QUESTION REGARDING INDIANAPOLIS)
PUBLIC SCHOOL CORPORATION)**

**FINDINGS AND FINAL DETERMINATION ON PROPOSED QUESTION SUBMITTED
JULY 24, 2018**

1. Indianapolis Public School Corporation (“Corporation”) proposes to place an operating referendum on the ballot for the purpose of establishing a referendum tax levy with a tax rate not to exceed nineteen and six tenths cents (\$0.1960) per one hundred dollars (\$100) of assessed value.
2. Under Indiana law, voters in the area served by the Corporation will vote in a referendum to approve or deny the Corporation’s proposed tax rate.
3. Indiana law governs the format and wording of the ballot question for the referendum.
4. Under Indiana law, the “question to be submitted to the voters in the referendum **must read as follows**”:

“For the ___ (insert number) calendar year or years immediately following the holding of the referendum, shall the school corporation impose a property tax rate that does not exceed _____ (insert amount) cents (\$0.____) (insert amount) on each one hundred dollars (\$100) of assessed valuation and that is in addition to all other property taxes imposed by the school corporation for the purpose of funding _____ (insert short description of purposes)?”

Indiana Code 20-46-1-10 (emphasis added).

5. The ballot question then must contain three parts:
 - the number of calendar years for which the tax will be in effect;
 - the amount of the tax rate; and
 - the purpose of the funding.
6. The law requires the Department of Local Government Finance (“Department”) to review the language for compliance with IC 20-46-1-10. The Department may either approve or reject the language.

7. On July 24, 2018, the Department received an e-mail from the Corporation containing the proposed question.

8. The Corporation requested that the Department review this proposed question:

“For the eight (8) calendar years immediately following the holding of the referendum, shall Indianapolis Public Schools impose a property tax rate that does not exceed nineteen and six tenths cents (\$0.1960) on each one hundred dollars (\$100) of assessed valuation and that is in addition to all other property taxes imposed by the school corporation for the purpose of funding academic and educationally related programs, including the attraction and retention of teachers, expanding academic programs, and providing support for students with special needs?”

Compliance of Language

9. The Department must review the proposed language for compliance with IC 20-46-1-10. The Department may either approve or reject the language. The Department concludes that the language is in compliance with IC 20-46-1-10.

Final Determination

WHEREFORE, based on the above findings and applicable law, the Department finds that the proposed language is in compliance with IC 20-46-1-10 and approves the language as proposed.

Dated this 25th day of July, 2018.
