Forest Stewardship Coordinator

COOPERATIVE FOREST MANAGEMENT

CFM: DoF's Private Side

Our Mission: Indiana's Private Forestland Program promotes the stewardship of Indiana's privately owned forests by providing forest management information and professional services to forest owners and others to insure forest benefits, both tangible and intangible for present and future generations.

CFM: Meet the Staff

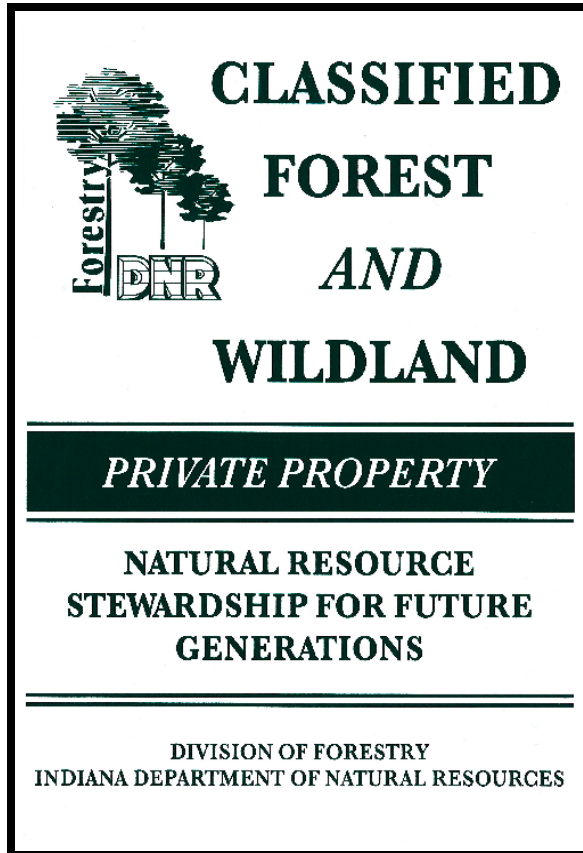

20 District Foresters, 2 Assistant District Foresters, 14 Office Managers, 3 Seasonal Foresters
2 Program Staff, 1 Assistant State Forester, 1 State Forester
(currently 4 fulltime vacancies)

CFM: What We Do

- Meet with landowners, walk their property, and discuss management options (1,179 new + 1,839 repeat clients; 163,590 acres)
- Write plans (stewardship plans: 3,020; practice plans: 476)
- Educational programming (241 programs, 13,588 attendees)
- Cost share - \$\$ for management
- Refer landowners to private foresters (1,534 referrals)
- Manage the Classified Forest & Wildlands Program (20,209 acres in 387 tracts enrolled; 68 withdrawals; 2,298 reinspections, 129 revised applications, 424 certified timber harvest reviews)

