offenders who produce goods and services for sale to state agencies and residents of Indiana.

Indiana Code 1991, 11-10-6-2 Sec. 2. (a) The Department shall establish, maintain, and operate industry and farm programs for offenders assigned to equip the participant with a marketable skill which will provide to participant a means of earning a livelihood upon the participant's return to the community...

The Division of Industries and Farms changed its name to PEN Products in November of 1993.

PEN Products changed its name to Indiana Correctional Industries in September of 2018.

Indiana Code 2021, 5-22-11-1, Requirement to Purchase from the Department of Correction
Sec. 1. Subject to section 2 of this chapter, a governmental body shall purchase from the Department of Correction supplies and services produced or manufactured by the Department under Indiana Code 11-10-6 as listed in the Department's printed catalog unless the supplies and services cannot be furnished in a timely manner. As added by P.L.49-1997, SEC.1.

Indiana Code 2021, 5-22-11-2, Specifications for Supplies and Services
Sec. 2. Supplies and services purchased under this chapter must: (1) meet the specifications and needs of the purchasing governmental body; and (2) be purchased at a fair market price.
As added by P.L.49-1997, SEC.1.

Indiana Code 2021, 5-22-11-3, Catalog
Sec. 3. The department of correction shall furnish each governmental body a catalog with the following information: (1) Supplies and services available for sale. (2) Prices of supplies and services available for sale. As added by P.L.49-1997, SEC.1.

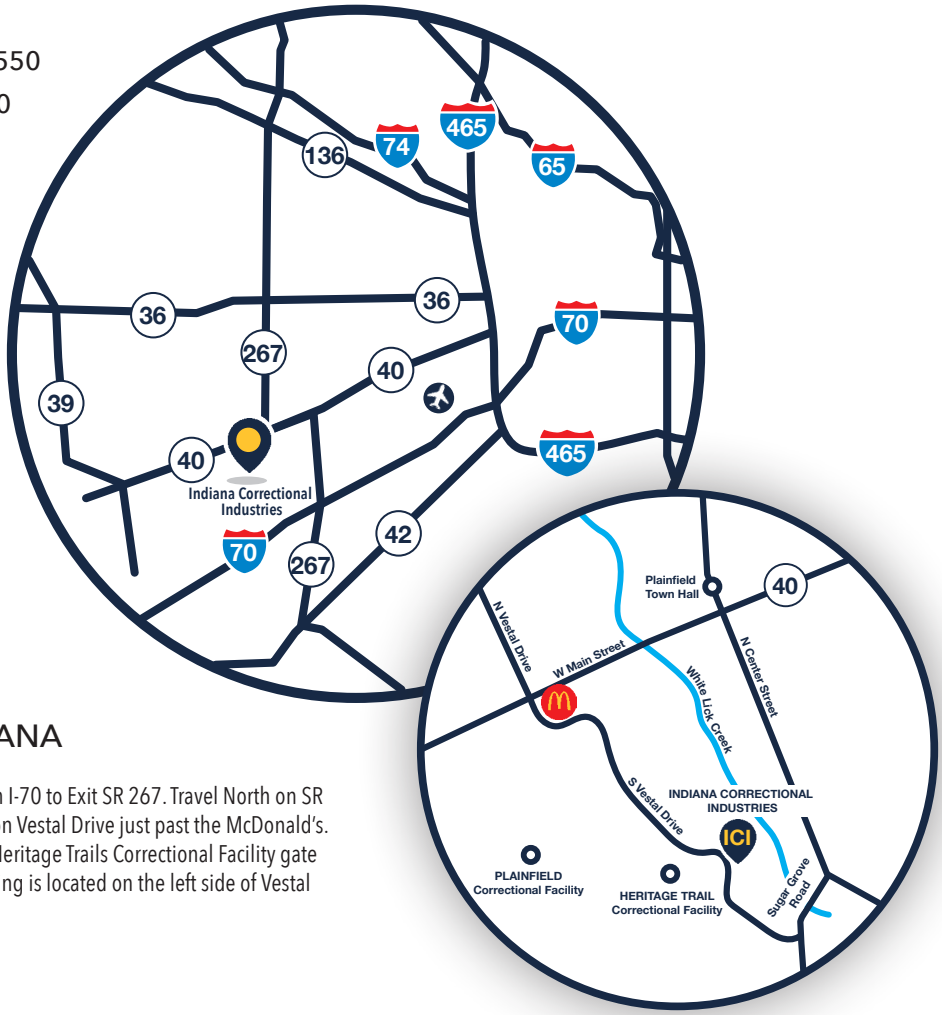
Contact us!

