Plan Reading Series

(Open-ended Program)

- Highway Plan Reading Basics - This describes the foundational information needed to begin reading and understanding highway plans. This includes an overview of the title page and its components, station numbers, townships, and quantity estimates.
- Grading Plans - This reviews the information found in the Grading Plans section of a highway plan.
- Traffic Control Plans - This reviews the information found in the Traffic Control Plans section of a highway plan.
- Erosion and Sediment Control Plans - This reviews the information found in the Erosion and Sediment Control Plans section of a highway plan.
- Right of Way Plans - This reviews the information found in Right-of-Way Plans for a highway project.
- County Plans - This reviews the information found in a county plan.
- Bridge Plans - This reviews the information found in a bridge plan.
- Culvert Plans - This reviews the information found in a culvert plan.