Classified Forest & Wildlands Program

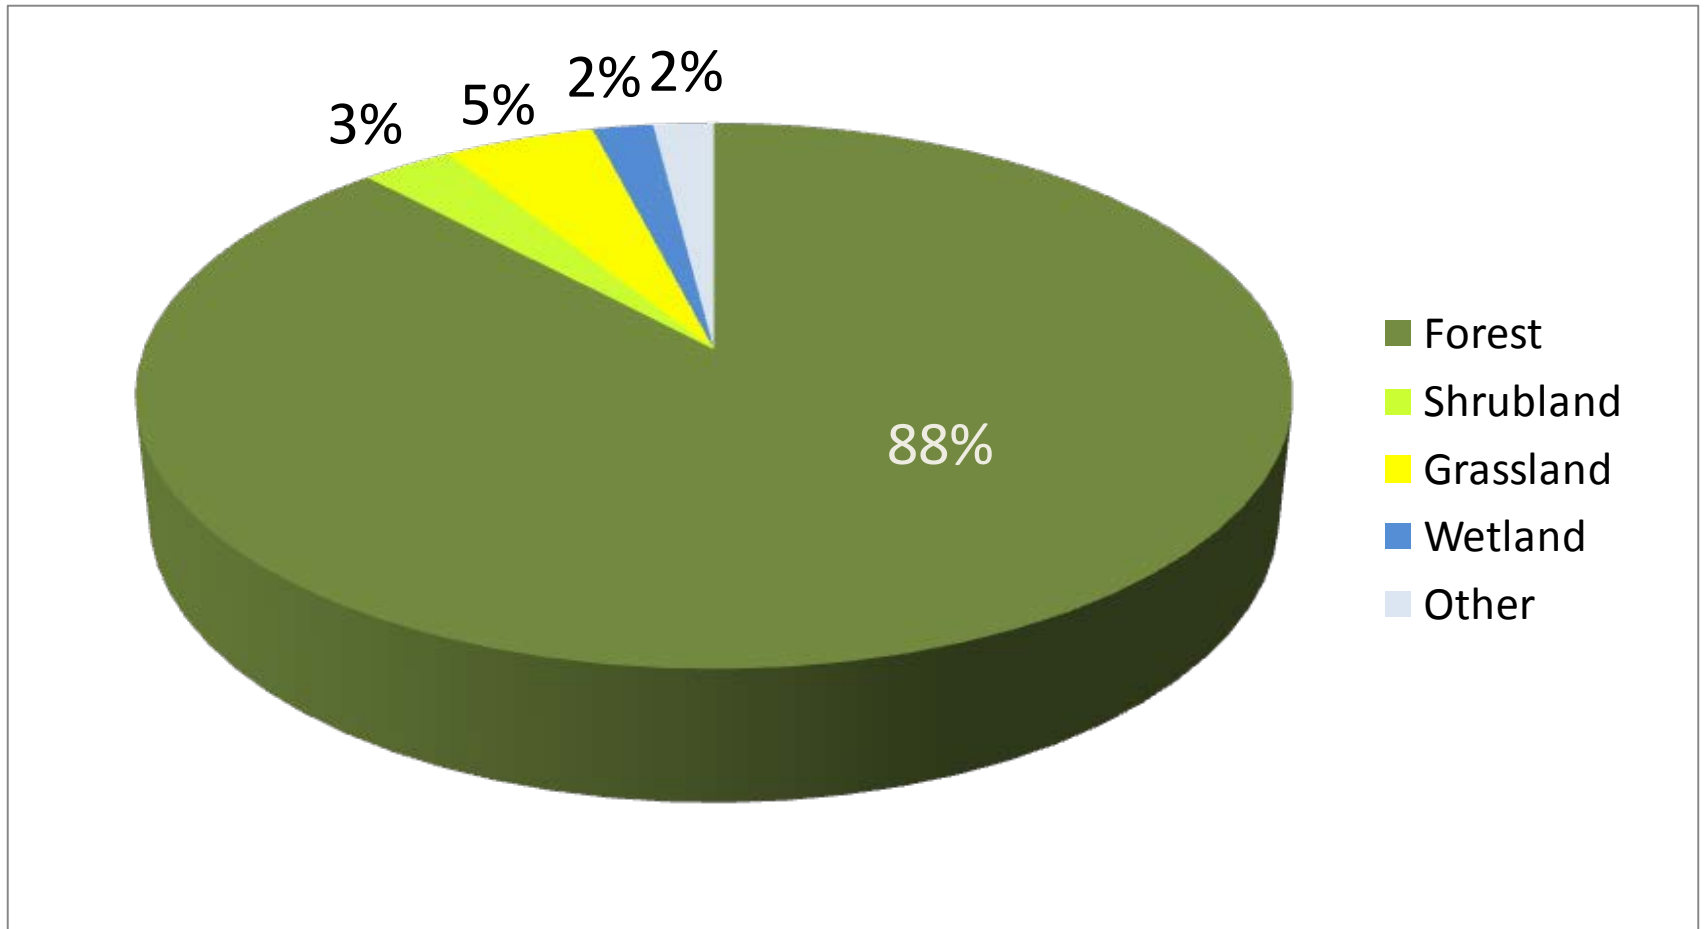

Program authorized March 10, 1921.

Purpose: To encourage timber production, wildlife habitat, and protect water quality on private lands.

Landowner incentive: Property tax reduction (Assessed value for enrolled land = \$1/acre)

