Ms. Mayela Sosa, Division Administrator  
FHWA Indiana Division  
575 North Pennsylvania Street, Room 254  
Indianapolis, Indiana 46204

Dear Ms. Sosa:

The Indiana Department of Transportation requests the projects listed in STIP Amendment 18-11 to be incorporated into the 2018-2021 Statewide Transportation Improvement Program (STIP).

The required Metropolitan Planning Organization (MPO) Transportation Improvement Program (TIP) documents have been included in this request and duly noted in the Amendment. We have determined that the proposed amendments are: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects; and 3) conform to state and national air quality standards.

A draft of this amendment was posted on INDOT's STIP website <http://www.in.gov/indot/STIP> for comments. No comments were given about any project listed.

We request your review and approval of the subject amendment. Should you have any questions pertaining to this amendment, please contact Michael McNeil, STIP Specialist at (317) 232-0223 or at [mmcneil@indot.in.gov](mailto:mmcneil@indot.in.gov).

Sincerely,
