DEPARTMENT OF YOUTH DEVELOPMENT AND
AGRICULTURAL EDUCATION

Cooperative Extension Service, College of Agriculture

Dear Parents,

We are very pleased to have you and your children joining the Indiana 4-H Youth Development Program, Purdue Extension faculty, staff and 4-H volunteers as we partner with the Indiana State Fair Commission, Board and staff during the 2013 Indiana State Fair!

The Indiana State Fair annually provides us with an excellent venue and opportunity to showcase many of Indiana's finest young people and their accomplishments. 4-H events, activities and experiences serve as building blocks through which 4-H members' self-confidence, inquiry, interpersonal cooperation, concern for community, and decision-making skills are developed. Our well-known 4-H motto, -- To Make the Best Better -- encourages youth to continually strive to build on and improve their "personal best."

As we work to help young people "Make the Best Better," we expect that all 4-H participants, families, volunteers and those selected to serve as judges serve as positive role models for others, conduct themselves in a courteous and respectful manner, exhibit good sportsmanship and understand that the BEST exhibit possible is the INDIVIDUAL 4-H MEMBER!

We are confident that you will join us as we continually strive to develop leadership and life skills in the next generation of young people who will ultimately serve as leaders in their 4-H clubs, communities, state, nation and world!

Sincerely,

Renée K. McKee

SAFETY & SECURITY TERMS AND CONDITIONS

All emergencies, safety concerns and suspicious activity should be reported immediately to the Indiana State Fair Operations Center at (317) 927-7520.

Prohibited Items

- No alcoholic beverages may be sold or purchased, brought on, or consumed on the Fairgrounds during the annual Indiana State Fair. (Indiana Administrative Code, Title 80, Section 4-4-3).
- No person in possession of a deadly weapon shall be permitted onto or be permitted to remain on the Fairgrounds during the Indiana State Fair. Any person properly licensed to carry a firearm must secure the firearm in a locked compartment of his/her vehicle and it shall not be visible to passersby (Indiana Administrative Code, Title 80, Section 4-4-4).

Animal Policies & Procedures

- The ONLY animals permitted on the Fairgrounds during the Indiana State Fair are: animals registered, boarded or entered for exhibition, show or other competition; animals that will be used in a scheduled performance or to perform work at the Fair; law enforcement animals and service animals. Household and family pets, whether domestic or wild, and service animals not recognized by the Americans with Disabilities Act (ADA) Section 36.104 are not permitted on the Fairgrounds during the Indiana State Fair. No person in possession of or having control over an unauthorized animal shall be permitted onto or be permitted to remain on the Fairgrounds (Indiana Administrative Code, Title 80, Section 4-4-5).
- Animals entered for exhibition, show or competition and animals scheduled to perform must remain in approved areas at all times. See individual department terms and conditions for specific information.

General Safety Policies & Procedures

- Smoking is not permitted inside barns and buildings. Smoking is only permitted in designated areas on the Fairgrounds.
- Cameras are located throughout the Fairgrounds for security and promotional purposes.
- Motorized vehicles, including golf cars, are not permitted in any barns or buildings. This does not apply to personal mobility devices. A valid State issued driver's license is required to operate a motorized vehicle including a golf cart on the Fairgrounds (Indiana Administrative Code, Title 80, Section 4-3-5).
- Electric and gas-powered generators are not permitted on the Fairgrounds.
- Fans are permitted, so long as they have proper safety-approved shrouds. See individual department requirements pertaining to size, allowable number, and placement of fans.
- Tents and other temporary structures are not permitted to be erected inside or outside barns and buildings without permission of the Indiana State Fair. This includes pop-up tents and tarps located in or adjacent to livestock barns.

Food Preparation/Cooking Policies & Procedures

Cooking inside and adjacent to barns and buildings should be kept to a minimum. The Indiana State Fair Biosecurity plan recommends that food be excluded from animal areas. If cooking and/or food preparation is necessary, the following policies and procedures must be followed:

- Cooking devices that use open flames, including charcoal and gas grills, exposed heating elements and non-electric power/fuel sources are **NOT** permitted inside or outside barns or buildings.
- Approved cooking devices are limited to crockpots, or similar slow cookers, and microwave ovens. Cooking devices **MUST** have a cover approved for use with the device and comply with all applicable electrical and fire codes. Cooking devices are also required to be powered by approved cords that are not frayed or malfunctioning in any way.

Exhibitors cooking in the barns and buildings do so at their own risk and assume all liability for their actions concerning food contamination from pathogens that may be present in or near livestock areas.

Fire Safety

- The Indiana State Fire Marshal's Office conducts regular inspections of all barns and buildings during the Indiana State Fair to identify any potential fire hazards or threats to life safety. The decisions of the fire marshal are final and will be enforced.
- Fire extinguishers are located throughout every barn and building. They may be used for approved purposes only. Do not use a fire extinguisher if you are not trained on its proper use.
- Most buildings and barns are equipped with fire alarm and/or fire suppression systems. In the event of a fire, these systems should be activated.
- Emergency exits are clearly marked in all barns and buildings. In the event of an emergency, calmly evacuate through the nearest accessible emergency exit.

Severe Weather

- In the event of severe weather impacting the Fairgrounds, be it a severe thunderstorm or tornado, you will receive instructions over the barn or building public address system. If the barn or building is not equipped with a public address system, State Fair staff will notify people in person.
- During a severe weather situation, you will be asked to remain inside, away from windows and doors whenever possible. Staff will be instructed to close all doors and windows, including overhead doors.
- Larger barns and buildings will be used for shelter-in-place (points of refuge) to allow Fairgoers to seek shelter. This may cause an influx of people into livestock areas. Exhibitors should be mindful of this and tend to their animals accordingly.