Toll Free: (800) 736.2550

Direct: (317) 955.6800



PLAINFIELD, INDIANA

From Downtown: Head West on I-70 to Exit SR 267. Travel North on SR 267 to SR 40 West. Turn South on Vestal Drive just past the McDonald's. Travel Vestal Drive passing the Heritage Trails Correctional Facility gate entrance on the right. The building is located on the left side of Vestal Drive up over the hill.

INDIANA DEPARTMENT OF CORRECTION

INDIANA CORRECTIONAL INDUSTRIES

OUR MISSION:

Indiana Correctional Industries is dedicated to providing incarcerated individuals real-world training programs that develop work ethics, skills and abilities to support successful reentry.

OUR VISION:

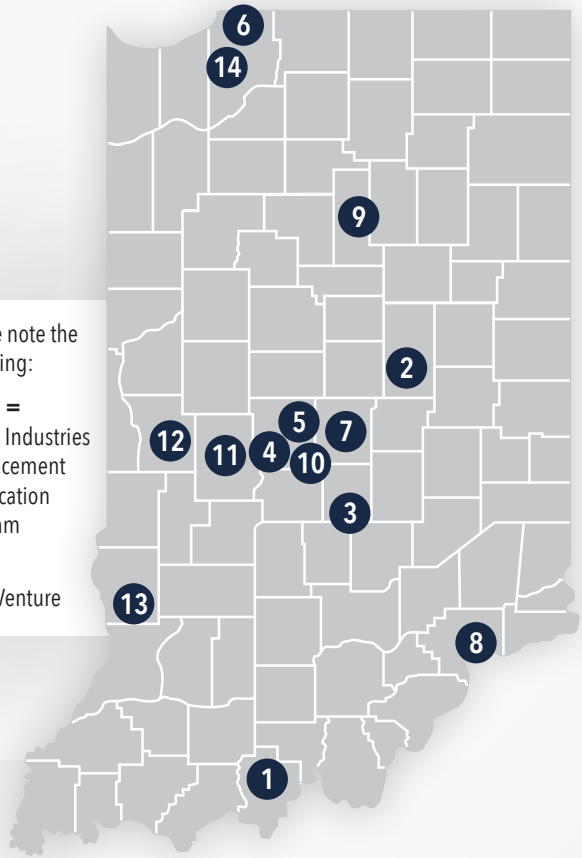
Return Indiana citizens into their communities with essential skills while providing value to the Department of Correction and Indiana taxpayers.

ABOUT INDUSTRIES

Indiana Correctional Industries operates the correctional industries division of the Indiana Department of Correction and provides work opportunities in adult correctional facilities, teaching incarcerated individuals a strong work ethic and job skills, and positively impacting their reentry.

Indiana Correctional Industries prepares incarcerated adults for successful reentry by providing work assignments in manufacturing environments. Indiana Correctional Industries' workers learn valuable skills while on the job: production, quality control, teamwork, respect for authority and the value of work. Indiana Correctional Industries' workers, when released, are less likely to recidivate than individuals that did not experience a work assignment.

In addition to learning the value of work, Indiana Correctional Industries workers are also provided opportunities to learn and build upon various soft skills including communication, critical thinking, leadership, team work and work ethic.



