Evansville Psychiatric Children's Center COVID-19 visitation guidelines

Effective July 27, 2020

Evansville Psychiatric Children's Center understands that visitors play an important role in an individual's recovery and, to help ensure a safe environment for interactions to occur between patients, visitors and staff, EPCC is instituting the visitation guidelines listed below. These guidelines are subject to change depending on the current Indiana Back on Track Stage and statewide mandates, as well as Vanderburgh County health department guidance. In the event of a COVID-19 outbreak, a moratorium will be immediately enacted at the hospital.

If you have questions about visiting a patient at EPCC, please contact us at 812.477.6436

Visitation guidelines as of July 27, 2020

- All visitors **MUST** wear a mask during the visit, which will be supplied EPCC
- All visitors must sign in and provide information for contract tracing in the event of a COVID positive case.
- Temperature and pre-screening will be conducted on all visitors
- Visits will be limited to two visitors
    - Children may attend visits if approved by treatment team
- All visitations must be scheduled through the patient's therapist.
- Due to limited space, only one visit will be scheduled at a time in a designated area or outdoors if appropriate.
- EPCC will provide alcohol-based hand rub for visitors