All exhibitors must be familiar with and abide by the terms and conditions of the Indiana State Fair.
Failure to do so may result in loss of the privilege to exhibit at the State Fair and/or ejection from the Fairgrounds.

Animal Wellness & Care
The Animal Wellness & Care Committee (WellCare) was established to reinforce the Indiana State Fair's strong value and belief in the proper treatment of all animals in exhibition. The Indiana State Fair holds exhibitors of the various species of animals being exhibited to the highest standards in wellness, care and ethics of exhibition. The WellCare is responsible for ensuring the most up to date standards as well as to be a source for the public to seek answers to their questions relating to the health and safety of the animals involved in the Indiana State Fair.

Biosecurity
The Indiana State Fair Biosecurity Plan was developed to prevent the outbreak of diseases carried by both animals and humans that spread pathogens that can be transmitted to and from farm animals, as well as through the food supply. Many of these diseases and pathogens can be prevented through maintaining the cleanliness of facilities and encouraging good hygiene. The Biosecurity Plan will be enforced during the Indiana State Fair and all exhibitors are required to comply with it.

All exhibitors must be familiar with and abide by the terms and conditions of the Indiana State Fair.
Failure to do so may result in loss of the privilege to exhibit at the State Fair and/or ejection from the Fairgrounds.

The Indiana State Fair Board is committed to providing opportunities for all 4-H participants to show their animals as part of the State Fair. The Board also wants to ensure the integrity of its 4-H competitions as is evidenced by the various terms and conditions set forth in this Premium Book, including its policy with respect to testing for unauthorized substances in certain animals that are entered into these competitions and the strict penalties associated with positive results. By signing your entry form or forms, you agree to these terms and conditions and as such, we strongly recommend that you read this information carefully prior to submitting your entry.

INDIANA STATE FAIR
FUN AT EVERY TURN!
AUGUST 2-18, 2013

GENERAL TERMS & CONDITIONS

GENERAL PRINCIPLES

1. By submitting an Indiana State Fair Entry Form, 4-H Exhibitors agree to all Terms & Conditions.
2. The Indiana State Fair Board is fully committed to ensuring integrity in all 4-H Competitions. As such, there is Zero Tolerance for any violation of Terms & Conditions; intent is not relevant (i.e., strict liability). **4-H Exhibitors should expect that any animal exhibit may be tested at any time while on the Fairgrounds or at harvest.**
3. The Indiana State Fair Board is fully committed to carrying out the Animal Wellness & Care Committee principles and ensuring the proper treatment of all animal exhibits. Therefore, sick animals shall not be exhibited because of the risk to the animal exhibit, other animal exhibits, the 4-H Exhibitor, other 4-H Exhibitors, other persons, and the integrity of 4-H Competitions. Based on Animal Wellness & Care Committee principles, the Department Director, the Director of the Purdue Cooperative Extension, Contract Veterinarians, and their respective designees, may prohibit an animal exhibit from showing at their sole discretion.

CARE OF ANIMAL EXHIBITS

4. 4-H Exhibitors or their families shall continually own and actively care for their animal exhibits from the earlier of May 15 or their County enrollment deadline. 4-H animal exhibits may not be maintained at a professional fitters facility, except for horses following county policy.
5. 4-H Exhibitors are completely responsible for the care and custody of animal exhibits at the Indiana State Fair.
6. 4-H Exhibitors may receive clipping and grooming assistance only from their immediate family (i.e., father, mother, stepfather, stepmother, legal guardian, brother, sister, half brother, half sister, stepbrother, stepsister, grandfather, step grandfather, grandmother, step grandmother, aunt, and uncle) or from another current Indiana 4-H Exhibitor. Temporary guardianships are not permitted and shall result in immediate disqualification.
7. Ownership of the animal exhibits passes from the 4-H Exhibitors or their families to the Indiana State Fair Board when the Indiana State Fair Board takes possession of the animal exhibits for harvesting.

DRUG AND ALTERATIONS TESTING/EXAMINATION PRINCIPLES

8. The Indiana State Fair Board drug and alterations testing program protects the integrity of 4-H Competitions and the food supply. On day of show and at harvest, animal exhibits shall not have any substance present or alteration that:
    a. Violates standards established by the United States Department of Agriculture (USDA),
    b. Violates standards established by the Food and Drug Administration (FDA), and/or
    c. Provides any potential performance enhancing quality (e.g., gait altering) and/or any potential showing advantage (including but not limited to tampering, altering, and/or misrepresenting any exhibit; coloring that alters or misrepresents breed characteristics; pumping air or other substances to alter conformation; methods to induce artificial fill; performing surgical and/or non-surgical procedures to alter the animal's configuration or natural conformation of any part of the animal's body; and unethical fitting – allowed exceptions include hoof trimming, dehorning, removal of hair, castration, branding, tattooing, ear notching, and docking of tails)
9. The Indiana State Fair Board may examine and/or test any animal exhibit, feed, liquids, or equipment.
10. The Animal Wellness & Care Committee Director or designee may insert a micro identification chip and/or tag into any animal exhibit at any time.
11. Any animal exhibit may be impounded for testing. Refusing such tests shall serve as irrefutable evidence that a violation has occurred (i.e., res ipsa loquitur).
12. The Indiana State Fair Board shall be permitted to examine and/or test any animal exhibit that dies on the Fairgrounds.
13. Equine exhibitors may administer federally-approved drugs but are subject to drug levels established by the United States Equestrian Federation.
14. Drug and alteration testing/examination results are final and binding upon 4-H Exhibitors.

