 Top DCS Paid Services for DCS Cases during SFY2015  
 Query date: 9/14/15

This report examines the approved payments made during State Fiscal Year (SFY) 2015 (7/1/2014 - 6/30/2015) for Region 6. The figures are based on a KidTraks Accounts Payable (AP) Query dated 9/14/2015. The payments have been aggregated to a case ID (family or household) level. These payments are for DCS paid services only and do not include services paid by Medicaid.

DCS	569
Probation	271
Total	840

The table below presents DCS paid services for DCS Case types for Region 6 during SFY2015. For the purposes of this study, a DCS case type is defined as a case ID listed in KidTraks as being either "Assessment" or "DCS Case". These payments are for DCS paid services only and do not include services paid by Medicaid. The Total Units column presents the total number of paid units of service. Unless specified, this represents the total number of service hours. The % of DCS cases with a payment column presents the total number of cases that had at least one payment during the period for that service. The total number of cases is the number of unique case IDs that had at least one payment for any service during the period.

## Appendix B – Needs Assessment Survey Results

### **Family Case Manager Survey**

The survey distributed to Family Case Managers (FCMs) was designed by the Indiana University School of Social Work and School of Medicine, Department of Pediatrics in conjunction with the Indiana Department of Child Services (DCS) for the purpose of measuring the delivery of child welfare and probation services in Indiana. The Family Case Manager survey was distributed by email to all Family Case Managers in April 2015. FCMs were given instructions on how to complete the survey anonymously online. The survey included informed consent.