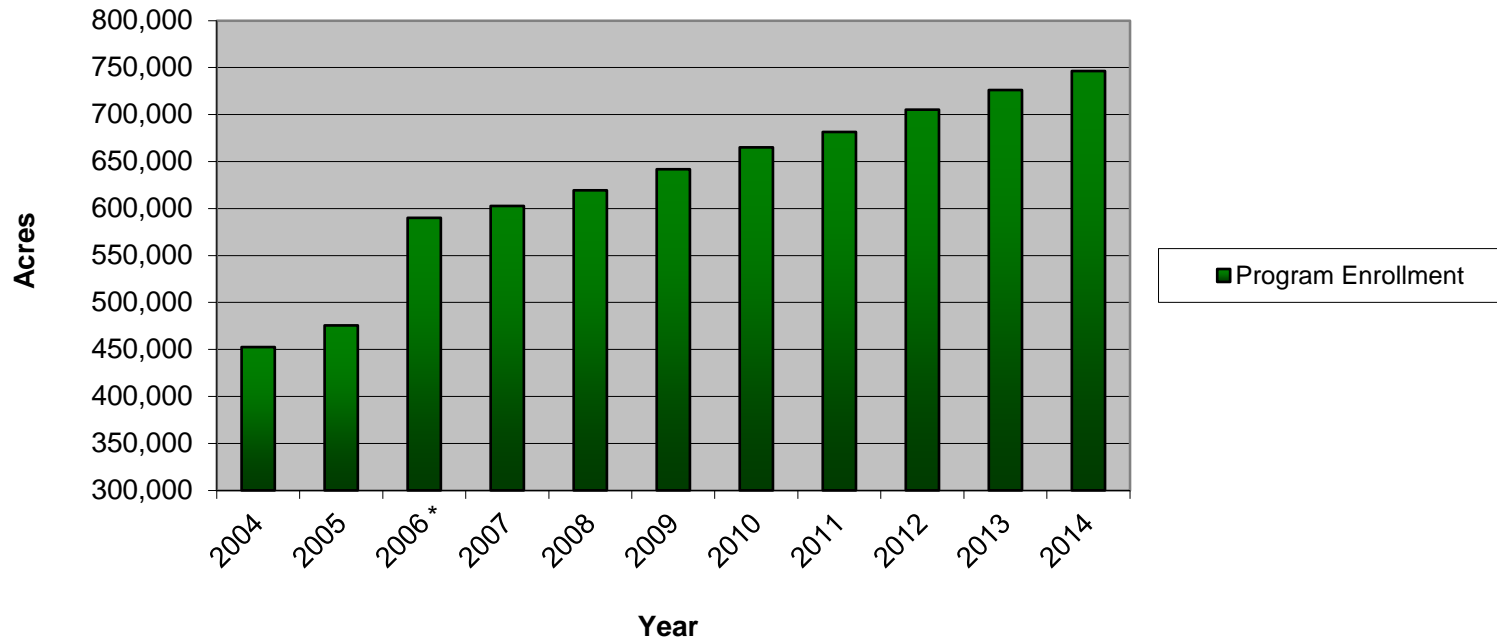

Current enrollment:
761,161 Acres; 15,406 tracts

Enrolled Land by Habitat

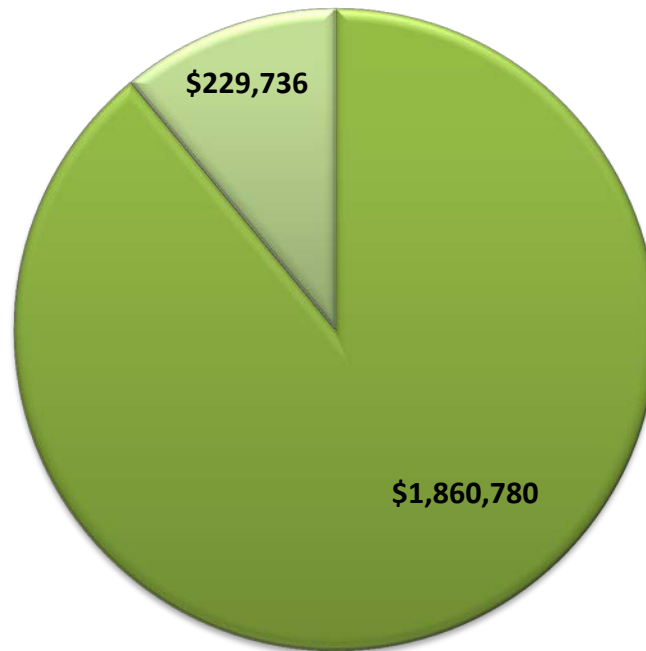

Classified Program Growth

PROGRAM ENROLLMENT
Classified Forest Program 2004-2005
Classified Forest & Wildlands Program 2006 - Present

* Classified Forest Program & Classified Wildlife Habitat Program merged to create Classified Forest & Wildlands Program

CFM: Budget

CFM Budget

- Salary/Fringe
- Equipment/Supplies

Total: 2.09 million

Non-State Revenue: Stewardship grant -\$171,000; Competitive grants: ??

