April 2022 Newsletter

Provider Applications

Showers are not the only thing that April is bringing this year. Our provider applications go live on April 25, 2022! Individual providers will need to submit a copy of their professional license and any additional documentation proving specialization with their application while businesses will need a copy of their business license and proof of accreditation. Qualified schools will need to provide their School Identification Number. Please review our provider checklist to the right!

Social Media

It's official! Indiana ESA is on Facebook and LinkedIn. Each platform features information for families or providers respectively and a list of upcoming events. For the most up-to-date information about Indiana ESA, find us at either https://www.facebook.com/INESA.Program or https://www.linkedin.com/company/indiana-education-scholarship-account-program

Provider Webinars

As we prepare for our provider applications to go live, the Indiana ESA team is hard at work preparing a new series of webinars. We will be providing more information regarding the program as well as a step-by-step walk through of the application process. The webinars will be conducted by region starting in Central Indiana on April 7th! For more information on how to attend and register, contact Emma Vise via email at emvise@tos.in.gov.

Qualified Schools Webinar

One of the requirements of Indiana ESA is that a student cannot be enrolled in a public school. Therefore it is imperative that qualified non-public schools have all of the information they need regarding Indiana ESA so that they can better serve students with an account. That is why we are hosting webinars on April 20th & 21st in partnership with the Indiana Non Public Education Association! If you are a school official and unable to attend, please reach out to our office to schedule another time to discuss the program.

Information Sessions

Are you an employer who wants to know more about Indiana ESA and how our program can impact the families you serve? Great news! We are now offering information sessions for you and your team. These session will be approximately an hour long and provide basic information about the program, a walk through on how to apply, and conclude with an opportunity to have all your questions answered. You can schedule an information session by reaching out to Indiana ESA's Outreach and Engagement Coordinator, Emma Vise by email at emvise@tos.in.gov.

Parent FAQs

Q: When do parent applications open?

A: Parent applications will be available in June 2022. We are working diligently to ensure that your application will be as easy and user friendly as you deserve.

Q: My child is currently receiving a Medicaid waiver. Can we still apply for an ESA?

A: Yes! Medicaid waivers and ESAs have some overlap in coverage so please be sure to speak with both your Medicaid case manager and your ESA Account Specialist to ensure you are getting the most out of each program. You can find more information on the Resources page of our website.
