Dear Ms. Kennedy:

We have completed our review of INDOT's Amendment #20-09 to the FY 2020-2024 Indiana Statewide Transportation Improvement Program (STIP) dated September 6, 2019. The amendment is for the:

- Delaware-Muncie Metropolitan Plan Commission (DMMPC) FY 2020-2024 Transportation Improvement Program (TIP)
- Madison County Council of Governments (MCCOG) FY 2020-2024 TIP

We have received the Governor's approval letters and FHWA considers this amendment to be in substantial compliance with the applicable requirements as sufficient to support a consistency finding for the STIP. FHWA approves the DMMPC and MCCOG FY 2020-2024 TIPs to be incorporated by reference into the STIP.

Should you have any questions regarding this approval please contact Joyce Newland at 317-226-5353 or e-mail at joyce.newland@dot.gov.

Sincerely,

For: Mayela Sosa
Division Administrator

Dear Ms. Sosa:

The Indiana Department of Transportation requests the projects listed in STIP Amendment 20-09 to be incorporated into the 2020-2024 Statewide Transportation Improvement Program (STIP).

Included in this amendment is a listing of the state's expansion/preservation, local small urban and rural, and rural transit projects. The following Metropolitan Planning Organization's TIP will be included in the FY 2020-2024 STIP by reference, pending FHWA approval.

Delaware-Muncie Metropolitan Plan Commission (DMMPC)
Madison County Council of Governments (MCCOG)

FY 2020-2024
FY 2020-2024

The Delaware-Muncie Metropolitan Plan Commission and Madison County Council of Governments adopted the FY 2020 – FY 2024 Transportation Improvement. The air quality conformity requirements completed review.

We have determined that the proposed amendments are: 1) consistent with the statewide transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects; and 3) conform to state and national air quality standards.

We request your review and approval of the subject amendment. Should you have any questions pertaining to this amendment, please contact Michael McNeil, STIP Specialist at (317) 232-0223 or at mmcneil@indot.in.gov.

Transportation Improvement Program (TIP) Approval

Dear Ms. Moody:

The Indiana Department of Transportation (INDOT) has completed its review of the FY 2020-2024 Transportation Improvement Program for the Delaware-Muncie Metropolitan Plan Commission (DMMPC). State and locally initiated transportation projects were reviewed for accuracy and compliance under the Fixing America's Surface Transportation (FAST Act).

It is my pleasure to inform you that on behalf of Governor Eric Holcomb, I approve your FY 2020-2024 Transportation Improvement Program. This document will serve as support for the local and INDOT projects in your area that fall within the FY 2020-2024 timeline and will be included by reference in the FY 2020-2024 Indiana Statewide Improvement Program (STIP). However, projects not shown by reference will be amended into the STIP upon request.

If you should have any questions, please feel free to contact Roy Nunnally at 317-234-1692.

Sincerely,

Joe McGuinness, Commissioner
Indiana Department of Transportation

Dear Mr. Nunnally:

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have completed our review of the documents necessary to make an air quality conformity finding for the Indianapolis 9-county air quality conformity area. The need for this new conformity finding stems from the Madison County Council of Governments (MCCOG, Anderson MPO) publishing a new 2020-2023 Transportation Improvement Plan (TIP).

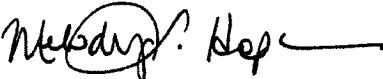

Appropriate consultation and public involvement on the conformity analysis was completed. The Indiana Department of Environmental Management, the Indiana Department of Transportation, and the US Environmental Protection Agency have reviewed the air quality conformity analysis and determined that air quality conformity requirements have been met. Therefore, FHWA and FTA find this document conforms to air quality conformity requirements.

Previous conformity findings have been made for the other planning documents in the 9-county area. Therefore, FHWA and FTA also find the following planning documents from the 9-county area conform to air quality conformity rule requirements:

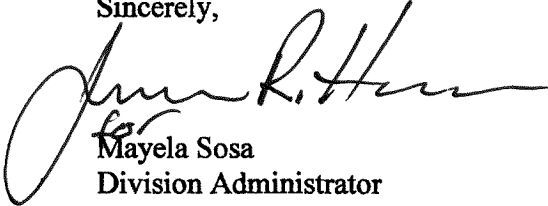

Indianapolis MPO 2045 Transportation Plan (including Amendment #2)
Indianapolis MPO 2020-2023 TIP (not amended)
Anderson MPO 2045 Transportation Plan (not amended)
Anderson MPO 2020-2023 TIP (not amended)

If you have any questions, please feel free to contact Robert Dirks, FHWA, at 317-226-7492 / robert.dirks@dot.gov or Cecilia Crenshaw, FTA, at 312-705-1268 / Cecilia.Crenshaw@dot.gov.

Dear Mr. Nunnally:

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have completed our review of the documents necessary to make an air quality conformity finding for the Muncie air quality conformity area. The need for this new conformity finding stems from the Delaware-Muncie Metropolitan Plan Commission's (Muncie MPO) new FY 2020-2024 Transportation Improvement Program (TIP).

Appropriate consultation and public involvement on the conformity analyses was completed. The Indiana Department of Environmental Management, the Indiana Department of Transportation, and the US Environmental Protection Agency have completed their reviews of the Air Quality Conformity Analysis and find the TIP and Plan conforms to applicable air quality conformity requirements.

Therefore, FHWA and FTA find that the Muncie MPO's 2045 Transportation Plan (not amended) and 2020-2024 TIP (not amended) conforms to air quality conformity rule requirements. If you have any questions, please feel free to contact Robert Dirks, FHWA, at 317-226-7492 / robert.dirks@dot.gov or Alexandria Burns, FTA, at 312-353-3770 / Alexandria.Burns@dot.gov.
