Dear Local Resident, Interested Citizen, and Elected / Local Public Official:

**Welcome to the Indiana Department of Transportation's (INDOT) Public Information Meeting regarding proposed road rehabilitation on S.R. 26 from approximately Rossville to Russiaville in Clinton County (0.5 mile east of U.S. 421 to 2 miles west of Russiaville).**

The purpose of this project is to enhance safety within the corridor and extend the usable service life of the existing roadway. Several improvements are proposed within various segments of the project area including increasing lane widths, providing roadside shoulder with portions to be paved, improving drainage, modifying and/or replacing culverts, installing rumble striping, improving sidewalks (in areas with existing sidewalk), adding a turning lane (S.R. 26 at S.R. 75) and other safety enhancements.