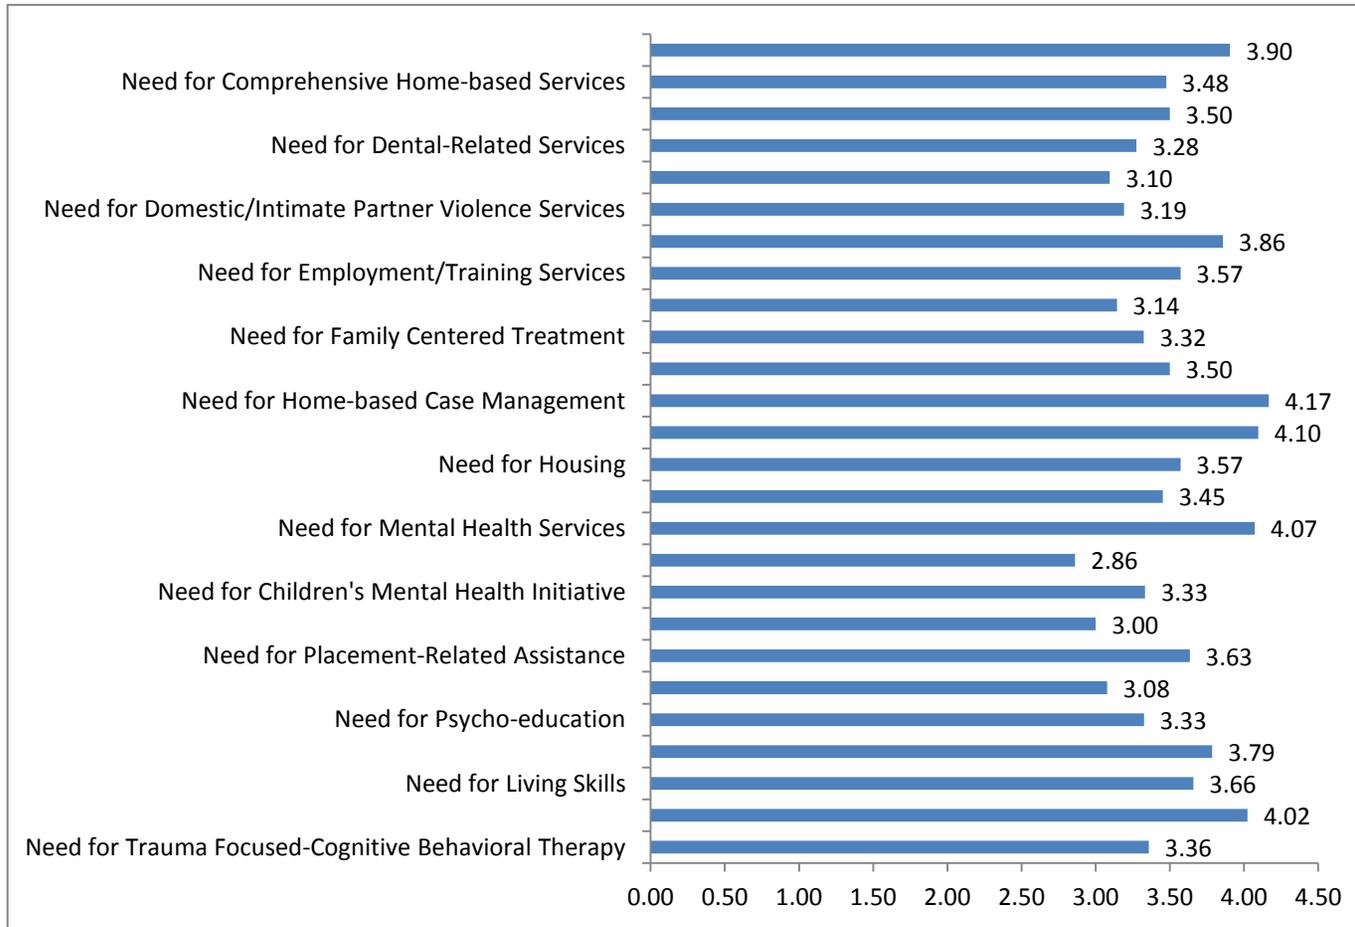

The below graphs show the results of the sections of the survey which asked Family Case Managers to rank 26 services in terms of service need, service availability, service utilization and service effectiveness. Service need, availability, utilization and effectiveness were all ranked on a scale from 1 to 5 with “1” rating the service as NOT needed/available/utilized or effective and “5” rating the service as HIGHLY needed/available/utilized/effective.

In DCS Region 6, 42 total FCMs opted to participate in the survey.

