# The CISC Youth Dashboard

Data Sharing & Mapping Committee

# Introductions

- Co-Chairs: Josie Fasoldt and Nikki Ford
- Agencies/Organizations Involved in Committee:
  - DOE
  - DCS
  - MPH – Tyler Brown
  - FSSA
  - Office of Court Services
  - Office of the Attorney General
  - Indiana Youth Institute
  - Central Indiana Corporate Partnership – AnalytixIN

# Overview

- Dashboard by the Data Sharing and Mapping Committee, in partnership with the Management Performance Hub, to Break Down Data Silos to Report on a Holistic View of Youth Receiving Services from the State of Indiana.
- Dashboard Focus:
  - 3 Questions the Dashboard Aims to Answer:
    1. What is the holistic picture of youth receiving services from the State of Indiana?
    2. What is the overlap of services received by youth in Indiana?
    3. What outcomes are associated with youth receiving services from the State of Indiana?

# Statutory Definition

## IC 2-5-36-1

### Definitions

Sec. 1. The following definitions apply throughout this chapter:

- (1) "Commission" refers to the commission on improving the status of children in Indiana established by section 3 of this chapter.
- (2) "Vulnerable youth" means a child served by:
  - (A) the department of child services;
  - (B) the office of the secretary of family and social services;
  - (C) the department of correction; or
  - (D) a juvenile probation department.

*As added by P.L. 119-2013, SEC.1.*

# Dashboard Outline

Section 1 of the dashboard will show current youth served by DCS (based on most recent available data) and falling within various categories of need from DOE.

- The data will be displayed in a heatmap to show geographical relationship of youth served.
- There will also be disaggregation by race/ethnicity, gender, age, and rural/urban as disclosure rules allow.

# Dashboard Outline

Section 2 of the dashboard will show current youth served by DCS (based on most recent available data) and falling within various categories of need from DOE, focusing on an overlap of services.

- The data will be displayed in a matrix table to show overlap of services provided to youth by DCS and DOE.

# **What is Authentic Youth Engagement?**

## Authentic Youth Engagement

**"Young people are the experts in their own lives and should be fully engaged in decision making that affects them — from leading their own case planning to partnering with system leaders to improve child welfare policy and practice. Authentic youth engagement builds individual leadership skills, strengthens meaningful relationships and leads to effective solutions."** -Annie

**E. Casey**

+ **Engaging teens and young adults in planning and decision making regarding their own lives. -Annie E. Casey Foundation**

+ **Youth are full partners in making decisions that affect their lives -Jim Casey Youth Opp. Initiative**

+ **Young people are actively involved, motivated, and excited about an issue, process, event, or program. -Jim Casey Youth Opp. Initiative**

# Authentic Youth Engagement

- + **Youth Engagement is the intentional, authentic, and sustained involvement of young people in a decision making activity. - *Center for States***
- + **Youth involvement or engagement is a strengths based approach to working with youth that focuses on preparing them to meet the challenges of adolescence and adulthood through a coordinated, progressive series of activities and experiences that help them to become socially, morally, emotionally, physically, and cognitively competent. -*Administration of Families and Children***

# Levels of Youth Engagement

**Individual/Youth Level Engagement or Practice Level Engagement:** Focused on individual relationships between the professional and the youth. Establish and maintain relationships to accomplish change together. Achieves buy-in and empowers individuals to drive the decision making process.

**Peer Level or Peer-Led:** Enlisting individuals who were once involved with child welfare services (lived experience) to help others involved meet goals and navigate the system. Uniquely qualified to help by servicing as empathetic peers, mentors, guides, and advocates.

**System Level:** Intentional inclusion of those with lived experience as active participants in systems change activities. Advocate for policy changes, serve on decision making boards, evaluate child welfare services and programs, employ them as practice advisors and consultants, and consult trainings and participate in social marketing campaigns.

# What Makes Youth Engagement *Authentic*?

# Benefits of Authentic Youth Engagement

## For Youth...

### + Adolescent Brain Development

- ↳ Understanding the effects of trauma and adversity
- ↳ Opportunity to heal and rewire the brain
- ↳ Learning through experience

### + Skills Enhanced Through Authentic Youth Engagement

- ↳ Reasoning
- ↳ Decision Making
- ↳ Self Regulation
- ↳ Self Esteem
- ↳ Leadership
- ↳ Advocacy
- ↳ Professional Development Skills
- ↳ Personal Stake in their Communities

# **Youth-Adult Partnerships**

**“For youth who have experienced systems, the opportunities to practice adult skills alongside of supportive adults are especially important. These moments allow safe ways to shape the adolescent brain—one that the field of neuroscience says is undergoing significant development specifically in the area of executive function.**

**Youth-adult partnerships provide chances for systems-involved youth to actively participate in decision making and leading others, as well as reduce isolation and mitigate possible feelings of powerlessness they may have from being involved in the child welfare system.”**

# Youth Adult Partnerships

## Examples:

- + **Working together on case planning**
- + **Co designing and facilitating trainings to educate child welfare professionals.**
- + **Co presenting resources and information to community partners.**

# Preparation

# Preparation

Requires the following....

- 
- + **Time**
  - + **Awareness of the young person's development needs**
  - + **Being flexible (agendas and schedules)**
  - + **Relationship Building**
  - + **Effort**
  - + **Young and Adults being open to practicing new skills**
  - + **Patience**
  - + **Addressing attitudes and beliefs they hold about each other**

# Strategic Sharing

**A method of telling your story safely and effectively in order to achieve a goal.**

**A process for sharing your lived experience with others in a manner that keeps you safe from negative experiences and that teaches you how to share in a way that will help you reach the end result that you are aiming for.**

# Preparation

## Preparation for Specific Events

- + **Strategic Sharing Training - We can provide this.**
- + **Reviewing the context for the event and strengthening the young person's understanding of relevant subject matter**
- + **Supporting a young person by asking effective questions to gather information and details related to the event and their role in it,**
- + **Techniques for managing inappropriate audience questions**
- + **Reviewing agenda for upcoming meeting with young people**
- + **Developing and practicing a key message to equip young people to advocate**

**Opportunity**

# Opportunities

- + **Providing avenues to exercise the youth-adult partnerships that have been formed.**
- + **Youth and adults should identify, evaluate and create opportunities while thinking about how they will further a young person's goals.**
- + **Youth should be engaged and prepared for leadership opportunities that may arise organically.**

# Opportunity

## Examples of Opportunities

- + **Speaking Engagement**
- + **Workgroup**
- + **Partner to develop written materials or resources**
- + **Social Media Campaigns**
- + **Youth Advisory Board**
- + **Summer Job Opening at State or National organization**
- + **Learning about a workshop or specialized course for young people in foster care.**

**Support**

# Support

## Financial Compensation

A form of sharing power and is required when young people contribute their expertise to advance results.

Also includes advocating for equitable resources for young people

## Physical Support

An adult is present and available before, during and after an opportunity.

## Emotional Support

Offering encouragement and motivation before, during and after an opportunity.

Supporting the young person in managing their reactions to information that may trigger difficult memories or emotions
