Reinstate Indiana's

Energy Efficiency Programs!

Regarding the IURC's EE/DSM recommendations, please recommend to Gov. Pence that Indiana enact strong statewide energy efficiency policy that establishes:

1. Statewide savings goal similar to those established in the December 2009 order in Cause No. 42693.
2. A public purpose fund which ALL ratepayers contribute to.
3. An independent, non-profit Statewide third party administrator to oversee those funds.
