5 THINGS YOU NEED TO KNOW ON ELECTION DAY

1. **PLAN AHEAD** Visit **www.IndianaVoters.com** or call **1-866-IN-1-VOTE** (866-461-8683) to check your voter registration and polling place location. You may also call your county clerk's office or county board of voter registration for more information.

2. **I.D.— DON'T LEAVE HOME WITHOUT IT** A voter must provide government-issued photo ID before casting a ballot. The ID must fit the following criteria:
   1. Display the **voter's photo**
   2. Display the **voter's name**, and the name must conform to the voter's registration record (Conform does NOT mean identical)
   3. Display an **expiration date** and either must be current or have expired sometime after the date of the last General Election (November 7, 2006)
   4. Be issued by the **State of Indiana** or the **U.S. government**

   ***In most cases, an Indiana driver's license, Indiana photo ID card (available free of charge for voting purposes from the BMV), U.S. Passport, or Military ID is sufficient. Visit www.PhotoID.in.gov for more information.

3. **YOUR BALLOT, YOUR VOTE** Don't panic if you registered to vote but your name is not on the list. Get help from a poll worker to make sure your vote is counted. You may be directed to another polling place or given a provisional ballot. Remember, poll workers are there to help you.

4. **WRITING ON THE WALL** Look at the signs at the polling place for directions on how to use the voting machines, a list of your voting rights, and instructions for filing a complaint if your rights have been violated.

5. **ACCESSIBILITY** Every polling place is required to have facilities and voting machines accessible to elderly voters and voters with disabilities. For more information on your county's accessible voting equipment and polling locations, visit www.sos.in.gov/elections/hava or call your local county clerk's office.