Please note the following:

PIECP = Prison Industries Enhancement Certification Program

JV = Joint Venture

Indiana Correctional Industries provides work assignment opportunities for 2,000 incarcerated adults annually.

Please call 317.838.7129 for pick-up time, directions and product availability.

IDEA / REQUEST
If you have an idea or request for a new product, not yet offered by Indiana Correctional Industries, we would be happy to discuss with you. Please contact the Deputy Director of Business Development & External Affairs at **317.754.4184.**

TERMS & CONDITIONS

CANCELLATIONS
Cancellations of orders/items must be delivered in writing to the attention of Indiana Correctional Industries Customer Service.

CHANGES
All changes must be communicated in writing to the attention of Indiana Correctional Industries Customer Service.

CUSTOMER ITEMS
Once a signed order has been received and processed, changes or cancellations of custom items will not be accepted.

SHIPPING INFORMATION
All orders may be subject to delay due to causes beyond the control of Indiana Correctional Industries. Shipping charges are calculated on your location and the total purchase amount. (Shipping fee is waived to all governmental agencies.)

DOCK DELIVERY
State agency orders and all other orders over $500.00 are F.O.B. destination within the State of Indiana. Prepaid delivery includes tailgate and/or dock delivery.

RETURN POLICY
Returns will be handled on a case-by-case basis. Any product returns after 90 days will be subject to a 15% restocking fee. Incorrect items shipped or items damaged in shipping will be replaced at no charge.

Inside Delivery & Installation of Office & Metal Furniture Request for these services must accompany the original sales order. Inside delivery and installation services include the following:

- Delivery, unloading and installation of items as specified on the original sales order.
- Removal of all wrapping, crates and debris from the premises.
- Inside delivery and installation does not include Indiana Correctional Industries personnel moving existing furniture, rearranging furniture or performing any work not related to the delivery of items as specified on the original sales order.

DAMAGED MERCHANDISE
Damages should be reported to Indiana Correctional Industries Customer Service as soon as possible.

SHORTAGES
All customers are advised to inspect quantities and items before signing shipping documents.

Plainfield, IN 46168

LARGE FORMAT PRINTING

Our print shop operation produces eye popping, crisp, vibrant colors with the UCJV 300 Mimaki. Great ink adhesion to vinyl/paper; ink dries almost instantly.

We have the ability to print on a variety of substrates for example: floor graphics, signs, posters, banners, indoor wall graphics, window displays, vehicle vinyl, canvas, and a myriad of different papers.

Indiana Correctional Industries has recently expanded its product line capabilities to design and wrap vehicles, walls, and windows of all shapes and sizes. We use premium Avery vehicle vinyl for its conformability to surfaces and its unique air release application properties.

We also laminate our graphics to ensure long life, making them weather resistant, and prevent color fade.

Please contact our Sales Department for a quote or questions.

EMBROIDERY

Please contact our Sales Department for a quote or questions.

(317) 955.6800

iciwebsales@idoc.in.gov

The Wabash Valley Correctional Facility print shop has the capability to provide embroidered textiles such as apparel decoration, logos, corporate branding, sports teams, name drops and more.

TYPE OF EQUIPMENT AND CAPABILITIES:

ARTWORK

A digitized file is required for embroidery. Industries has the ability to digitize files for you. If we are digitizing your file, vector art is ideal. However, any file type will work. The better the clarity of the file supplied, the better your embroidery results will be. Embroidery doesn't work well with small, detailed designs and images with gradients.

FILE TYPES

Corel Draw (.cdr), Adobe Illustrator, (.ai; .eps, .svg, .pdf). We can also use good quality (.jpg, .gif, .psd, .png, and other raster file types). We can create something for you or convert raster images to vector art.

DECORATION LOCATIONS & SIZES

We have hoops large enough to sew designs up to approximate 12" x 18".
For hats, we recommend the following height limits: 2.5" x 5"

Hundreds of embroidery thread color options are available.
If we can't stock a color you require, one can be ordered. Pricing will apply.

