IndyGo SM Purple Line Subcontractors Meeting

Join us for a “pre, pre-bid meeting regarding construction of the Purple Line Bus Rapid Transit project!

The Purple Line will provide frequent transit service between Downtown Indianapolis and the City of Lawrence (15.2 miles). The overall project cost is anticipated to be $162 million. Construction costs (which include two bid packages) will be less than the overall project cost.

During the videoconference, you will hear from our Construction Managers, Project Managers, and the Procurement team about this exciting project. We will share with you our updated timeline, how we will work to connect you with Prime Contractors, and much more.