ANIMAL AFFIDAVIT

15. Upon check-in at the State Fairgrounds, an animal affidavit (found at page 13 or at www.four-h.purdue.edu) shall be submitted for **all animal exhibits** (i.e., market and breeding**)** in the:
    a. Beef Cattle Department,
    b. Dairy Cattle Department,
    c. Swine Department,
    d. Sheep Department,
    e. Dairy Goat Department,
    f. Boer Goat Department, and
    g. Meat Goat Wethers Department.
16. Other Departments (e.g., Horse and Pony) may require animal affidavits at their discretion and as part of drug testing.
17. **Disclosing drugs and/or alterations on the animal affidavit does not change the fact that a violation exists.**
18. Failure to complete the animal affidavit shall result in automatic disqualification and may result in additional imposed penalties as listed below in General Terms & Conditions 41-45.

VETERINARY TREATMENT OF ANIMAL EXHIBITS

19. Upon check-in at the State Fairgrounds, all 4-H Exhibitors irrevocably consent to emergency medical care that may be needed to preserve an animal's life or prevent extreme suffering. 4-H Exhibitors and any person affiliated with them hereby waive any claim related to emergency medical care and, to the fullest extent permitted by law, 4-H Exhibitors and any person affiliated with them hereby agree to indemnify, defend and hold harmless the Indiana State Fair Board, Indiana State Fair Commission, Purdue University, Indiana 4-H Program, Cooperative Extension, the State of Indiana, and

respective agencies, affiliates, agents, officers, and employees from all claims and suits including court costs, attorney's fees, and other expenses related to emergency medical care. If the following conditions have been met, the Indiana State Fair Board is expressly authorized to perform any medical treatment, including but not limited to medical practices/procedures, administering of medications, surgery, and euthanasia, for an animal in the absence of the 4-H Exhibitor if:

a. The 4-H Exhibitor is unreachable after due diligence has been made to contact the 4-H Exhibitor, and
b. A Contract Veterinarian along with the Department Director and/or Animal Wellness & Care Committee Director determines that the animal's health is in danger and delaying treatment would be detrimental to the animal's life, or that the animal is in extreme pain.

20. Only the Contract Veterinarians may administer drugs to animal exhibits at the Fairgrounds. Administration of drugs to enhance gait or reduce lameness disqualifies the animal exhibit from competing.
21. Within 2 hours of treatment, the Contract Veterinarians shall report all performed treatments to the Department Director on an Indiana State Fair-provided reporting form.

JUDGES AND JUDGING

22. Department Directors shall select judges and set the time for competitions to occur. All competitions are subject to change.
23. 4-H Exhibitors and any person affiliated with them shall treat officials and judges with respect.
24. At the earliest possible opportunity, Judges shall report to the Department Director any attempt by 4-H Exhibitors and any person affiliated with them to interfere with and/or influence the Judges' decision.
25. The Department Director shall sanction violations of this General Terms & Conditions 23 and 24 (e.g., removing or instructing another to remove placing ribbon) and the Indiana State Fair Board may impose additional penalties at its discretion. The 4-H Exhibitor may submit a Grievance Form and may use the Due Process procedure below to appeal a sanction.
26. Any exhibit not presented promptly when called shall be immediately disqualified.
27. Regardless of multiple competitors, Judges shall not award prizes/premiums to unworthy and/or improperly entered exhibits.
28. Competition placings are not official until all carcass examination, drug testing, re-weighing, and animal verifications are complete.
29. 4-H Exhibitors may appeal a Judge's decision only by alleging either that a specific and applicable Term & Condition was violated, or that the Judge's decision was improperly influenced. 4-H Exhibitors appealing a Judge's decision shall describe relevant facts and their proof (e.g., witnesses) as well as give verbal notice to the Department Director, Fair Board Administrator, or the Director of Purdue University Cooperative Extension Service within two (2) hours of the alleged infraction.
30. Within twenty-four (24) hours of the competition's completion, 4-H Exhibitors appealing a Judge's decision shall personally present a Grievance Form (found at page 11 or at www.four-h.purdue.edu) complying with the requirements of General Term & Condition 29 to the Indiana State Fair Board Administrator's Office in the Communications Building. No other persons have standing to present a Grievance Form.
31. Within 30 days of receiving the Grievance Form, the Department Director and/or Director of Purdue University Cooperative Extension Service or their designee/s shall notify the 4-H Exhibitor in writing of their validity determination and/or denial reasoning along with any actions taken as a result.
32. The 4-H Exhibitor submitting the Grievance Form shall use the Due Process procedure below to appeal.

GRIEVANCE PROCEDURE

33. Within twenty-four (24) hours of observing any suspected infraction, 4-H Exhibitors competing in a 4-H competition shall personally present a Grievance Form (found at page 11 or at www.four-h.purdue.edu) to the State Fair Board Administrator's Office in the Communications Building. No other persons have standing to present a Grievance Form.
34. If a Grievance Form is presented after judging for a competition has begun, the judging shall proceed and the Grievance Form will be considered following the judging.
35. Within 30 days of receiving the Grievance Form, the Department Director and/or Director of Purdue University Cooperative Extension Service or their designee/s shall notify the 4-H Exhibitor in writing of their validity determination and/or denial reasoning along with any actions taken as a result.
36. The 4-H Exhibitor submitting the Grievance Form shall use the Due Process procedure below to appeal.