GARMENT CARE

Proper care for your garment is necessary to achieve a normal garment and decoration life. For all garments, we recommend cold-water washing inside out and hang drying. You may tumble dry on fluff (no heat). Never iron over the decoration. Following these steps will help you achieve the maximum amount of life for your garment.

EMBROIDERY FONTS

We have 100+ in stock and ready to go. Additional fonts can be digitized for embroidery use.

MEN'S PORT AUTHORITY® SHORT SLEEVE SNAG-PROOF TACTICAL POLO

Moisture-wicking and odor-fighting, this durable powerhouse of a polo is a lighter weight than our standard snag-proof tactical polo. 4.4 oz. snag-proof polyester, tag-free label, flat knit collar, 3-button placket, dyed-to-match buttons, mic clips at center placket and shoulders, raglan sleeves, reinforced dual pen pockets on left sleeve, drop tail hem, side vents.

ROAD & HIGHWAY

Indiana Correctional Industries manufactures highway signs used to regulate and direct vehicle movement on the thousands of miles of Indiana highways. All signs made by Industries are in strict accordance with the specifications set by the Indiana Department of Transportation using their Manual on Uniform Traffic Control Devices. Our sign data is continually updated.

Industries provides a complete selection of road and highway signs and related materials for state, county and municipal requirements. This includes all those meeting INDOT and Federal Highway Administration specifications.

All highway signs are made according to specifications for grade of aluminum with either high intensity or engineering grade reflective sheeting. Neither grade will crack or peel in cold weather and both have a life expectancy of seven years.

Please contact our Sales Department for a quote or questions.

(317) 955.6800

iciwebsales@idoc.in.gov

SPECIALTY

Indiana Correctional Industries manufactures quality street signs and attractive informational signs for cities, counties, parks, recreational areas, campus grounds, buildings, institutions and many other locations. The same quality and workmanship goes into the specialty signs as our highway signs. Industries reproduces the graphics through the silk screen process and has computerized letter cutting capabilities.

Please contact our Sales Department for a quote or questions.

NAVIGATOR

With its sturdy four-leg design and articulating back, Navigator Seating provides your guests with a high degree of ergonomic comfort. It also allows users to fold up the seat and nest several chairs together...then collectively move them to where they need to go. The Navigator is a natural for conference or training rooms when you don't always know exactly how many people will be attending. With the Navigator you can quickly roll out extra stored seating as needed.

COLOR OPTIONS

PIPER CHAIR WITH POLY SEAT & BACK

With Piper simple becomes smart and stylish. Subtle curves in the back and seat as well as the waterfall seat edge prevent fatigue and provide comfortable support.

The most obvious design feature is the integrated handle, which is also contoured to make the chairs easy to move and stack. A bent-wire frame and polypropylene construction also keep them light on their feet and more maneuverable during reconfigurations in multi-purpose spaces.

Color-through polypropylene minimizes the appearance of scratches, while the powder-coated or chromed steel frames resist wear from the start.

All of this durability and the ease with which they can be cleaned and sanitized, make Piper Poly Guest Chairs an ideal choice for environments like classrooms and dining rooms where they see vigorous daily use, in addition to more typical guest seating environments.

Armless Poly Back and Seat

STOCK CODE	DIMENSIONS	WEIGHT RATING	PRICE
FPIPNA-_ _	Seat: 18"W X 18"D Seat Height: 18" – 23"	300 lbs.	$67.00

Poly Color Options: Black (BL), Cool Grey (CG), Misty Brown (MY), Nordic (ND), and Sand (SA)

PIPER CHAIR WITH PADDED SEAT & BACK

Two upholstered options bring Piper's contemporary style to more refined settings. A Fixed Seat and Back option meets every expectation of guest seating for the office, while a Fixed Seat with a Poly Back is a more playful interpretation. Its steel and polypropylene components contain recycled content and are recyclable at the end of the furniture's life.