CFM STRATEGIC PLAN 2015-2019

Goal 1: Retain Working Forests

- Strengthen the Classified Forest & Wildlands Program
 - Enrollment target 12,000 acres/year
 - Target large tracts & forests
 - Preferential access to cost share
 - Maintain Forest Stewardship Council® (FSC®-C071226) certification
 - Cost recovery of District Forester time

Goal 1: Retain Working Forests

- Improve Program Administration
 - Update law, rules, policies to reduce administrative burden
 - Merge multi-tract ownerships to reduce reporting requirements
 - Increase staff to handle increased work due to program growth
 - Reduce program administrative time by District Foresters

Goal 1: Retain Working Forests

- Long Term Conservation Agreements
 - Work with land trusts
 - Develop estate planning materials with partners
- Local Planning & Public Policies

Goal 2: Restoration of Private Forests

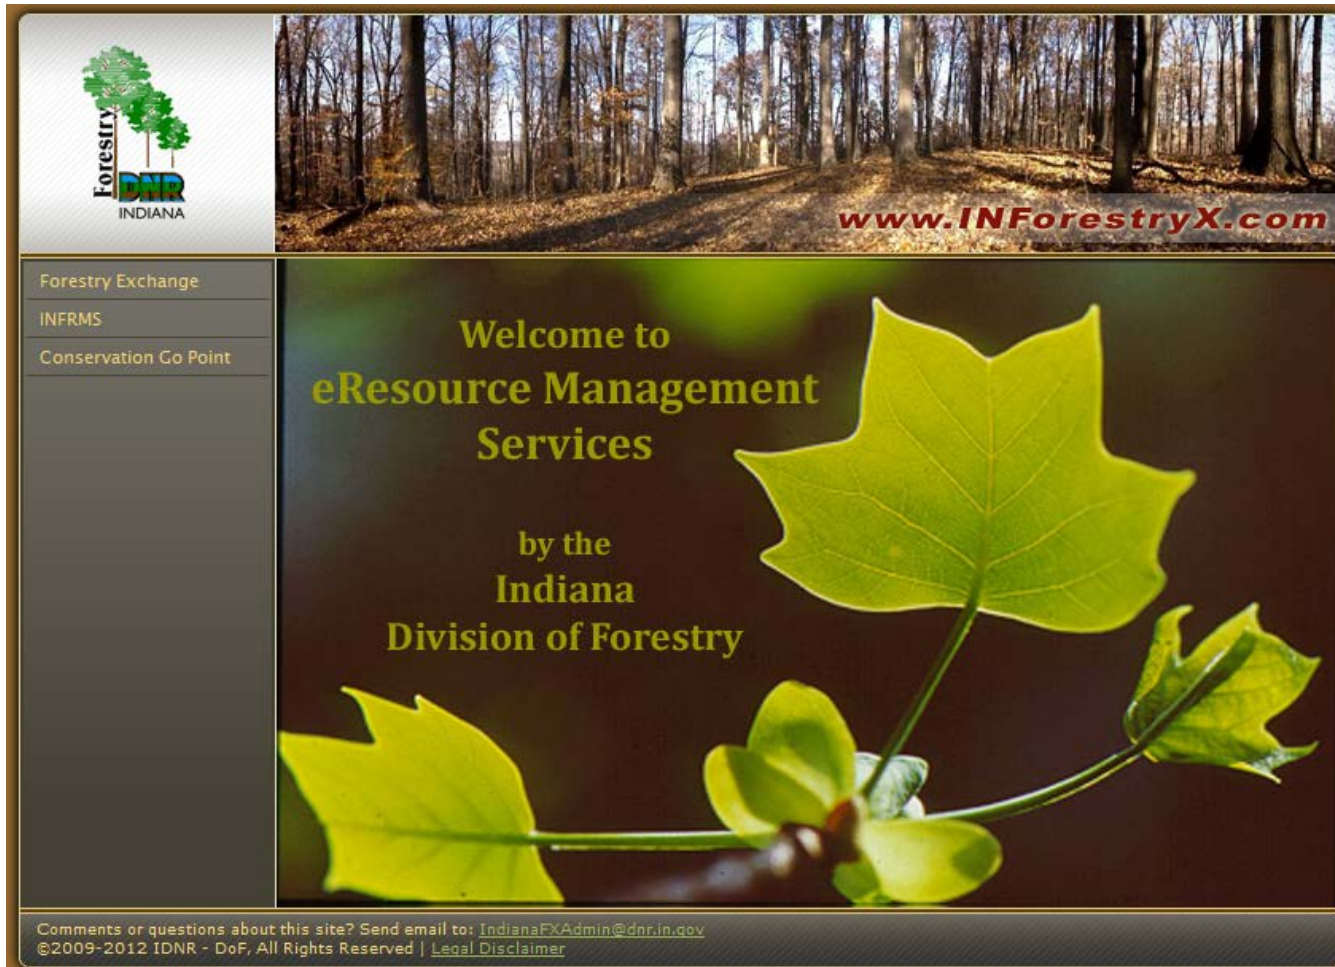

- Financial and other Incentives for Management
 - Secure significant and permanent funding for Indiana Woodland Restoration Program and Forest Restoration Fund
 - Work to increase fund USDA forestry practices
- Planting of Forests on Critical Non-forested Lands
 - Secure significant and permanent funding Forest Restoration Fund for restoration of forests on targeted lands

