FY23 Arts Organization Support, Level I

Region 4 – Newton, Jasper, Pulaski, Benton, White, Cass, Carroll, Warren, Tippecanoe, Clinton, Howard, Tipton, Fountain, and Montgomery Counties

About the Program

Arts Organization Support I (AOS I) is an Indiana Arts Commission (IAC) grant program that provides annual operating support for the ongoing artistic and administrative functions of eligible arts organizations. This program is administered by the IAC's Regional Arts Partners (RAP) (<https://www.in.gov/arts/programs-and-services/partners/regional-arts-partners/>) across the state and is intended for arts organizations with a budget size of \$50,000 to \$250,000 (although eligible organizations with a budget size greater than \$250,000 may apply, funding amount will be limited to AOS I level only).

The IAC is funded by the Indiana General Assembly and the National Endowments for the Arts, a federal agency. On behalf of the people of Indiana, the IAC advocates engagement with the arts to enrich the quality of individual and community life.

Grant Program Objectives

To support arts organizations that:

- align with the IAC's public Funding Imperatives (<https://www.in.gov/arts/programs-and-services/funding/funding-imperatives/>), and
- provide quality arts and cultural activities to the public, with special attention to underserved communities. Underserved communities are defined as people lacking access to arts programs, services, or resources due to isolated geographic location, low income, age, race/ethnicity, cultural differences, disability, or other circumstances.

Eligibility Questionnaire: Required of All New Applicants:

Draft Application Review

Draft reviews by Regional Arts Partners are available to first time applicants and organizations who are not currently receiving funds from the IAC. Draft reviews consist of general feedback and suggestions around application completeness and clarity. To request a draft review, email the Regional Arts Partner by the deadline, and let them know it's ready for feedback (do not submit the application). Reviews will be done in the order requests are received, and **the deadline to request a draft review is February 23, 2022.**

Application Submission Deadline

The application deadline is March 9, 2022 4:30 PM (EST). Late applications will not be accepted. Please note, no changes can be made to the application following the deadline.

Panel Review Process

All applications receive an initial review by the Regional Arts Partner to ensure that all required information was submitted and that the application is eligible for panel review. If any discrepancies are found (such as incomplete answers or uploads), the application may be deemed ineligible to move forward to panel review.

Each eligible application will be reviewed by a conflict-free panel of field professionals. The virtual panel review will take place online in April, will be open to applicants and the public for observation only, and will be recorded. Applicants are invited as observers only and cannot lobby or address the panel on behalf of their applications before, during, or after the panel meeting. The panel date, time, and registration information will be posted on the RAP website and/or IAC website at <https://www.in.gov/arts/programs-and-services/funding/arts-organization-support/>.

Panelists will evaluate applications based upon a Yes, Yes with Required Modifications, No evaluation process.

- Yes = recommend for funding
- Yes = recommend for funding with required modification(s)
- No = do not recommend for funding

If an organization is recommended for funding with required modification(s), the applicant will provide support information for staff review and approval prior to moving forward in the process. Panelists will recommend to the IAC information the applicant will need to provide for funding eligibility.

Grant Review Criteria

Information submitted in the application will be reviewed according to the following evaluation criteria. Evaluation criteria details can be downloaded as a [PDF online](#).

- **Organizational Excellence** - The extent to which the applicant organization can demonstrate sound fiscal management and administrative policies and a demonstrable commitment to continuous improvement, preservation and development of the art form.
- **Artistic Quality** - Relative to the budget size of the organization, the extent to which the applicant demonstrates a committed effort to provide its audience a meaningful, impactful, quality and authentic artistic experience(s).
- **Community Engagement & IDEA** - Extent to which there is an active, two-way, ongoing relationship between the applicant and community in the planning, participation, and evaluation of the proposed activity(ies), which includes intentional strategies for inclusion, diversity, equity, and access (IDEA).

Grant Award Determination

Applicants do not request a grant amount. Following the panel meeting, a Commission-approved funding formula will be applied that takes into consideration the number of eligible applicants and available funds to determine specific grant award recommendations. **(New) Award recommendations are based on the organization's most recently completed fiscal year, board approved, profit and loss statement total cash income figure (minus capital expenditures).** The award cannot exceed 20% of the applicant's cash income figure.

In the most recent grant cycle, organizations with budget sizes up to \$99,999 received a grant award between \$5,000 - \$6,000.

The Indiana Arts Commission will review and ratify the grant awards at its June quarterly business meeting. Commission meetings are open to the public for observation and may be recorded. All applicants will be notified after the Commission meeting.
