# I. GENERAL REQUIREMENTS FOR CHAFEE OLDER YOUTH SERVICES

## A. Chafee Independent Living Services

The John H. Chafee Foster Care Program for Successful Transition to Adulthood (The Chafee Program) provides independent living services that consist of a series of developmental activities that provide opportunities for young people to gain the skills required to live healthy, productive, and responsible lives as self-sufficient adults. Independent Living Services should be seen as a service to young people that will help them successfully transition to adulthood, regardless of whether they end up aging out of the foster care system, are adopted, enter a guardianship, or are reunified. Independent Living Service delivery is based on the needs of the youth as identified by the youth and the life skills assessment following the youth's referral for services. Youth receiving older youth services must participate directly in designing their program activities, accept personal responsibility for achieving interdependence, and have opportunities to learn from both positive and negative experiences.

Services should be provided according to the developmental needs and differing stages of interdependence of the youth. This should not be a single event, but a series of activities designed over time to support the youth in attaining a level of self-sufficiency that allows for a productive adult life. Services should address all the preparatory requirements for interdependent adulthood and recognize the evolving and changing developmental needs of the adolescent. Independent Living Programs are designed to assist young people by advocating, teaching, training, demonstrating, monitoring and/or role modeling new, appropriate skills to enhance self-sufficiency. Services must allow the youth to develop independent living skills based on the youth's needs as identified through the independent living assessment and other supportive assessments as youth emerge into adulthood.

## B. Program Description

The Indiana Department of Child Services, Older Youth Initiatives team implements The Chafee Program services to eligible youth, called Older Youth Services (OYS). OYS is comprised of - Independent Living Services - (OYS), Extended Foster Care Program - Collaborative Care, and Chafee Voluntary Independent Living Services. The focal points of OYS are to increase youth voice, offer the opportunity to practice interdependence as well as gaining the skills to build the youth's own social capital. OYS is designed as a continuum of care beginning at age 16 with extension of foster care until the youth turns 21 years of age and voluntary services a safety net for older youth from age 21 until the youth turns 23. However, as a youth-focused system, youth shall plan their own pathway to successful adulthood.

The Older Youth Services Brokerage of Resources model is the desired practice model for case managing older youth in foster care and is built upon six foundational pillars: Youth Voice; Social Capital; Relational

Permanency; Authentic Youth-Adult Partnerships; Teachable Moments and Adolescent Brain Research. The program goal is to help youth practice living interdependently to gain the skills and knowledge needed as they transition successfully into adulthood. Youth are to demonstrate application of their learned knowledge and skills in the OYS outcome areas represented by the following diagram:

The primary purposes of the OYS program are:

1. Identify youth who are expected to remain in foster care until their 18th birthday or after and assist them in making the transition to self-sufficiency.
2. Help identified youth receive necessary education, training, and services to overcome potential barriers to employment.
3. Help youth prepare for and enter post-secondary education and/or training institutions.
4. Provide personal and emotional support for youth aging out of foster care.
5. Assist youth in locating and identifying community resources that will be available to the youth after DCS involvement has ended.
6. Encourage positive personal growth in older youth through "teachable moments."

OYS are primarily focused on helping those youth who are expected to turn 18 in foster care, but the programs can be implemented concurrently with other goals like reunification and adoption. Chafee Voluntary Services are an extension of older youth services for youth who have "aged out" of the foster care system. These services are geared toward assisting former foster youth in the areas of housing, employment, and education.

### C. Older Youth Services Delivery

The service array is developed around the OYS outcome areas and is consistent with The Chafee Program service description as described in section A. OYS provides instruction and training to youth in out of home care that will help them successfully transition into adulthood and is not determined by their legal permanency plan, as services should not be an alternative to permanency.

Services are provided by service provider according to the developmental needs and strengths of each youth. Youth are engaged in activities designed over time to support the youth in attaining a level of self-sufficiency that allows for a productive adult life.

Services address all the preparatory requirements for transition into adulthood and recognize the evolving and changing developmental needs of the youth. Older Youth Programs are designed to assist youth by advocating, teaching, training, demonstrating, monitoring and/or role modeling new, appropriate skills to enhance self-sufficiency based on the youth's needs as identified through the life skills assessment.

The Service Provider shall ensure that youth complete a life skills assessment to determine their strength and needs in the specified outcome areas. Upon completion of the life skills assessment, the Service Provider shall ensure a successful adulthood learning plan is developed with the youth to plan for the youth's transition into adulthood. The Service Provider delivers services based on the youth strength, needs, and goals of their life skills assessment and learning plan. Youth receiving OYS must participate directly in designing their program activities, accept personal responsibility for achieving interdependence, and have opportunities to learn from both positive and negative experiences.