DETERMINATION AND INTERPRETATION PRINCIPLES

37. The Indiana State Fair Board and the Director of the Purdue University Cooperative Extension Service and their designees:

    b. Have the final authority to interpret all Terms & Conditions and make determinations at their discretion,
    c. May resolve any unforeseen matters in their sole discretion, and
    d. May amend or add to these Terms & Conditions and/or withdraw all premium offerings in any Departments should they determine that an emergency exists and/or circumstances require such action.

Healthy Development of Youth

Caring adults play an absolutely essential role in the healthy development of youth. As a rule of thumb, every young person needs three caring adults involved as positive role models in his/her life. Volunteers who truly care about the well being of young people provide the connection that is essential in 4-H Youth Development Programs.

It is the policy of the Purdue University Cooperative Extension Service that all persons have equal opportunity and access to its educational programs, services, activities, and facilities without regard to race, religion, color, sex, age, national origin or ancestry, marital status, parental status, sexual orientation, disability or status as a veteran. INDIANA 4-H PROGRAM PHILOSOPHY:

The Indiana 4-H program serves the youth of Indiana by providing a strong educational youth development program. This program delivers educational experiences in a variety of settings. Caring, capable, and contributing adults assist in the 4-H program as role models for youth. The rich heritage of the 4-H program is one to be valued and passed along to future generations.

This document sets out certain standards and guidelines to assure that 4-H is a positive youth development program. County 4-H policy is guided by the county 4-H policy-making or governing board (i.e., 4-H council) as provided by the County Extension Board. Legal authority for the 4-H program rests with the Director of Cooperative Extension, Purdue University. No county 4-H policy may conflict with state 4-H policy or federal requirements.

Deadlines for county and state participation should be carefully constructed so as to encourage rather than to discourage participation. Such deadlines should be well published. Members not complying with established and published dates and deadlines for exhibition may be denied the opportunity to exhibit.

It is the policy of 4-H to be an inclusive organization. No county policy or practice should be used to arbitrarily exclude youth from either membership or participation. Youth should participate in 4-H Youth Development opportunities at levels and times that best suit the youth's development and support family involvement.

4-H MEMBERSHIP:

Youth may become 4-H members when they enter the third grade and may continue their membership through the completion of grade 12. Each individual may continue membership for a maximum of ten (10) consecutive years.

An individual's 4-H grade is determined by their grade in school, regardless of the time of year he or she enrolls in 4-H. A member does not advance in 4-H grade until he or she enrolls in 4-H for the subsequent school year. Each member should enroll in the division of a project that would best suit his/her interest and potential for personal growth and would enhance their family involvement.

Opportunities in the 4-H Program are available to all Indiana Youth regardless of race, religion, color, sex, national origin, marital status, sexual orientation or disability. Membership in 4-H is gained by annually enrolling through a Purdue University Cooperative Extension Service Office, located in each of Indiana's 92 counties.

The 4-H club year usually extends from one (1) annual 4-H exhibit to the next. Enrollment is an annual process attained by completing an appropriate county 4-H enrollment form. Each county establishes its own enrollment deadline.

COMPLETION:

The completion of a 4-H project must not be misinterpreted as exhibition of said project at a local, county or state fair. 4-H members are considered complete in their project work for that year when they have: 1) completed an "official" 4-H member enrollment form prior to the established and published date for enrolling 2) turned in a completed 4-H project record sheet prior to the established and published date and 3) had an officially recognized 4-H leader/extension educator verify existence of the completed project. Though exhibiting in local/county and state exhibits/fairs is not required for project completion, as it does not necessarily relate directly to content and skills learned in the development of the 4-H project, project exhibition is encouraged as a continuation of the educational experience.

Extension employees and volunteers are obligated to eliminate (and should not create) any practices that limit, deprive, or tend to deprive any youth of opportunities for membership and/or participation in the Indiana 4-H program.

EXHIBITION AT THE INDIANA STATE FAIR:

Exhibition of 4-H projects in local, county or state exhibits/fairs is considered a privilege and is voluntary on the part of the exhibitor. The exhibition of 4-H projects provides 4-H members an opportunity to display their 4-H projects, enter into competition and participate in an educational/social environment with their peers. With exhibition also comes the responsibility for abiding by all of the terms and conditions pertaining to the respective 4-H project. Not following the established terms and conditions of the projects will be grounds for exclusion from the competition/exhibition or the project itself.

1. An exhibit may not be entered in more than one State Fair 4-H class except in some animal classes where designated. In a State Fair class requiring more than one item, all items must be exhibited by the same 4-H member. All parts of an exhibit made in one class must belong to one 4-H member.
2. All 4-H exhibits at the State Fair must be prepared during the current 4-H year. Eligibility rests solely with the State 4-H Youth Program Leader on entries in all 4-H classes.
3. Any 4-H exhibit removed from display prior to the official release will be disqualified. Any 4-H placings/prizes (including ribbons, money, medals, trophies, etc.) awarded that exhibit will be forfeited.
4. 4-H exhibitors having an entry in animal classes at State Fair are expected to show their own animals. In cases where this cannot be done, the owner may request another Indiana 4-H member to serve as a substitute showman. Substitute showmen must be approved in writing by the 4-H show manager, 24 hours prior to showing of the animal(s) needing a substitute showman. Requests will only be granted for medical emergencies, conflicts with showing other animals, or circumstances deemed unavoidable by the 4-H show manager. Failure to be excused from a job and/or participation in a band or sporting event or practice will <u>not</u> result in a substitute showman being granted.

4-H ANIMAL OWNERSHIP, POSSESSION AND EXHIBITION:

Each 4-H member shall own his/her own 4-H exhibit. Ownership must be in effect on or before the county and state enrollment deadlines and continuously until after the 4-H show at the County and/or State Fair.

