RE: Brilljent Continuing Education Registration Process Change

The registration website for your Continuing Education courses through the Department of Local Government Finance (“Department”) will be changing in January 2021. The newly designed website will still be accessible through the same address: <http://www.ind-pace.com>. However, all information contained on the previous website will be removed and you will be required to register for a new account.

To facilitate the change, the current website will be offline beginning January 10, 2021. If you have any information on the current site that you would like to view or download before it is removed, please log into the website, and retrieve that information prior to January 10, 2021. The newly designed website will be accessible beginning on January 15, 2021. You will receive further instructions on registering for classes in 2021 using the newly designed site at a future time.

Please contact the Registrar at registrations@briljent.com if you have any questions.

Remember: your information currently on <http://www.ind-pace.com> will be unavailable after January 10, 2021.