### 1. [Referrals](#)

The Older Youth Services, Collaborative Care Placement and Supervision, and Voluntary Service referrals are sent to the OYS provider by DCS. Referrals must be approved by a DCS supervisor and accepted by the OYS provider. The OYS provider has 24 hours to accept the referral and **5 days** to respond.

### 2. [Youth Onboarding](#)

Youth referred to Older Youth Services, Collaborative Care Placement and Supervision, and Voluntary Services will participate in youth onboarding facilitated by the older youth services provider. Youth onboarding is aimed to engage youth in a group setting to create a social network, build trust and create confidence. The youth onboarding process is designed to familiarize youth to older youth services by introducing the programs and the purpose. During onboarding youth will learn clear definitions and expectations of the DCS role, OYS provider role and their role in service planning, service delivery, and service application.

The OYS provider will:

- a. Host a youth onboarding event at every **90 days**
- b. Ensure participation of all youth referred to services
- c. Provide information and documentation about OYS

### 3. [Life Skills Assessment](#)

The life skills assessment is a comprehensive assessment designed to engage youth in their transition into adulthood. Youth who need additional supports may require a supplementary assessment to assist youth with the enhancement of their learning plan.

Youth in foster care are required to complete a life skills assessment at age 16 or older determined by when the OYS referral is initiated. Completion of the assessment is as follows:

- a. The life skills assessment is to be completed within **30 calendar days** of the initial OYS referral.
- b. The life skills assessment must be completed with the youth
- c. The life skills assessment must be shared with the youth, caregiver, and the Department within **10 calendar days of completion**.
- d. The life skills assessment must be completed annually

Supplementary assessments may include career assessments, post-secondary assessment, well-being assessment, parenting assessment etc. and must be approved by the department.

The OYS providers are required to follow the assessment completion criteria when utilizing a supplementary assessment. Upon completion of the life skills assessment and supplementary assessment a comprehensive successful adulthood learning Plan must be developed with each youth based on the results of the assessments and the goals of the youth.

#### 4. Successful Adulthood Learning Plan

The Successful Adulthood Learning Plan (Learning Plan) is a written document detailing the goals, objectives and task youth will complete to develop and enhance skills in the outcome areas as they transition into adulthood. Learning plans are individualized and based on the strength and needs of the youth.

The OYS providers assist youth with the development of the learning plan, and it is based off the results of the life skills assessment, driven by the youth's input. The learning plan includes information on specific steps that will be taken to ensure that the youth's successful adulthood needs are met, including Identifying the youth's need/goal, what activities will be done to help complete that goal, who is responsible for completing specific activities and expected dates of completion for each activity and goal. The learning plan must:

- a. Be developed with the youth
- b. Initially completed within **30 calendar days** of the youth's initial OYS referral.
- c. Be reviewed monthly and during critical junctures within a youth life.
- d. Be updated annually and upon completion of the life skills assessment.
- e. Be signed by the youth and the youth should receive a copy.

The learning plan is used as a tool to help teach older youth the planning and goal making process as well as a tool to document when task have been completed for the youth's individual case record. New objectives and task must be developed annually and if need during the review of the plan.

#### 5. Monthly Reporting:

The OYS monthly report is a document detailing the progress of the youth. The Service Provider is to specifically summarize the youth's goals in each outcome measure as defined in the learning plan. The report should provide information on what services and resources were provided to assist the youth in reaching their

goals and how barriers have been addressed. The report should detail how the youth is progressing documenting their strength, needs and goals. The monthly report should document following:

- a. Youth's demographics
- b. Youth's social supports
- c. How services were delivered including date, time, and duration
- d. What identified resources were provided
- e. Youth accomplishments
- f. Identified strengths and needs
- g. Reflect the goals and objectives of the learning plan
- h. Document progress towards each specific goal and objective of the learning plan

The monthly reports are due by the **10<sup>th</sup> of each month**.

**\*\*Note:** Completion of the life skills assessment, supplementary assessments, Learning Plan and Monthly Report must be recorded for National Youth Transition Database.

These activities are reported by selecting "Independent Living Needs Assessment" in the NYTD web portal. The life skills assessment, supplementary assessments and learning plan will need to be submitted along with the monthly report. The Service Provider is responsible for ensuring all supporting documents are uploaded in the NYTD web portal. \*\*

The expectation of the Service Providers is to institute the brokerage of services model within their service delivery.

The Service Provider will serve in the role of community resource broker for youth receiving older youth services. This role will focus on increasing the youth's skills in accessing services within their community and building support networks that will exist after DCS services end. The Service Providers need to first seek community resource providers to provide the direct services and/or complement services associated with the OYS outcome areas.

