Form Validation:

- Data entered must be a non-negative whole number.

Detail Fee Reporting:

For other unrestricted fees, dedicated fee revenue, and restricted fee revenue, institutions may breakdown the reporting into more detail. Separate lines can be created to report multiple detail items by pressing the + button. A short description should be provided for each detail line created.

ICHE Pre-population Logic:

Any lines that were created under “other unrestricted fees”, “dedicated fee revenue”, and “restricted fee revenue” will pre-populate the table. No other data will pre-populate.

Document Change History:

2018	Modified pre-population logic to include any lines that were added last biennium
