Subject: Certificate of Consistency
Due Date: September 23, 2022

Dear Regional Planning Council Chair & Local Government:

I am with the Indiana Housing and Community Development Authority (IHCDA). Under the HUD's Notice of Funding Opportunity (NOFO) competitive grant application for the Balance of State McKinney Vento Homeless Assistance Funds, it is a prerequisite that projects include a Certification of Consistency with the Consolidated Plan. For more information regarding the HUD-funded competitive grants and the Certification of Consistency, the Continuum of Care FY2022 NOFO can be accessed from the HUD Exchange website at: https://www.hudexchange.info/programs/e-snaps/fy-2022-coc-program-nofa-coc-program-competition/

HUD requires that each applicant that is in a state or unit of local government, the jurisdiction must certify that it is following its HUD approved Consolidated Plan. As the collaborative applicant, IHCDA is required to collect the certificates to attach to the application.

There should be one Certificate for each entitlement city and a list of projects in that city that are up for renewal funding or are new projects. Because the project is located in an entitlement city, your local city government official is required to sign the form. This could be the Mayor or the Director of Community Development.

Please send these to the appropriate person as soon as possible. Please send the signed forms and the project lists back to CommunityServices@ihcda.IN.gov by September 23, 2022. If you have any questions or concerns, please contact me or the e-mail above.

Thank you for your time.

Sincerely,

Jenna Childress

Subject: Certificate of Consistency
Due Date: September 23, 2022

Dear Regional Planning Council Chair & Local Government:

I am with the Indiana Housing and Community Development Authority (IHCDA). Under the HUD's Notice of Funding Opportunity (NOFO) competitive grant application for the Balance of State McKinney Vento Homeless Assistance Funds, it is a prerequisite that projects include a Certification of Consistency with the Consolidated Plan. For more information regarding the HUD-funded competitive grants and the Certification of Consistency, the Continuum of Care FY2022 NOFO can be accessed from the HUD Exchange website at: https://www.hudexchange.info/programs/e-snaps/fy-2022-coc-program-nofa-coc-program-competition/

HUD requires that each applicant that is in a state or unit of local government, the jurisdiction must certify that it is following its HUD approved Consolidated Plan. As the collaborative applicant, IHCDA is required to collect the certificates to attach to the application.

There should be one Certificate for each entitlement city and a list of projects in that city that are up for renewal funding or are new projects. Because the project is located in an entitlement city, your local city government official is required to sign the form. This could be the Mayor or the Director of Community Development.

Please send these to the appropriate person as soon as possible. Please send the signed forms and the project lists back to CommunityServices@ihcda.IN.gov by September 23, 2022. If you have any questions or concerns, please contact me or the e-mail above.

Thank you for your time.

Sincerely,

Subject: Certificate of Consistency
Due Date: September 23, 2022

Dear Regional Planning Council Chair & Local Government:

I am with the Indiana Housing and Community Development Authority (IHCDA). Under the HUD's Notice of Funding Opportunity (NOFO) competitive grant application for the Balance of State McKinney Vento Homeless Assistance Funds, it is a prerequisite that projects include a Certification of Consistency with the Consolidated Plan. For more information regarding the HUD-funded competitive grants and the Certification of Consistency, the Continuum of Care FY2022 NOFO can be accessed from the HUD Exchange website at: https://www.hudexchange.info/programs/e-snaps/fy-2022-coc-program-nofa-coc-program-competition/

HUD requires that each applicant that is in a state or unit of local government, the jurisdiction must certify that it is following its HUD approved Consolidated Plan. As the collaborative applicant, IHCDA is required to collect the certificates to attach to the application.

There should be one Certificate for each entitlement city and a list of projects in that city that are up for renewal funding or are new projects. Because the project is located in an entitlement city, your local city government official is required to sign the form. This could be the Mayor or the Director of Community Development.

Please send these to the appropriate person as soon as possible. Please send the signed forms and the project lists back to CommunityServices@ihcda.IN.gov by September 23, 2022. If you have any questions or concerns, please contact me or the e-mail above.

Thank you for your time.

Sincerely,

Jenna Childress