## Service Provider Survey

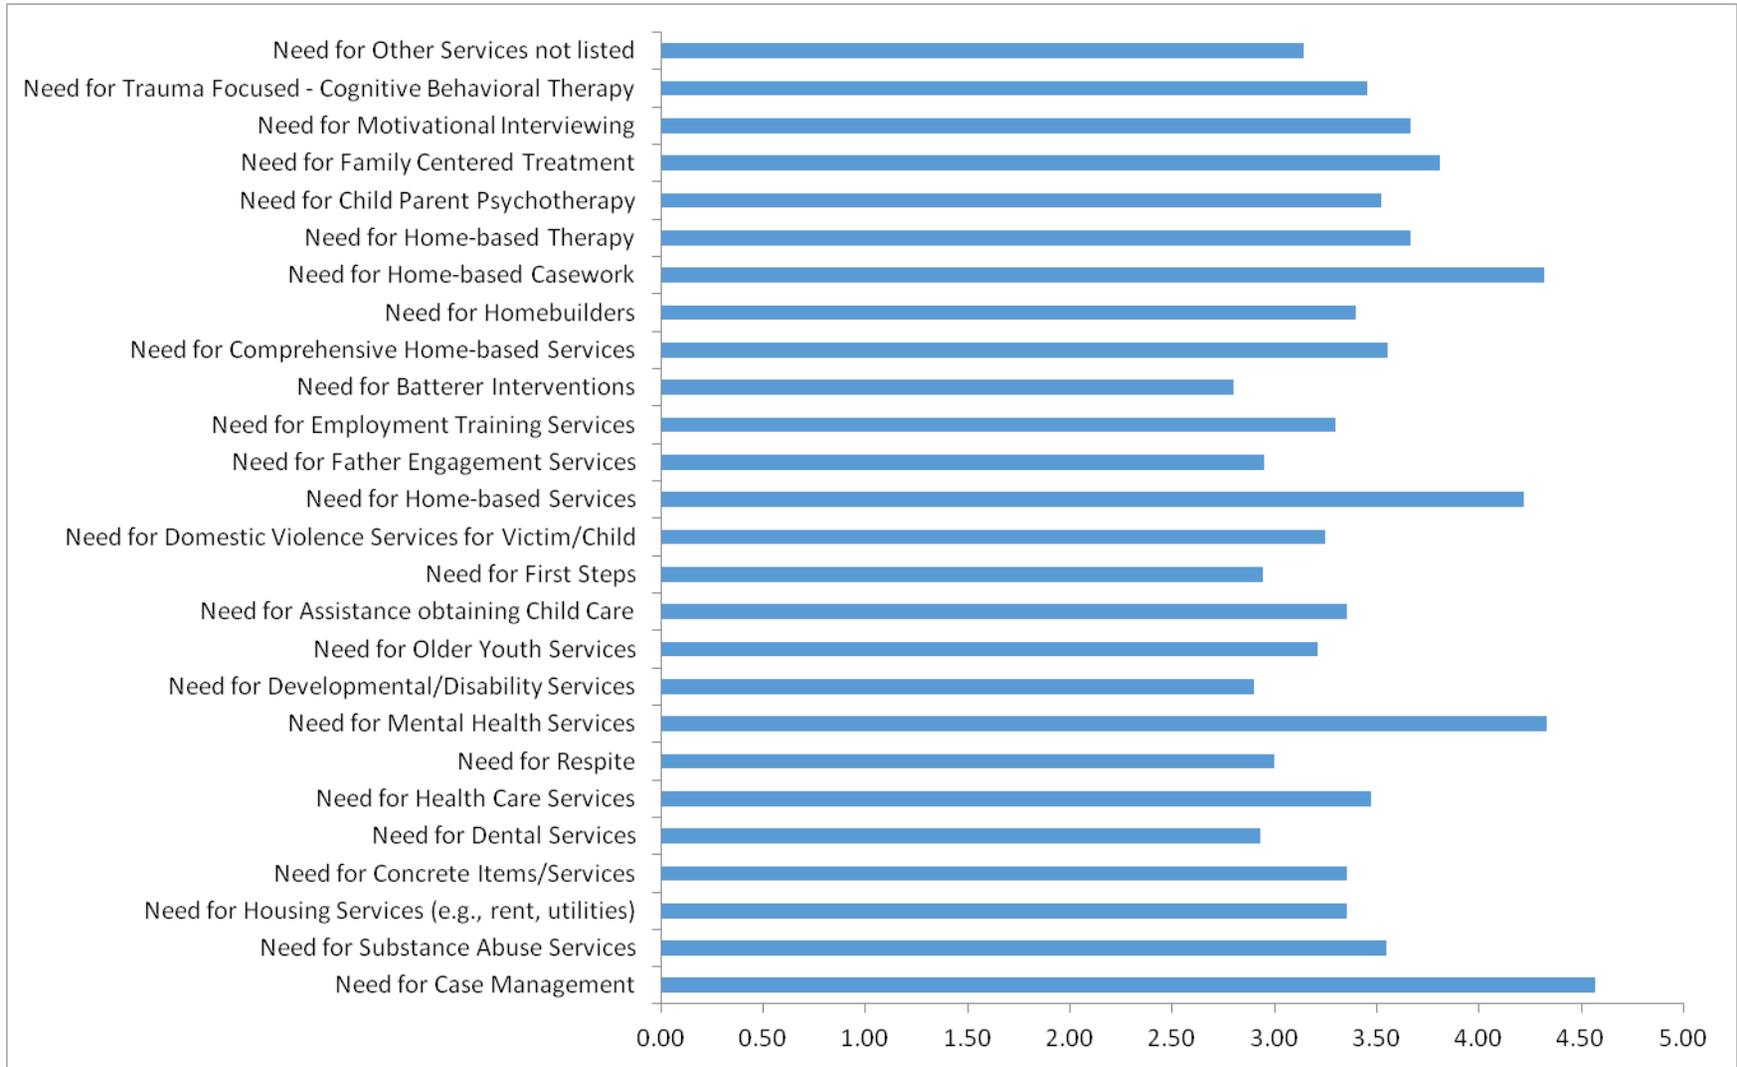

The survey distributed to service providers was designed by the Indiana University School of Social Work and School of Medicine, Pediatrics in conjunction with the Indiana Department of Child Services (DCS) for the purpose of measuring the delivery of child welfare and probation services in Indiana. The service provider survey was distributed to all service providers with an active contract at the time the survey was distributed (Monday, August 3<sup>rd</sup>). The survey was distributed via email on 08/03/2015 and remained open until 08/21/2015. Providers were given instructions on how to complete the survey anonymously online. The survey included informed consent. The survey collected basic information from respondents, including: service provider role, type of service/s provided by respondent's specific agency, region/s provider serves and demographic information. Additionally, providers were asked to rank 26 services in terms of service need and availability when needed as well as service utilization and effectiveness when utilized.