1. For 4-H breeding animals, family corporations and/or partnerships of 4-H members with one or more parents, siblings, grandparents, aunts, uncles, or legal guardians are acceptable.
2. For 4-H dairy cattle, family corporations and/or partnerships of the 4-H member with unrelated persons or dairy operations are also acceptable.
3. Dairy heifers, horses, ponies, alpacas and llamas may be leased subject to approval of both the county 4-H dairy, horse and pony, or llama/alpaca committee and the respective County Extension Educator.

4. 4-H animals are expected to be in the personal possession and regular care of the 4-H member who owns/leases them (unless other arrangements have been agreed upon by the County 4-H Council) from the animal enrollment deadline until the conclusion of the County and/or State Fair.
5. 4-H animals purchased, sold or offered for sale after the enrollment deadline and prior to the Indiana State Fair (**including animals that have gone through a "Premium Only Auction"**), shall not be eligible to show in the 4-H show at the Indiana State Fair. Sale of products of animals (milk, cheese, wool, etc.) in lieu of the animal, are considered equivalent to a "Premium Only Auction."
6. 4-H animals exhibited after the animal enrollment deadline (April 1st for steers and May 15th for all other animals), under a different name than the person listed on the Indiana 4-H animal enrollment form shall not be eligible to be shown in the 4-H show at the Indiana State Fair. This means that if the animal is exhibited at any show by anyone other than the person listed on the Indiana 4-H animal enrollment form, the animal will not be eligible to be shown in the 4-H show at the Indiana State Fair.
   This term/condition does not apply to siblings, who may show each other's animals at any show during the year without jeopardizing State Fair eligibility, regardless of whether the sibling is a 4-H member or not. It is expected for this term and condition that siblings co-enrolling animals must have the co-enrolled animals listed on each others' 4-H animal enrollment form. This policy applies to all 4-H animal projects. For those animals that do not have enrollment forms to complete, these animals may only be shown in the name of the person who enters them at the Indiana State Fair 4-H show. Exhibition by anyone else between May 15 and the date of the 4-H show at the state fair will make that animal ineligible for competition. Any co-enrolled animal can be shown by only one 4-H member.
   NOTE: This term/condition does not apply to the horse and pony program where a parent may also show the horse or pony after it has been enrolled in the 4-H program.
7. 4-H members showing registered beef, Boer goats, dairy, dairy goats, sheep and swine must present a registration certificate (no photocopies, carbons or fax copies, except a fax directly from the national breed association to the Indiana State Fair) to the 4-H show manager before the specified time for each specie, showing that the exhibitor owns the animal being exhibited, as per ownership terms, on or before the May 15th enrollment deadline and continuously until 4-H show day at the Indiana State Fair.
8. 4-H breeding beef, Boer goats, dairy goats, sheep and swine <u>must be</u> <u>registered</u> in one of the following ownership methods:
   a. in the 4-H members' name; b. John Smith and Sons; c. John Smith, Sons and Daughters; d. John Smith and Family (family includes sons, daughters, and legal guardian youth only); e. Mark Smith (brother) and Mary Smith (sister); f. Family corporations, where the 4-H members' name appears as a holder of stock in the corporation, and proof of same must be supplied on or before the enrollment date; g. Family partnership where the 4-H members father, mother, brother, sister, aunt, uncle, grandparent, and/or legal guardian is also in the family partnership and the 4-H member's name appears on the legal, notarized partnership. A copy of the written document must be attached to the enrollment form before the enrollment deadline.
9. 4-H breeding beef, Boer goats, dairy goats, sheep and swine <u>WILL</u> <u>NOT</u> be accepted in the State Fair 4-H Show if they are registered in a father's name only, farm name only, or partnerships with unrelated persons (such as "Smith View", "Smith Oak", "John Doe and William Smith (4-H member)", "Long Oak and William Smith (4-H Member)",etc.).

BEHAVIORAL CRITERIA:

There are many opportunities for 4-H members, volunteers, parents and the public to participate in 4-H events and activities. When involved in such experiences; members, volunteers, parents and the public are expected to follow all terms and conditions/rules and regulations as outlined by those responsible for the specific program or activity. When attending, participating or acting on behalf of the 4-H program, all persons are expected to conduct themselves in accordance with accepted standards of social behavior, respect the rights of others, and refrain from any conduct which may be injurious to the 4-H program. **The following actions constitute misconduct for which persons may be subject to disciplinary penalties and/or dismissal from the program:**

a) The parents/guardians will be contacted to arrange transportation home for the violator(s) and
b) The local extension educator will be notified.

Penalties: If, in the opinion of the State 4-H Program Leader or their designee, evidence of alteration, excessive outside help, unethical preparation, or misconduct is noted, the exhibit and/or 4-H member may be disqualified, all premiums and awards forfeited, or the 4-H member may be subject to a disbarment from participation in that project or other related 4-H projects, events, or activities. Enforcement may be selective which does not waive the state 4-H Youth Program's right to enforce collectively at a future date and appropriate circumstance.

• Any State Fair 4-H situation not covered by these policies shall be handled by the State 4-H Youth Program Leader or their designee as appropriate.

