**Indiana Professional Licensing Agency to Participate in the
Drug Enforcement Administration's National Prescription Drug Take Back Day**

Indianapolis, IN – On Saturday, October 29, 2022, from 10:00 a.m. to 2:00 p.m., Hoosiers will have another opportunity to dispose of unwanted and expired medications during the Drug Enforcement Administration's (DEA) 23rd National Prescription Drug Take Back Day. The Indiana Professional Licensing Agency (IPLA) and the Indiana Board of Pharmacy are proud to partner with the DEA in this effort and will sponsor six (6) collection site locations across the state of Indiana during this second biannual National Prescription Drug Take Back Day. IPLA staff, along with local law enforcement partners, will be present at each of these sponsored collection site locations to help collect and later destroy any discarded medications.

The DEA's National Prescription Drug Take Back Day provides a safe and convenient opportunity for you to clean out your medicine cabinet of unwanted medications and take an active part in preventing potential drug abuse and misuse in your community. It also guarantees the medication will be disposed of in the safest and most responsible

way, as alternative methods of disposal, such as throwing away or flushing, pose potential health and environmental hazards.

Below are the designated collection site locations which will be sponsored by the IPLA and the Indiana Board of Pharmacy, along with local law enforcement partners. To find other convenient collection site locations near you, please visit DEATakeBack.com.
