About WVB East End Partners
WVB East End Partners is a consortium of three companies charged with the design, finance, construction, operation and maintenance of the East End Crossing – linking Louisville to Southern Indiana. The consortium consists of Walsh Investors, Vinci Concessions Investments USA, and Bilfinger Berger Project Investments.

Through a public-private partnership and under a contract awarded by the Indiana Finance Authority, WVB is scheduled to complete construction by the end of 2016, and will be responsible for operation and maintenance of the Indiana approach and the main bridge for 35 years.
