Re: *Your Inquiry Concerning the Disposition of the State's Petition for Summary Suspension*
Reinaldo Matias, Ph.D.

Dear Dr. Tansinsin:

In response to your telephone inquiry concerning the above captioned matter, an Order was issued on July 28, 2000. That Order states:

> IT IS HEREBY ORDERED, ADJUDGED, AND DECREED this 28th day of July, 2000 that the State's motion for summary suspension of Reinaldo Matias, Jr., Ph.D's pyschology license is DENIED.

There were no restrictions or other actions taken, nor proceedings, to my knowledge, concerning Dr. Matias.

You stated you were presently doing a routine review and inquiry on a license renewal. As we discussed, I have requested, as Dr. Matias' counsel, to be notified of any suggested actions adverse to Dr. Matias' application for license renewal. If you have any questions concerning this correspondence or desire additional information, please call me at your convenience.

Thank you for your courtesy.

Dear Dr. Matias:

After reviewing your renewal, the Indiana State Psychology Board would like to request clarification of the circumstances under which you left your position at Porter Starke Counseling Services. Furthermore, the Psychology Board would like separate written verifications of the circumstances from both yourself and a representative from Porter Starke Counseling Services. The board requests that the verification from Porter Starke Counseling Services be printed on their agency letterhead.

If I may provide further clarification or information, then please do not hesitate to contact me via e-mail at stansinsin@hpb.state.in.us or via phone at 317-234-2057.

Re: *Inquiry of the Indiana State Psychology Board*
Reinaldo Matias, Ph.D.

Dear Mr. Tansinsin:

When we spoke on Tuesday, September 10, 2002, concerning your September 4, 2002 letter to my client, Dr. Matias, you told me you were going to check into the matter further and get back to me. I will wait to hear from you further, as we agreed, before any further action from this office. Dr. Matias continues to be represented by this Firm. Enclosed is a written statement confirming his representation by counsel.

As I said previously, your call to me the prior week was unexpected. I had asked, at that first telephone call, that all correspondence concerning any requests of the Board be sent to this Firm. Instead, my client forwarded a copy of your September 4, 2002 letter to me.

For reasons unexplained, "After reviwing [Dr. Matias' license] renewal, the Indaina State Psychology Board would like to request clarification of the circumstances under which [Dr. Matias] left [his] position at Porter Starke Counseling Services." The Board gave no reason for this unusual request, and I find it disconcerting. Dr. Matias left his employment at Porter Starke in 2000. That is some two years ago.

We do not wish to have you or your colleagues presume that we have ignored your September 4th letter, and, thus, this letter is sent to memorialize my understanding, and that I am waiting to hear from you.

Thank you for your courtesy.

Very truly yours,

Paula E. Neff

Hello again Ms. Mazo,

You sent an email to me on November 18th, advising that Dr. Matias' license was active and in good standing, that the Emergency Suspension Board voted not to suspend his license. I wrote you back (on 11-18-03) requesting, per the Freedom of Information Act, for a copy the Complaint and any other items that you could provide to me.

I have not received any materials from you with regard to this request. Please advise the status at your earliest convenience. Thank you for your assistance.
