The State Board of Accounts is of the audit position, with the concurrence of the Attorney for the Township Trustees Association, the following procedures should be followed for a consistent compilation and completion of Township Assistance Form TA-7.

When completing the form please keep in mind reconcilement or cross-checking cannot, necessarily, be achieved; i.e., Total Value of Benefits Provided TOWNSHIP ASSISTANCE Recipients (Item 3), will not necessarily be the summation of Total Value of Benefits Provided for Utilities (Item 6 (i)); Total Value of Benefits Provided for Housing Assistance (Item 8 (i)); Total Value of Food Assistance Provided (Item 10 (i)); and, Total Value of Health Care Provided (Item 12 (i)); because IC 12-20-28-3 does not specifically require separate reporting of certain Township Assistance provided by townships; i.e., clothing, household supplies, transportation, etc.

The State Board of Accounts is of the audit position, with the concurrence of the Attorney for the Township Trustees Association, the following procedures should be followed for a consistent compilation and completion of Township Assistance Form TA-7.

When completing the form please keep in mind reconcilement or cross-checking cannot, necessarily, be achieved; i.e., Total Value of Benefits Provided TOWNSHIP ASSISTANCE Recipients (Item 3), will not necessarily be the summation of Total Value of Benefits Provided for Utilities (Item 6 (i)); Total Value of Benefits Provided for Housing Assistance (Item 8 (i)); Total Value of Food Assistance Provided (Item 10 (i)); and, Total Value of Health Care Provided (Item 12 (i)); because IC 12-20-28-3 does not specifically require separate reporting of certain Township Assistance provided by townships; i.e., clothing, household supplies, transportation, etc.
