## Older Youth Services Census

### ATTACHMENT I

The information below details the number of youths served in each older youth services program (Older Youth Services, Collaborative Care, Voluntary Service) during state fiscal year (SFY) 2023 by age in each service area.

**Note:** Transition to Successful Adulthood Services, budget 3 is a new older youth services program for SFY 2025. No youth / young adults participated in such services during SFY 2023. When using this attachment to assess funding for Transition to Successful Adulthood Services Budget 3, keep in mind that youth / young adults counted in OYS, budget 1 may be counted under budget 3 for the purpose of developing cost proposal.

The total OYS census data is duplicated due to youth / young adults' participation in more than one program during the SFY.