For service areas where there are limited community resources, providers must maintain documentation and develop a plan of how specific case management will be provided. Group service delivery may also be an option. The Service Provider must document the service gap within the region/county. An approved life skills curriculum may be used for group services. The curriculum must be pre-approved by the Older Youth Initiatives Manager or designee.

## 6. Older Youth Services

Youth, ages 16 through 20 will be referred to the OYS by the department. The Service Provider shall provide services that include individual guidance, case management, and soft skills as reflected in the Learning Plan. Youth must be given a life skills assessment (i.e., CLSA) to determine the appropriate services. These services may include, but are not limited to, locating tutorial services, self-esteem building, life interest explorations, and education in housing options, budgeting, money management, health care, transportation options, secondary and post-secondary education, and interpersonal relationship skills.

## 7. Extended Foster Care – Collaborative Care

Youth age 18 – 20 may be referred by a Collaborative Care Case Manager or Independent Living Specialist. Youth participating in Collaborative Care will continue to receive ongoing older youth services with additional placement options and supports. The Service Provider shall provide an intensive level of case management and resources to assist the youth with executing their learning plan.

## 8. Voluntary Older Youth Services

Youth 18 and older may be referred to voluntary services. The Service Provider shall provide guidance on financial issues, assessment services, housing, health care, counseling, employment, education opportunities and other support services that are unique for the development of self-sufficiency. Services are provided on a voluntary basis. A voluntary agreement will be signed by the youth and service provider for case management services. This agreement outlines the services to be provided, the length of time expected for the service, and the plan for the youth's contribution.

The youth must participate directly in designing their program activities, accept personal responsibility for achieving interdependence, and have opportunities to learn from experiences and failures.

In addition, the Service Provider shall assist the youth with developing a Learning Plan that includes an operational plan describing how the young adult is going to assume responsibility once assistance ends.

Voluntary Services are delivery within 3 levels. Each level has increased support provided to assist the youth. The voluntary level of services is determined by the youth eligibility status. The eligibility status is determined by the age and how a youth exits foster care due to their legal permanency plan.

- Level 1: Case Management only
- Level 2: Case Management and Emancipation of Goods and Services
- Level 3: Case Management, Emancipation of Goods and Services, Room, and Board

### *a. Group Work and Events*

Services may be delivered in a group setting or during events specific to the older youth services outcome measures to support direct experiential learning and skill development. Providers must provide details of the group activity and how the activity supports the youths' plan towards emerging into adulthood. Group work and events may be provided to special populations and / or specific youth to enhance service delivery and promote successful outcomes. The Service Provider shall document group work and events within individual monthly reports and during annual reporting.

### *b. Emancipation Goods and Services (EG&S)*

Youth participating in voluntary services are eligible for Emancipation of Goods and services funding (EG&S). All youth ages 18 – 23 who are eligible to receive Chafee Voluntary Older Youth Services are also eligible to access EG&S funding.

EG&S is a maximum lifetime cap funding source; not to exceed \$1500 and are for goods and services youth may need as they become independent of the system while making a safe and successful transition into adulthood.

#### i. Request to Use EG&S funding

The Service Provider shall request EG&S funds on behalf of youth; based on the youths' needs. Request for funded services must be identified on the EG&S approved form or identified in the services standard under [Section III Chafee Funded Services and Supports](#). Request for additional funds will be considered on a case-by-case basis by the Older Youth Initiatives Manager or IL Specialist and based on availability of funds.

The state EG&S approved form must be used to request needed funding for the youth. When considering the use of EG&S with the youth develop a plan of how services may be brokered and link youth to community resources as needs arise after initial start-up assistance. This expenditure must be determined based on the specific needs of each youth, not on the amount available and based on availability of funds.

#### ii. EG&S Approvals

EG&S funds must be approved by the Independent Living Specialist (IL Specialist), within the assigned region on a dollar-for-dollar basis. The EG&S form must be signed by the IL Specialist or Older Youth Initiatives Manager prior to the services being funded.

Requests for items not listed on the EG&S form require pre-approval from the Older Youth Initiatives Manager or Independent Living Specialist. Non-listed items purchased without prior approval will be an expense of the service provider and will not be paid through Chafee funds.

**Note: DCS will not reimburse taxes paid on items purchased through EG&S.**

#### c. *Housing Services: Room and Board*

Youth participating in voluntary services may be eligible for housing services through Room and Board (R&B). Youth may receive R & B assistance while living in shared housing, single room occupancy, boarding houses, semi-supervised apartments, their own apartments, subsidized housing, scattered site apartments, and transitional group homes. To be eligible for R & B, a youth must have a closed CHINS or JD / JS case and must have turned 18 years of age while in foster care. This includes:

- Youth who move directly from foster care or a Collaborative Care placement into their own housing at age 18 up to age 23.
- Youth who leave foster care at the age of 18 or older without accepting assistance and reconnect to services prior to turning age 23.