Accessible fasteners for the upholstered pads also allow facilities management staff to remove and replace them in the field if they become worn or damaged.

Piper's non-marring glides may be its most overlooked feature, but even they contribute to the line's environmental mission. Available in clear polycarbonate, black PVC and stainless steel they help protect the flooring. Ganging glides can also be used to keep the seating in perfect alignment.

Armless Padded Seat and Back

CLASSROOM FURNISHINGS

The difference between sitting in a classroom and learning is student engagement. FaceTime Wave encourages that engagement by providing learners with safe and comfortable seating and desk options.

Not only do FaceTime Wave chairs promote an alert neutral posture, their unique one-piece design provides back support without relying on an external frame or ribs, allowing them to flex and adjust to users. They are also available with cushioned, upholstered back and seat pads for even greater comfort.

Like the chairs, desks are available in two finishes. High-pressure laminate tops offer a variety of surface and edge options, while hard plastic tops provide a scratch-resistant writing surface that will look new for years to come.

CANTILEVER DESKS & CHAIRS

DOUBLE ENTRY DESKS

Plastic Book Box - provides ample storage for a variety of materials.

Desk Book Basket - provides open storage for unused materials, so they won't be left behind.

Back-Tilt - is allowed by our unique injection molding method that provides support without requiring an external frame or ribs.

FOLDING TABLES

ULTRA LITE™ TABLES

Attractive, lightweight, durable tables made from high-density polyethylene plastic, designed to hold up to heavy-use, even in the most extreme conditions. These tables are easy-to-clean, easy-to-use, and easy-to-store, due to the innovative design of the folding legs. The 1.125" steel tubular legs fold securely into the molded tops, allowing the tables to stack flat and reducing the threat of shifting during vertical or horizontal storage.

The tables are also weather-resistant with UV inhibitors to prevent fading and sun damage. Black powder coating gives the steel frames a scratch-resistant, all-weather finish that won't crack, chip or peel.

FLOOR CARE

HEAVY-DUTY FLOOR STRIPPER

Specially formulated for removal of finishes subjected to repeated high speed burnishing. Super strength, heavy-duty stripper can take off most finishes in one pass. Low foaming, nonammoniated, biodegradable and phosphate-free.

STOCK CODE	SIZE	SELLING UNIT	PRICE
FL-2100-C	1 gallon (Dilution Rate 1:4)	4 jugs/case	$40.00
FL-2100-D	5 gallon (Dilution Rate 1:4)	1 pail	$48.00
FL-2100-E	30 gallon (Dilution Rate 1:4)	1 drum	$270.00

HIGH PERFORMANCE FLOOR FINISH

High Performance Floor Finish–Most resilient finish with immediate high gloss that's easily repaired. Developed for semi-frequent maintenance programs, creating and maintaining desired "wet look" is easy with simple cleaning and burnishing. For UHS programs that burnish 2-5 times a week. Meets Slip Resistance Requirements per ASTM D-2047.

STOCK CODE	SIZE	SELLING UNIT	PRICE
FL-2106-C	1 gallon	4 jugs/case	$61.86
FL-2106-D	5 gallon	1 pail	$70.00
FL-2106-E	30 gallon	1 drum	$377.00

DAILY FLOOR CLEANER & MAINTAINER

Revolutionary UHS cleaner maintainer that extends recoat frequency 2-3 times compared to conventional restore/maintainers. Combines two maintenance steps into one. A low foaming cleaner/maintainer formulated for use in high and low speed maintenance programs. Builds gloss and reduces powdering. Contains a thermoplastic polishing agent which adheres to the floor and is not removed in the cleaning process. Does not discolor or build up. Cleans and builds shine. Does not require burnishing on a daily basis.

STOCK CODE	SIZE	SELLING UNIT	PRICE