Goal 3: Forest Sustainability & Forest Resource Awareness

- Improve Access to Forestry Knowledge & Technical Info
 - Demonstration Forests – expand system and use
 - Forest Mentor Program
 - Woodland Steward
 - Web based information
 - Materials on economics and forest investment
 - Working with partners for programming and research

Goal 3: Forest Sustainability & Forest Resource Awareness

Forestry Commerce Website – Forestry Exchange

The screenshot shows the homepage of the Indiana Forestry Exchange website. The top left corner features the logo for Forestry DNR Indiana, which includes a stylized green tree and the text 'Forestry DNR INDIANA'. To the right of the logo is a photograph of a forest path with the URL www.INForestryX.com overlaid in red text. Below the logo and photo is a navigation menu with the following items: 'Forestry Exchange', 'INFRMS', and 'Conservation Go Point'. The main content area has a dark background with a large green maple leaf and a small white flower. The text in this area reads: 'Welcome to eResource Management Services by the Indiana Division of Forestry'. At the bottom of the page, there is a footer with the text: 'Comments or questions about this site? Send email to: IndianaFXAdmin@dnr.in.gov ©2009-2012 IDNR - DoF, All Rights Reserved | [Legal Disclaimer](#)'.

Goal 3: Forest Sustainability & Forest Resource Awareness

- Improve Access to and Scope of Forestry Assistance
 - Develop new approaches to reach landowners
 - Increase number of private & public foresters by 10%
 - Integrate new technology to improve program delivery. Share resources with partners
 - Review Division of Forestry structure to ensure effective delivery of programs

Goal 3: Forest Sustainability & Forest Resource Awareness

□ Invasive Species Work

- Develop a statewide invasive species management strategy
- Provide landowner training, tools, and assistance regarding invasive species and forest health
- Work with Division of Fish & Wildlife to develop policies tools to manage wildlife populations at level to support forest sustainability (deer, turkey, hogs, etc)

CFM: Fees - Why?

Indiana Code:

IC 14-23-1-1

Duties of Department

Sec. 1. The department shall do the following:...

(1) 2) Examine private forest land:

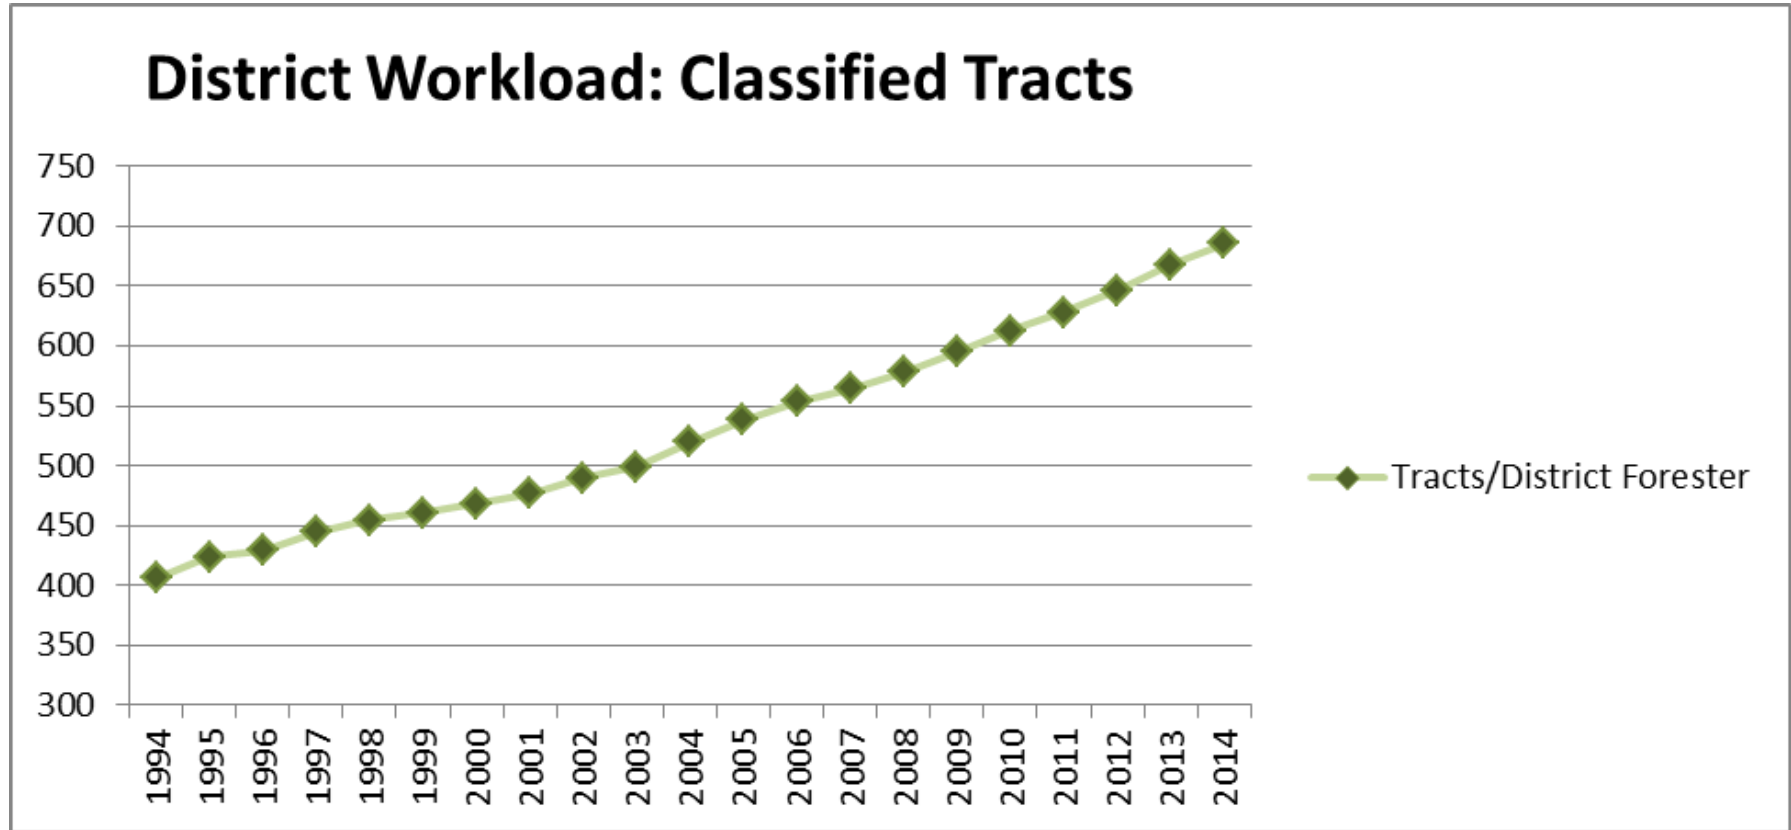

(A) upon the request of; and

(B) at the expense of;

