RE: Final Adoption of Amendments to the Women, Infants and Children (WIC) Rule 410 IAC 3.6

The Indiana State Department of Health (ISDH), Women, Infants and Children (WIC) Division, requests the Executive Board, at the Board's September 14, 2011 meeting, finally adopt the amendment to the administrative rule governing the WIC Program (410 IAC 3.6).

The proposed amendments would add definitions and to update the minimum stock requirements and preauthorization visit requirements.

The Notice of Intent to Adopt a Rule was published in the Indiana Register on December 1, 2010 starting the one year period to adopt this rule. An AROC Notice was filed extending the rulemaking process for one additional year. The proposed rule was preliminarily adopted by the Executive Board at the January 12, 2011 meeting. Although minor changes have been made based on public comment, the rule has not substantively changed.