NONAMBULATORY - DECEASED ANIMAL POLICY

The Indiana State Fair will not unload animals that are nonambulatory (i.e. downer) or unable to walk off the vehicle under their own power. The exception to this policy will be unloading the animal for euthanizing and disposing of the animal. If an animal becomes nonambulatory after arrival at the Indiana State Fairgrounds then the following policy will be strictly enforced:

1. Any animal that becomes nonambulatory (unable to move under their own power) after arriving at the Indiana State Fairgrounds, the owner shall immediately notify the director in charge of that department.
2. The director shall immediately notify the contracted veterinarian and the AWAC - Animal Wellness and Care Committee Chairperson of the Indiana State Fair about the animal in question and circumstances evolving around how this condition happened.
3. The contracted veterinarian of the Indiana State Fair, the Wellness Committee Chairperson, the director in charge of the department, the first assistant of the department, the president of the Indiana State Fair Board, the Indiana State Fair Director of Fair Board Administration and the owner (or representative) will consult each other to come to the best decision for the animal with the emphasis being for the good of the animal. If the animal in question is a 4-H entry, the Director of Extension or their representative will also be involved with this decision. Only the persons that are available need to be involved in the decision. If euthanasia is determined to be the best option, this will be at the owner's expense.
4. Livestock that becomes nonambulatory after arriving at the Indiana State Fairgrounds must be disposed of or removed for treatment within 12 hours of discovering or receiving notice of the animal's condition. If the animal is treatable and the above committee agrees, the owner must remove that animal from the fairgrounds (at the owner's expense) within the 12 hour period.
5. In the event of an animal dying while at the Indiana State Fairgrounds, the animal's owner(s) is/are responsible to remove its carcass from the grounds. The timetable is as follows, remove from the building or display area within 30 minutes to either their vehicle or a designated location. The owner then has up to four (4) hours to remove the carcass from the grounds to a proper disposal site at the owner's expense. If necessary fairgrounds staff will assist in loading the carcass into the owner's vehicle.

ENTRY INSTRUCTIONS

- STATE FAIR ENTRIES will NOT be processed without complete information, proper signatures and appropriate fees. Make sure that all of the information requested is completed correctly. Double check your total fee to make sure your check or money order is correct and enclosed.
- **Fees and over payments are not refundable.**
- **The Indiana State Fair Board is requiring all Indiana Exhibitors to provide the Indiana State Board of Animal Health required Premises ID number on all entry forms for beef and dairy cattle, goats, swine and sheep. Indiana exhibitors of horses, poultry, llamas and alpacas as well as out of state exhibitors will be requested to voluntarily provide Premises ID numbers.**

  To obtain a Premises ID # please contact the Indiana State Board of Animal Health at 877-747-3038. Information can be found on the Indiana State Board of Animal Health website at www.in.gov/boah.
- All exhibit entries consist of three (3) parts. The first number represents a department. For example, 409 is 4-H Rabbits. This number is located on the first page of the department being entered. The second set of characters represents the section within that specific department. Again, for example, DT means “Dutch”. Finally, the last portion will consist of up to 3 numerals. This is the class description or actual event entered. For example, senior buck is 1, senior doe is 2. Together, these three (3) parts, department-section-class (409-DT-1), allow anyone to precisely identify the entry of the exhibitor, whether they’re showing in open class, 4-H, or a special event. Please make sure that this entire sequence appears on your entry form and any other forms that need to be filled out (i.e. tags) if requested. A generic entry is any entry where the number of animals (exhibits) is requested in place of department-section-class and/or specific animal information.

ASSIGNMENT OF STALLS

- Assignment of stalls will be made by department personnel.
- Alteration or removal of stall or pen structures: Exhibitor is required to notify and obtain approval from show personnel to alter any assigned stall(s) or pen structure(s), or any part thereof. If the Exhibitor does not seek and obtain such approval, Exhibitor shall indemnify and hold harmless the Indiana State Fair Board and the Indiana State Fair Commission for any damage to person or property that results from such alteration or removal.
- Bedding will **not** be furnished by the Indiana State Fair Board.
- Feed and bedding of good quality will be available to exhibitors at reasonable prices.
- All 4-H animals that are at another Fair may arrive later than the specified time but must be before end of check-in, and must have prior written approval from the respective department director and arrive before the show being entered begins. Such animals must be accompanied by a written statement listing each animal from the department director of the out-of-state or County Fair where exhibited, certifying such animals were on display at the Fair in question. Any other animals arriving late will not be eligible for the 4-H classes, unless approval is granted in advance by the department director. In the event an animal wishes extended stay, this too needs advance approval by the department director.

- **The selling of feed or bedding except by the approved Indiana State Fair Vendor is strictly prohibited.**

****It is HIGHLY recommended all entries be submitted online at www.indianastatefair.com.****

- Please go to www.indianastatefair.com and enter online. Select State Fair, Competitions/Contests, Online Entry/Premium Books, Online Entry, then follow prompts. If you choose to enter via mail entry fees must be enclosed with each 4-H animal entry form. One exhibitor per form. **Entry fees, late fees, parking tag fee, processing fees and overpayments will not be refunded.** If one check pays for more than one 4-H member's entries and any entry is in error, the correct entries will be processed and the check will be deposited. The fees for the incorrect entries will be considered an overpayment on the correct entries. The incorrect entries will be returned to the exhibitor. After correction, the entries must be returned with entry fee as directed by the Entry Department. Any incorrect entry forms not returned as directed by the Entry Department will be subject to applicable late fees.
- A late entry is any entry that is entered online, postmarked **(no metered mail accepted)** or hand delivered to the Entry Department after the stated deadlines, with the exception of group classes, allowable substitutions, and additions to generic entries up to the stated maximums. Substitutions may be made within the same section, unless stated otherwise in departmental terms and conditions, provided the same number of entries is maintained as was entered on the original entry form, (i.e., if eight (8) exhibits are on the original entry form, you are limited to 8 entries, without paying a late fee). If a new section is entered this is a new entry with all applicable fees. At check-in, any exhibit entered on an original entry form may be added to any class for which it is eligible except horse and pony, which must be entered by 5 pm the day before the class. Those classes designated as group classes (containing more than one animal) can be entered at check-in, without additional fees, provided the animals in the group are entered in individual classes.
- **If entering via mail and paying by check, it is highly suggested that each exhibitor send a separate check. Before mailing your entry form, make a copy for your personal record. It is also recommended that you secure a Certificate of Mailing when you mail your entry.**
- **ALL 4-H ENTRIES MUST BE SUBMITTED ONLINE OR ON A CURRENT BONA FIDE STATE FAIR ENTRY FORM AND ARE DUE ON THE FOLLOWING DATES: If the deadline date falls on a Sunday, the payment will be on time if submitted online or postmarked the next day, Monday.**

