- Certified GAL/CASA volunteer programs in 87 of our 92 counties
- 2,966 active volunteers advocated for 18,478 children
- 470 new volunteers were trained in 2023, spending more than 14,000 hours in initial training

“CASA is the keeper of the child’s story.” - Judge Dana Kenworthy, Court of Appeals

Current GAL/CASA Advisory Commission Committees

The State Conference/Training Committee

This committee actively works with the State Office to plan and implement the annual state conference. Committee members suggest and help secure guest speakers for the conference. Committee members also assist the night before and day of the conference to assure the event runs as smoothly as possible. This committee also helps plan regional trainings by suggesting topics and securing meeting places and speakers.

The committee makes recommendations regarding the State Office education and training programs. This includes orientation training and continuing training for directors and volunteer training opportunities. The State Conference/Training Committee meets 3-4 times a year, with most of the time commitment correlating with the annual state conference, which is held in the fall.

The Certification, Best Practice, Code of Ethics, Standards Committee

The committee examines the processes for compliance with all standards and certification for the programs and makes recommendations for changes proposed for the process.

Any changes to the standards, code of ethics or certification process the committee recommends must be approved by the GAL/CASA Advisory Commission, then submitted to the Supreme Court for approval. This committee also reviews existing best practices/policies and makes recommendations regarding necessary best policy updates for local programs in the Indiana GAL/CASA network. Within the parameters of Supreme Court policies, this committee also works to ensure that both the community and the legislature are keenly aware of the needs, work and continuing efforts of the GAL/CASA movement across the state and nation. Committee members assist the State Office in monitoring laws relating to GAL/CASA and children in the child welfare system, in addition to keeping the network aware of relevant pending changes to law.

The Public Relations and Legislative Committee also organizes events, such as CASA Day at the State House, to provide information about GAL/CASA to legislators. This committee meets 4-5 times a year.
