The Practice of Surveying

Gary Kent brought up a discussion topic pertaining to the practice of surveying and what is determined to be surveying on private property. **Some have stated that the measuring of personal property is Part of the earth was stated by not being** part of the practice of surveying. There seems to be conflicting opinions on what the practice of surveying is **in** James Harry will review this and provide the results of his research into it. It is associated with the right of entry law.

Chris talked about the online process and the availability to apply online for this profession. Required items can be uploaded instead of being mailed in.
