EARN INDIANA

Indiana's Work-Study Program

FOR STUDENTS

EARN Indiana (Employer Aid Readiness Network) is the state's work-study program. Students with financial need have access to resume-building, experiential, paid internships, while participating employers receive state matching funds— up to 50% of the student's hourly wage. EARN Indiana has partnered with Indiana INTERNnet to better match students and employers, and to assist employers in finding the perfect fit for their team.

Why EARN Indiana Internships are Good for Students

Getting hired as an EARN Indiana intern gives students an opportunity to:

- Apply academic coursework to the professional world
- Examine and verify career interests and uncover talents and skills
- Develop responsibility, transferable skills and a professional network
- Earn college credit and fulfill degree requirements for select interns

Student Eligibility Requirements

To be eligible for an EARN internship, a student must:

- Be an Indiana resident
- Be enrolled as a full-time student or part-time and independent student at an eligible Indiana college or university
- Have an expected family contribution (as determined by the FAFSA) of $24,808 or less if enrolled full-time, $1,500 or less if enrolled part-time
- Not have received a bachelor's degree prior to the term the student plans to work

HOW TO APPLY?

1. **File your Free Application for Federal Student Aid (FAFSA)**
   File your FAFSA for the current academic year by visiting FAFSA.gov.
2. **Create an Account and Complete the EARN Indiana Eligibility Form**
   Go to IndianaINTERN.net to create a free student account and complete your profile. Once your profile is complete, click on the EARN Indiana banner at the top of your Student Workspace and complete the short form to see if you are eligible.
3. **Search for Internships**
   Use the Quick Search to find internships by keywords or the Advanced Search to narrow your options by industry, location or position type.
4. **Apply!**
   Read through the internship postings to find the positions that are the best fit for you! Remember, EARN Indiana internships are not just about making money, but gaining valuable experience, making connections, and examining your passions and career interests.

EARN Indiana Internships take place in two employment waves:
Academic Year - Between AUGUST 16 and APRIL 30
Summer - Between MAY 1 and AUGUST 15
