Col.

I would most respectfully make application for a Leave of Absence for three (3) days, to enable me to go to Baltimore Md, for the following reasons,

A portion of my fathers' estate (now diseased) has been sold for a very liberal sum, on condition that all the deeds may be made by the 1st of June 1864. A blank deed has been sent me, for my acknowledgement, with an earnest request that it be done if possible, & in order to secure the necessary power to witness, I make this application, which I sincerely hope will be favorably considered

I am

Very Respectfully
Your Obt Servt,
