Re: FY2022-2026 Indiana STIP Amendment 22-07, dated July 31, 2023

Dear Mr. Nunnally:

We have reviewed the State Transportation Improvement Program (STIP) amendment request you submitted via correspondence dated July 31, 2023. This request adds projects pursuant to changes made to the State Transportation Improvement Program (STIP) for the:

- Indianapolis Metropolitan Planning Organization (IMPO)
- Lafayette - Area of Tippecanoe County Area Plan Commission (APCTC)
- Michiana Area Council of Governments (MACOG)

We have determined that the amendment to the STIP is financially constrained and consistent with the relevant statewide transportation plans. The projects were developed in accordance with the requirements of 23 CFR 450 and are exempt from the air quality conformity determination process. The project additions are approved for the FY2022-2026 STIP.

If you have any questions concerning this STIP amendment approval, please contact Cecilia Crenshaw-Godfrey at (312) 705-1268.

Sincerely,

Anthony Greep
Director, Planning & Program Development