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),

3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

ANIMAL HEALTH REQUIREMENTS FOR EXHIBITION OF DOMESTIC ANIMALS IN INDIANA 2013

GENERAL REQUIREMENTS FOR ALL SPECIES

This document describes the Indiana State animal health requirements for all animal exhibitions in the state. HOWEVER, exhibition organizers may impose additional animal health requirements as a condition of entry. BOAH recommends contacting the exhibition organizer for specific information about requirements for each event.

Please call the Indiana State Board of Animal Health at 1-877-747-3038 with questions concerning animal health requirements.

A. Limitations on Exhibition

This section describes limitations on exhibiting animals in Indiana. There may be other exhibition limitations that are described in the specific species requirements.

1. **Failure to meet all animal health requirements will result in removal of animals from the exhibition premise.**
2. The following animals are not eligible for exhibition in Indiana:
   a. Animals that originate from a herd that is under quarantine.
   b. Any animal classified as a brucellosis "suspect".
   c. Animals showing symptoms of any infectious or communicable disease or that are a health hazard to persons or other animals.
   d. Any animal that does not meet state animal health requirements.
3. Any animal that develops or shows signs of any infectious or communicable disease during exhibition must be removed from the premise including the surrounding exhibition grounds. An owner that is disputing the exclusion of their animal from exhibition may not exhibit the animal in question pending any appeal.

B. Certificates of Veterinary Inspection

1. **For animals that originate in Indiana**, contact the exhibition organizer to determine the certificate of veterinary inspection (CVI) requirement, if any.
2. **For animals that originate outside the State of Indiana,** the exhibitor must have a properly completed official certificate of veterinary inspection (CVI, commonly known as “health papers”) for the animal. This CVI requirement applies to the following types of animals:
   a. All animals of the family Bovidae, such as cattle, sheep, goats, and buffalo.
   b. All animals of the family Equidae, such as horses, donkeys.
   c. All animals of the family Suidae, such as domestic and feral swine.
   d. All animals of the family Cervidae, such as deer and elk.
   e. All animals of the family Camelidae, such as camels, llamas, and alpacas.

A certificate of veterinary inspection on any animal coming from outside Indiana for exhibition in Indiana is valid for 30 days from the date it is issued.

3. Certificates of veterinary inspection accompanying animals for exhibition must be completed by a licensed and accredited veterinarian who has personally inspected the animals and must clearly include a description of each animal including the age, sex, and breed of the animal, and the official identification for each animal.
4. Certificates of veterinary inspection for all out-of-state swine and cattle going to the Indiana State Fair must have the import permit number for the 2013 Indiana State Fair, **“INSF13"**, written on the certificate.
5. A copy of the official certificate of veterinary inspection for each animal exhibited must be on file at the state veterinarian's office prior to the opening day of the exhibition.

C. Identification

All exhibition animals must be permanently and individually identified by an acceptable method. Acceptable methods vary by species but may include an ear tag, legible tattoo, standard ear notch, and individual brand or breed registration number. Official identification acceptable for specific species of livestock exhibited in Indiana are as follows:

1. Swine: standard ear notch for breeding and exhibition swine.
2. Cattle: official ear tag, tattoo, or individual brand or registration number if accompanied by registration papers. Indiana steers that do not require testing may use an ear tag (e.g. plastic ear tag).
3. Sheep and Goats: official scrapie ear tag, scrapie tattoo, or breed registration tattoos that are enrolled in the scrapie program. Wethers younger than 18 months of age may be identified using any form of permanent identification. Electronic chips may be used if preapproved by the Indiana Board of Animal Health.
4. Horses: lip tattoo, individual brand, description of markings with name, or a registration number if accompanied by the registration papers.
5. Cervidae: tattoo or official ear tag.
6. If any additional identification other than the official identification is present, one of the additional identifications should also be listed on the certificate of veterinary inspection.

D. Testing

All tests required for exhibition must be conducted at the Animal Disease Diagnostic Laboratory (ADDL) at Purdue University, a laboratory approved by the Indiana Board of Animal Health or a state-federal-approved laboratory.

CATTLE

- Winning 4-H and FFA judging teams are provided support to attend national judging events - $2,800.
- State Fair 4-H achievement trips to Washington D.C. worth $18,000 are awarded to 44 qualifying youth from the following categories:
  - demonstration contests
  - fashion revue
  - public speaking contest
  - tractor operator's contest
  - rabbit ambassadors - champion/reserve champion, master division
  - rabbit illustrated talk - champion/reserve champion, master division
  - lawn and garden operator's contest
  - High individuals in 4-H and FFA judging contests
- 4-H chorus receives $2,000 in support.

