

Black Friday.jpg

For those out shopping today, remember to...

-  Bring your reusable bags
-  Carpool or walk to your destination when possible
-  Purchase items that are energy efficient and built to last

Have a #green holiday season: <https://on.in.gov/holidays>

Christmas Tree.jpg

Treecycling  is an easy way to return a renewable and natural source back to the environment instead of disposing of it in a landfill, where decomposition rates are slowed due to lack of oxygen.

Cyber Monday.jpg

Can't resist those #CyberMonday deals? Keep the planet in mind when shopping online! 
Follow these tips  and remember to e-cycle any electronics you end up replacing with your new finds!

More holiday  tips: <https://on.in.gov/holidays>

Easter Décor.jpg

 Hoppy Easter every bunny!

Please remember to #reuse or donate plastic eggs and baskets; they'll bring just as much joy next year! And, please, no candy wrappers in the recycling cart.  

Find everyday pollution prevention tips: <https://on.in.gov/p2tips>

Gift Guide.jpg

No time like the PRESENT to make gift giving more eco-friendly! 

Adding a green touch to any gift can show thought and consideration, and that you are trying to make a difference in more than one way.  Consider gifts that help #reduce our waste stream!

Halloween.jpg

A spooky Halloween doesn't have to be a horror show for the planet 🌍 🧛

Consider how you can #reduce your waste stream this fall 🎃 📍

Every day #pollutionprevention tips: <https://on.in.gov/p2tips>

Holiday Gift Wrap.jpg

Gift-giving can leave you with piles of hard-to-recycle wrapping paper, but showing loved ones you care doesn't have to mean overfilled trash bins. 📦

Consider wrapping with reusable fabrics, recyclable paper & ribbons, or reusable bags.

Holiday 🌿 tips: <https://on.in.gov/holidays>

Holiday Lights.jpg

The lights have been strung... but wait! Is that a burnt bulb? Damaged cord? Just not into that color or style? Recycle those old lights!

Contact your local solid waste mgmt district for recycling. If they still work, consider donating them!

July Fourth Waste.jpg

Keep it red, white, blue, AND green this #July4th 📍

- 🌿 Choose reusable or recyclable utensils, plates, + cups
- 💣 Watch a neighborhood fireworks show (instead of creating your own)
- us Save & #reuse decorations each year

Every day P2 tips: <https://on.in.gov/p2tips>

Labor or Memorial Day.jpg

Even a small amount of pollution from a fraction of the boats can cause serious harm to marine fish and wildlife. Remember to keep boating and fishing good, clean fun this holiday weekend (and every day!) 🚤 🧑

Find more clean boater tips: <https://on.in.gov/cleanboat>

New Years.jpg

Recycling is one of the greenest things to do - & it's pretty easy once you know how to #RecycleRight! 🌱

Clean out food containers, sort items by their material, and set them out for curbside pickup (or drop them off at the nearest collection site) ✨