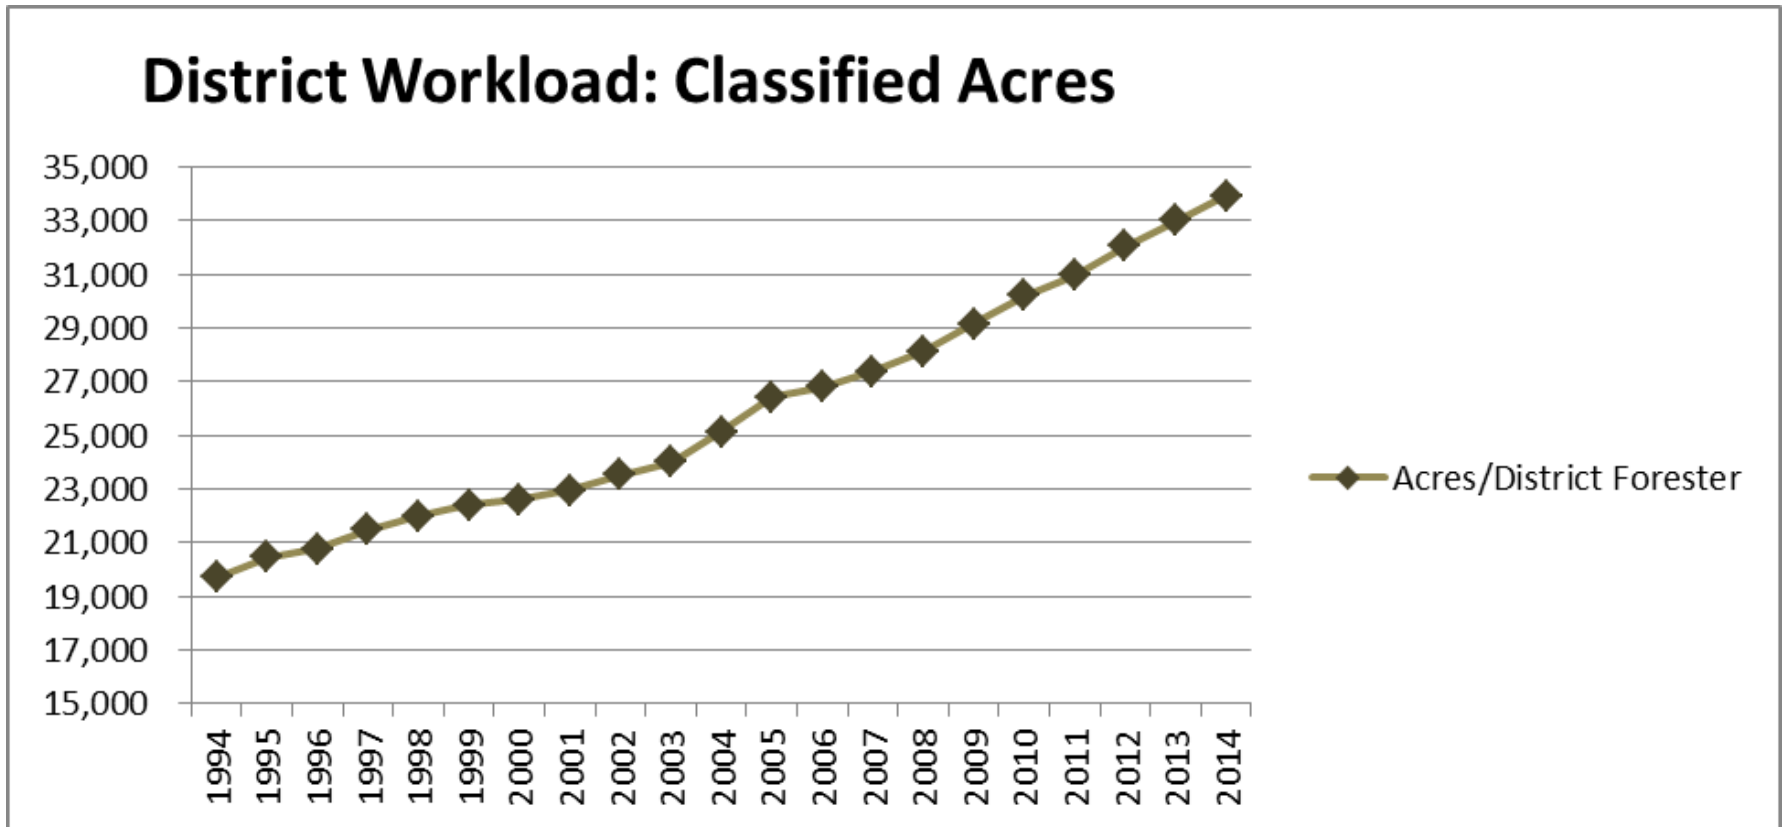

the owner for the purposes of advising the owner on the proper methods of forest management.

This section was added to the law in 1995.