Of the 460 providers who responded to the survey 133 self-reported as having the role of "Frontline Worker", 126 self-reported as having the role of "Program Manager", 54 self-reported as having the role of "Central Administrative Operations", 81 self-reported as having the role as "Agency CEO" and 66 self-reported as having the role of "Other".

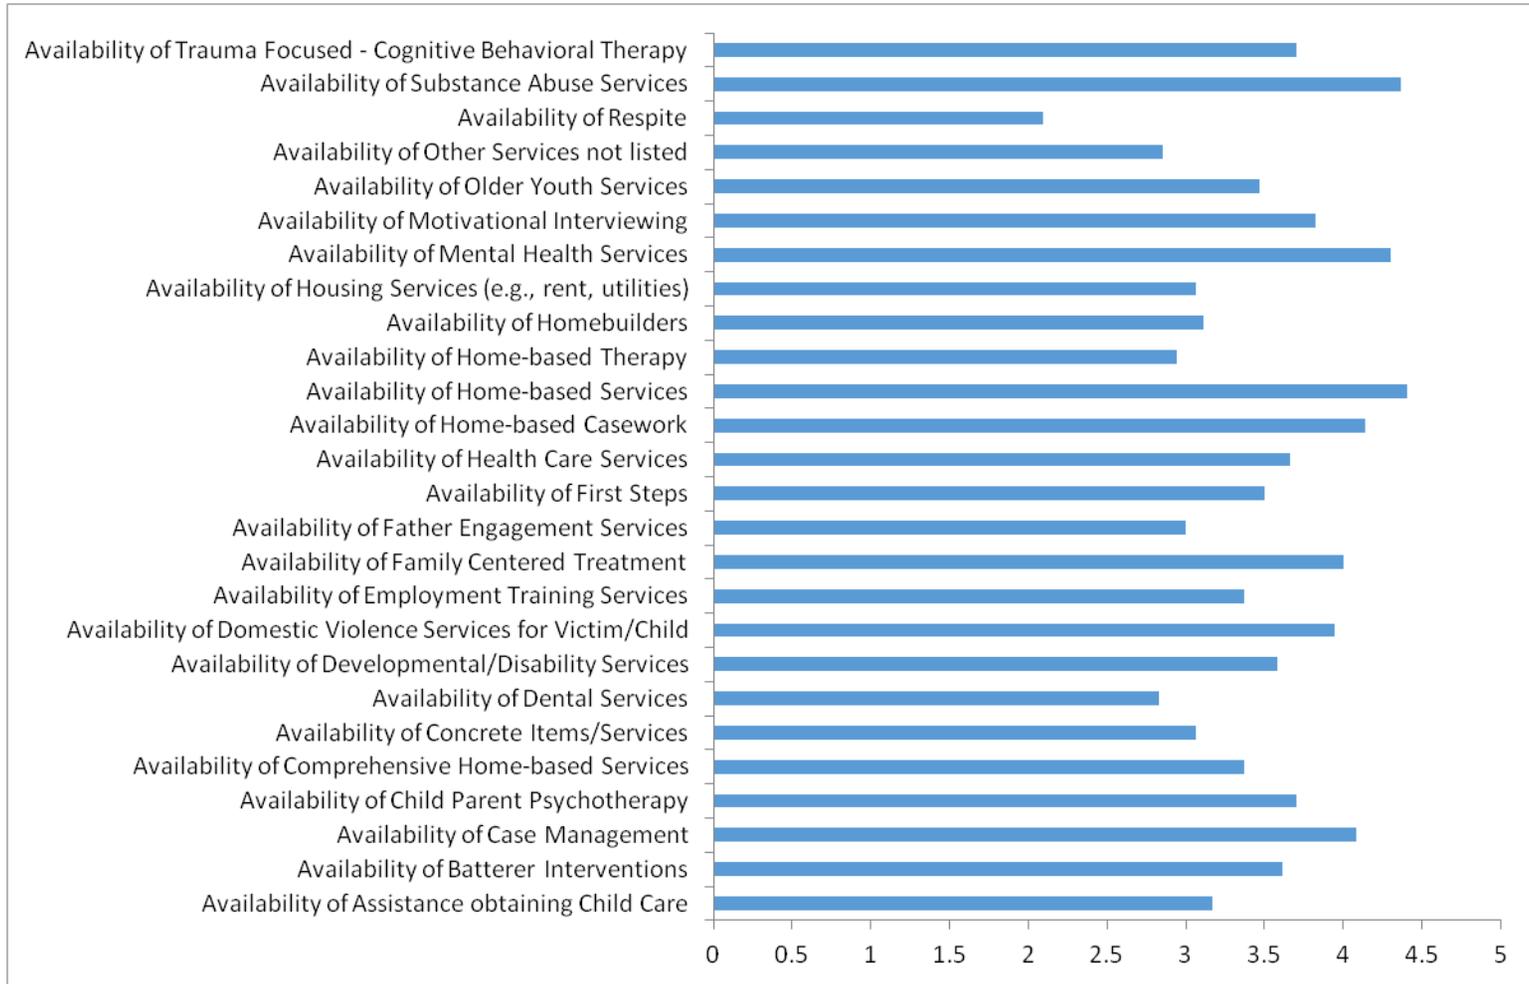

The below graphs show the results of the sections of the survey which asked providers to rank 26 services in terms of service need, service availability, service utilization and service effectiveness. Providers were asked to rank service need, availability, utilization and effectiveness. Service need, availability, utilization and effectiveness were all ranked on a scale from 1 to 5 with "1" rating the service as NOT needed/available/utilized or effective and "5" rating the service as HIGHLY needed/available/utilized/effective.

In DCS Region 6, 35 total service providers opted to participate in the survey.

## **Meeting Minutes**

**Meeting Called to Order at:** Biennial Regional Service Strategic Plan Public meeting was called to order by Liz Learned, Regional Manager, at 11:00 AM. Ms. Learned greeted everyone to the Region 6's Biennial Service Strategic Plan Public meeting and gave a brief description of the purpose for the meeting.

The floor was opened to public speaking.

Paige commented that his agency (SCAN) is seeing more serious CHINS cases over the last 10 years. They are in need to recruit master's level staff SCAN would like DCS to start working with the local colleges and IUN to focus on their need for therapist. In the past DCS has worked with the colleges and universities to begin cohorts to focus on therapists. DCS

should collaborate with Workforce development to meet the need of the lack of therapist in the region. A written statement was handed in by Paige.

Jennifer Smith (Community Partners) commented that her agency (SCAN) top reported concerns by families are:

1. Financial such as rent, utilities, and housing
2. Children behaviors- mental health services
3. Counseling- long waiting lists such as 3 to 6 months
4. Access to housing

## Appendix D - Additional Regional Data

**Indiana Community Partners for Child Safety (CPCS)  
A Look at Initial Family Needs and Referrals over the Course of Service  
SFY 2015**