SUPREME 4-H LIVESTOCK SHOWMANSHIP

The champion and reserve champion senior showmen from beef and swine showmanships and the champion senior showman from market lamb and breeding ewe showmanships will compete for the title of Supreme 4-H Livestock Showman. The winner will be declared the Indiana State Fair Supreme 4-H Livestock Showman and will receive a $100 award. Once a 4-H member is declared the Indiana State Fair Supreme 4-H Livestock Showman, they will become ineligible to compete in 4-H beef, sheep, and swine showmanship classes at the Indiana State Fair in future years.

GRAND DRIVE/INDIANA STATE FAIR CELEBRATION AWARDS - FUNDED BY THE INDIANA STATE FAIR FOUNDATION

The 2013 Indiana State Fair Celebration Awards will include the Grand Champion and Reserve Grand Champion 4-H barrow, steer and market lamb, selected during the Grand Drive, unless the same exhibitor owns more than one of these animals, in which case the exhibitor must choose which animal they will exhibit for the ISF Celebration Awards. Additional breed champion or reserve breed champion animals from the beef, sheep and swine species will be selected by the judges during the Grand Drive for participation in the ISF Celebration Awards, until a total of five animals from beef and six animals each from sheep and swine have been selected.

After the Grand Champion and Reserve Grand Champion of the species have been selected, any remaining breed champion or reserve breed champion animals owned by the exhibitor(s) of the Grand Champion or Reserve Grand Champion will be excused from the ring before the judge(s) selects the next animal for the ISF Celebration Awards. If a breed champion animal is excused from the ring because the owner already has an item selected for the ISF Celebration Awards the reserve breed champion animal of that same breed will become eligible for selection for the ISF Celebration Awards. The procedure described in the previous two sentences will be repeated after the third and fourth animal from beef and the fifth animal from sheep and swine has been selected for the ISF Celebration Awards. Should a champion animal become ill or be determined to be unsound and unable to participate in the Grand Drive, the reserve animal of that breed would represent the breed. The Department Director would inform the judge of the situation prior to judging the Grand Champion. (Rationale: if a judge has in his mind that he will use, for example, the Hampshire champion for his Grand Champion and the champion is unable to show, he wants to see the Reserve Champion in that class to judge for Grand.) The reserve breed champion from the same breed as the Grand Champion is eligible to be selected for the ISF Celebration Awards.

The Grand Champion and Reserve Grand Champion Meat Goat Wether will also be in the ISF Celebration Awards. After the Grand Champion meat goat wether has been selected, any remaining animals owned by this exhibitor will be excused from the ring before the judge selects the Reserve Grand Champion Meat Goat Wether. Also participating in the ISF Celebration Awards will be the Champion Dairy Steer, Champion Rabbit Meat Pen, Grand Champion Meat Type Chicken, Grand Champion 4-H Commercial Waterfowl, and the winners of the 4-H Garden and 4-H Honey Sweepstakes.

Exhibits selected for the ISF Celebration Awards must be market animals or commodities produced for commercial use and/or consumption. If an item or animal selected for the ISF Celebration Awards is voluntarily withdrawn, the item or animal is not eligible to receive an award and forfeits all honors and premiums awarded by the Indiana State Fair.

INDIANA STATE FAIR CELEBRATION AWARDS

1. The Indiana State Fair Celebration Awards will be held on Saturday, August 10, 2013 at 7:00 pm in the New Arena.
2. The State Fair and State 4-H officials require **all** animals selected for the Indiana State Fair Celebration Awards to be harvested. The Awards Committee reserves the right to eliminate any 4-H animals from the ISF Celebration Awards which it deems to not be in the best interest by the Indiana State Fair.
3. No single exhibitor shall be awarded more one award. If a 4-H member has more than one (1) item selected for the ISF Celebration Award, they must notify the Director of the Celebration Awards by 10 pm on Monday, August 5, and let them know which one item they wish to receive an award. The animal the 4-H member chooses not to receive an award, will be replaced by the next placing animal from the same specie, selected during the Grand Drive.
4. If an exhibit or animal selected for the ISF Celebration Award is voluntarily withdrawn from the event, the exhibit or animal is not eligible to receive an award and forfeits all honors and premiums awarded by the Indiana State Fair.
5. For animals designated 4-H champions but not selected for the ISF Celebration Awards, the exhibitors will receive the live market value for their animal(s), plus the appropriate State Fair 4-H premium award.
6. With regard to ISF Celebration Award animals, it is understood that the animals awarded MAY upon showing and/or processing have urine, blood, saliva and/or tissue samples taken per the mandatory drug testing under 4-H General Terms & Conditions and the item may be examined by a panel of licensed and accredited veterinarians. Upon said examination, if in the opinion of the examiners, the animal has been fitted in an unethical manner, the animal will be disqualified from the ISF Celebration Awards, all premiums and awards forfeited and the award proceeds will be withheld by the Indiana State Fair Board and donated to the Indiana State Fair Foundation. (It is also understood that the exhibitor of an unethically fitted animal and his/her immediate family shall be barred from competition at the Indiana State Fair for a determined period that may include a lifetime suspension.)
7. All carcasses shall remain under the ownership and jurisdiction of the Indiana State Fair until such time as all carcass examinations, tissue testing, and/or any other required testing (as determined by the State Fair officials/or State 4-H Youth Department officials) have been completed.
8. Award checks will not be issued until all test results are complete.
9. Exhibitors of reserve 4-H breed champions are entitled to take their animal home.
10. The ownership of an animal or an exhibit receiving an ISF Celebration Award is maintained by the exhibitor until 10 pm, Wednesday, August 7. The animal or exhibit must be on display until deadline.