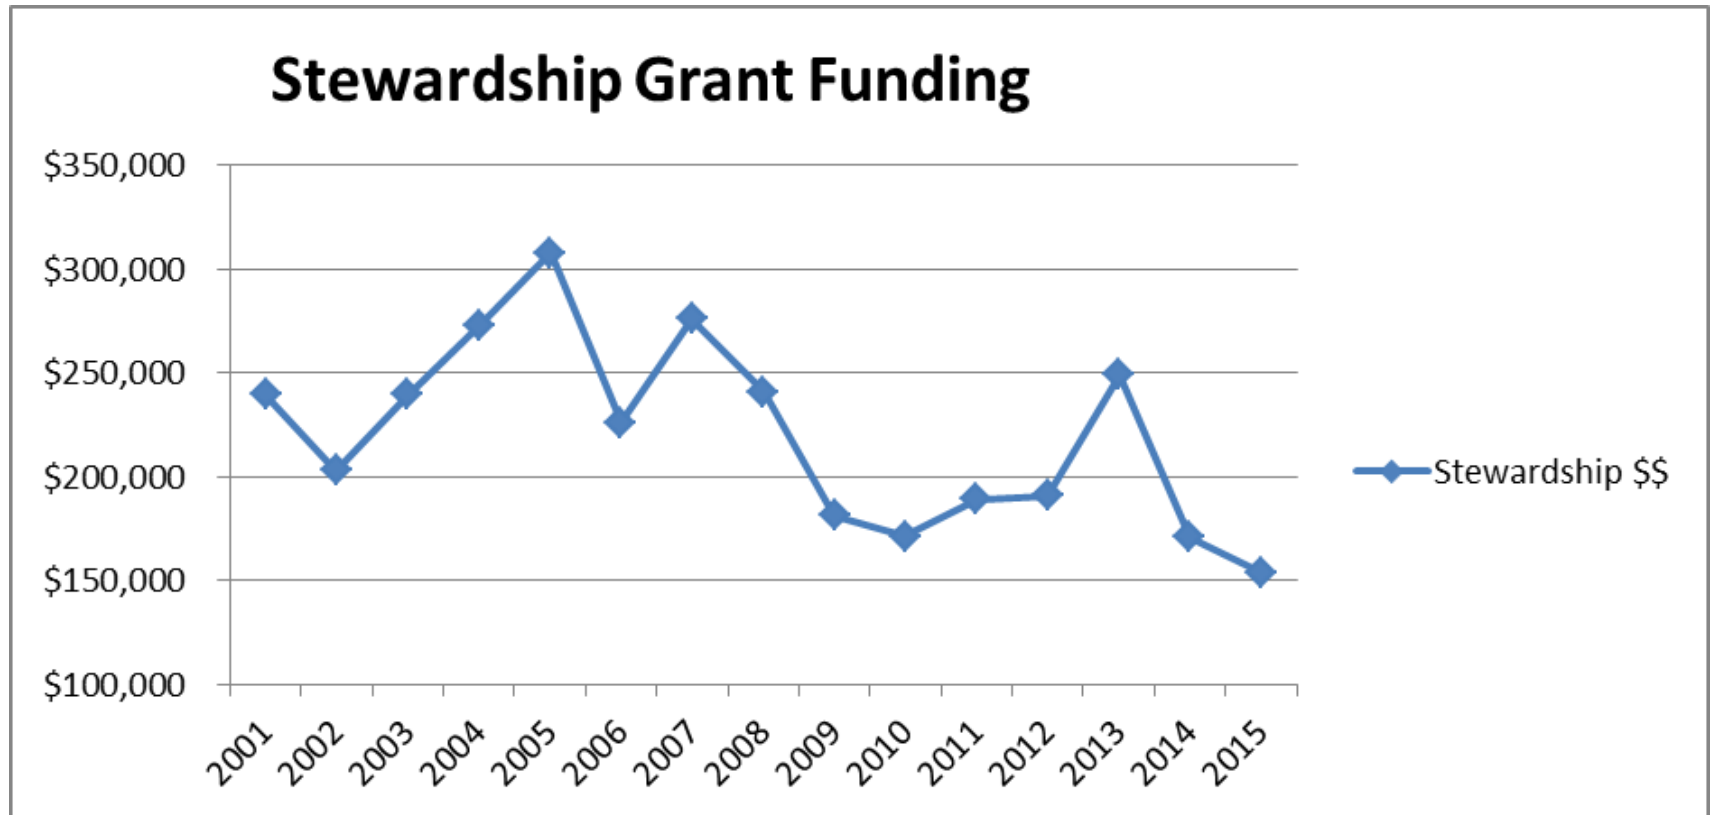

CFM: Fees – Why?

CFM: Fees – Why?

CFM: Fees – Why?

CFM: Fees

CFM budget: 2.1 million

Spring 2015 Natural Resources Commission approved CFM fee of \$10/acre.

Remainder of 2015 DoF meeting with interest groups to get input.

Final recommendation to Natural Resources Commission end of year.

CFM: Fee Proposal

Classified Forest & Wildlands Program

- ▣ Annual administration fee of \$2/acre
- ▣ Current minimum tax saving is \$4/acre for enrolled land
- ▣ All other services free for classified landowners
- ▣ Fee collected by county for a percentage (10%)
- ▣ Estimated revenue \$1.3 mil for Division of Forestry

CFM: Fee Proposal

Non-Classified Lands

- ▣ Stewardship Plan \$200
- ▣ TSI Marking \$100 up to 5 acres; \$200 up to 10 acres (max. 10 acres per year/landowner)
- ▣ Practice Plans for invasive species and tree planting \$100 (CRP related practice plans provided at no charge- fed provide reimbursement to state)
- ▣ \$100 Revision of existing stewardship plan for cost share (non-CRP only)
- ▣ Estimated revenue: \$190,000

Thanks for attending!