There are three PDF Documents that hold information regarding family needs and referrals for prevention services. The information is presented by the aggregate data, per region for SFY 2015.

- **CPCS Needs Assessment SFY 2015**

The Needs Assessment is filled out by the client during initial contacts. The Needs Assessment asks the client about their own current needs for which they would like to receive further information.

The Needs Assessment File has two charts on four pages. The information is presented by region (in each column). **The first chart (on pages one and two) is titled “Needs Assessment Region Count FY 2015”** and shows the raw counts (“n”) of people who indicated the need for information about a problem/topic on the needs assessment. **The second chart (on pages three and four) is titled “Needs Assessment Region Percentage FY 2015”** which shows the percentages of people who indicated that the need for information about a problem/topic asked on the needs assessment.

- **NCFAS SFY 2015**

This PDF shows information having to do with the North Carolina Family Assessment Scale (NCFAS). Families show a need in the area when the staff rate them as -1, -2, or -3 on a scale of -3 to 2. The data in the Excel sheet show the percentage of families who are rated as having a need in the specified area. The Liaison administers the NCFAS twice during the time of service. The data presented is from the initial assessment, which should be administered at the beginning of service for the family. The Liaison fills out the NCFAS, rating the family on their functioning in 8 areas, based on all information they have gathered from the family. The Liaison also reaffirms the accuracy of the ratings on the initial NCFAS when they do the exit NCFAS (after at least 8 face to face contacts). The Liaison can edit ratings as necessary to provide an accurate view of the family upon initiation of service (at any time).

- **CPCS Referrals SFY 2015**

This PDF identifies referrals for additional services made for families by Community Partners for Child Safety programs during SFY 2015. The percentage indicated is the percent of families who had contact with the Community Partners for Child Safety program during SFY 2015.

- **CPCS Region “X” Subcontractors**

This PDF shows the contracted Community Partners for Child Safety provider for the region. It also lists out all agencies, if any, who are subcontracted with the contracted provider to provide services for the region.
