Additional Information / Comments

The guys were removing tent stake they smelt gas, they immediately stopped and called 911. Apparently the stake must of pieced the gas line on the initial set up of the tent. The tent was placed in customers back yard and according to the locate ticket # 1206143536 the entire back yard was to be marked, it obviously was not marked correctly. The guys at the job said there was no line marked around the area they installed the tent. I feel like we did are job by calling and should not be held responsible. Thanks Todd
