Re: LSA Document #17-483 / Economic Impact Statement

Ms. Smith,

Pursuant to Indiana Code 4-22, as the Small Business Ombudsman, I have reviewed the economic impact analysis for small business associated with the rule changes contained in LSA Document #17-483 proposed by the Indiana State Department of Health.

Based on my assessment as the Small Business Ombudsman, I have concluded that this amendment is required to make the rule conform to the statue.

The economic impact statement prepared by Indiana Department of Health states, "The amendments to the rule will not add any significant fiscal impact to the business community."

Based upon this statement and review, the Small Business Ombudsman supports the proposed rule related to the economic impact to small business if the Indiana Department of Health conclusion reflects the actual result after promulgation. If you have any questions about these comments, please contact me at KColclazier@iedc.IN.gov.

Sincerely,

Katelyn Colclazier
