

7. Article 5 of the Compact provides that a party state shall not issue a license to an applicant who holds or has ever held a license to drive issued by any other party state if (1) such license has been suspended by reason of a violation and if such a suspension period has not been terminated; or (2) such license has been revoked by reason of a violation and such revocation has not terminated, except after one (1) year from the date of revocation, the person may make application for a new license if permitted by law.
8. Upon review of evidence and testimony received, I find that there is sufficient information to sustain the September 17, 2020, Recommended Order. There is no correlation between the offense which resulted in Petitioner's current suspension that occurred on June 30, 1987, and the documentation submitted by Petitioner.
9. Pursuant to I.C. 4-21.5-3-29(b), I hereby AFFIRM the ALJ's September 17, 2020 Recommended Order.
10. Petitioner is hereby notified that this is a Final Order. Petitioner may seek judicial review of this Final Order pursuant to I.C. 4-21.5-5.
