Dear Ms. Roberts:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 11-325 and proposed by the Indiana Real Estate Commission ("IREC"). The proposed rule amends 876 IAC 2-18-1 to establish all IREC fees under this section.

The economic impact statement prepared by the IREC indicates that the proposed rule is required in order to meet statutory requirements for uniformity. The proposed rule does not establish or raise any fees and the IREC further states that the proposed rule will result in no economic impact to small businesses.

The IEDC does not object to the economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 234-3997 or eshields@iedc.in.gov.

Regards,

Eric P. Shields
