Recent Events

The Autism Community Connections Trunk or Treat on October 22nd was a great success with over 400 attendees! Jackie & Sam passed out candy and played games with the Trunk or Treaters while sharing details of the ESA program with their parents. Thank you to Autism Community Connections for hosting such a great event!

Provider Information Form

Have you checked out our Approved Provider List? It can be found on the ESA home page and is updated regularly! If you don't see a provider on the list that you'd hoped to, follow this link to a form where you can provide the ESA team some basic contact information. We will be happy to reach out to each provider to see if they are interested in applying!

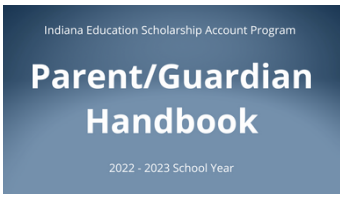
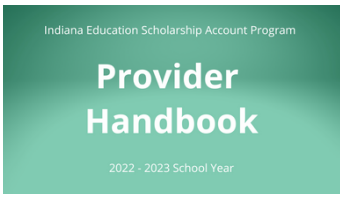
Informational Handbooks





Resource Highlight: FINDER

Students with disabilities and their families often face the daunting task of navigating a complex web of services, programs, and resources. The easy-to-use FINDER site maintains a current directory of community services and supports first-time users with a step-by-step guide. FINDER also has advanced search functionality for more experienced users. Search results are available immediately and can be saved for future use or to share with others.

New Employee Highlight

In October, the ESA office welcomed our newest Account Specialist, Janet! We are excited to have her join the team!

"Hello! My name is Janet and I joined the ESA Program team in October. Along with my background in K-12 public school finance, I bring a heart for Hoosier students. I look forward to connecting with our ESA families and providers!"