Room and Board (R&B) expenses may be provided as start-up assistance, ongoing assistance, and emergency assistance. These funds are contingent upon availability as well as verification of the youth's eligibility for

voluntary services by the Independent Living Specialist. The Service Provider shall develop a housing plan with the youth prior to distributing R&B funding. This housing plan must detail housing sustainability, identify housing resources and supports. The housing plan must be documented in the youths file and uploaded in NYTD by the Service Provider.

Room and Board payments include a maximum lifetime cap of \$3,000 for assistance up to age 23. Youth may access this assistance if they continue to participate in case management services and receive SSI (Supplement Security Income through Social Security) or participate in a full or part time schedule of work (or are actively seeking employment) until the \$3,000 limit is exhausted.

*i. Start – Up Assistance:*

Start-up costs are expected to be a one-time payment and are made available when youth move into their first apartment. Start-up cost covers application fees, security deposit, first month's rent and utility installation fees. Utilities are limited to electric, gas, water, and sewage.

*ii. Ongoing Assistance:*

Ongoing costs are identified as ongoing monthly rental assistance. This assistance will be tailored to the need to the youth. Youth who need the maximum assistance may access these funds using the payment guide below. While receiving Room and Board funds, youth are expected to make incremental payments toward their own housing and utility expenses beginning in the third month of assistance and should be prepared to accept full responsibility by the sixth month unless there are extenuating circumstances.

Requests for an extension of this capped amount will be considered on a case-by-case basis by DCS Older Youth Initiatives Manager or designee, based on availability of funds.

Room and Board payments will only be made through a contracted service provider who is providing older youth case management services to the youth.

*Payment Guide:*

- Deposit and 1<sup>st</sup> and 2<sup>nd</sup> month's rent can be paid for youth
- Youth pays 25% of the rent the 3<sup>rd</sup> month
- Youth pays 50% of the rent the 4<sup>th</sup> month
- Youth pays 75% of the rent the 5<sup>th</sup> month
- Youth pays all the rent the 6<sup>th</sup> month

*iii. Emergency Assistance*

Emergency cost is a one-time payment to youth who present in an emergency or crisis. These situations are temporary and extenuating. Youth receiving emergency assistance will need to develop a crisis plan and agree to be placed in an alternative setting as available. Emergency Assistance must be approved by the Older Youth Initiative Manager or designee.

*iv. Youth Attending Post – Secondary Institutions*

Youth participating in voluntary services and attending a post – secondary institution may access R & B assistance if the youth lives in an apartment off campus. If the apartment is considered campus housing a deposits for off campus housing off be made through Room and Board funding.

**Note:** If the youth is receiving funding through the Educational and Training Voucher (ETV) program, it is important to reach out to the ETV provider to verify funded services. ETV funds are available to assist youth with the cost of housing if the youth is attending an accredited post-secondary institutions. If the youth is eligible for ETV funds, housing assistance must be accessed through the ETV program and not Room and Board. To learn more about the ETV program or determine eligibility contact the ETV provider at [www.indiananetv.org](http://www.indiananetv.org).

#### v. Voluntary Host Home

Youth participating in voluntary services may access R & B to assist with renting a bedroom through a voluntary host home agreement. A voluntary host home may include living with foster families, relatives other than biological or adoptive parents, or other adults willing to allow the youth to reside in their home without a foster care per diem or compensation. This setting does not require the same responsibilities as the Host Home placement type in Collaborative Care and therefore will not receive a foster care per dem rate.

The voluntary host home rental assistance is a negotiated rate between the OYS provider on behalf of the youth and homeowner. The rental assistance may not exceed \$250 per month and all parties must sign a voluntary host home agreement. The agreement must also identify the rules and expectation of the youth while living in the home.

This housing type should be seen as a temporary housing option while the youth is continuing to identify a more stable and long-term housing option.

#### vi. Housing Services and Resources

Youth participating in voluntary services must be provided information and resources for other potential housing options available in their local community housing programs or other identified homeless youth programs. DCS has partnered with various public housing authorities, Continuum of Care providers, and Indiana Housing and Community Development Authority (IHCA) to ensure youth aging out of foster care have access to community housing resources.

- Foster Youth Initiative Voucher (FYI)
- Family Unification Program – Youth Voucher (FUPY)

**\*\*Room and Board financial assistance must be reported through the NYTD web portal during the reporting period corresponding to disbursement of these funds. This service element is reported as “Room and Board Financial Assistance” and should NEVER be marked for wards in either traditional foster care or Collaborative Care\*\***

## D. Eligibility

Youth in eligible foster care placements age 16 up to the day before the youth's 21<sup>st</sup> birthday and eligible former foster youth age 18 up to the day before the youth's 23<sup>rd</sup> birthday. The older youth services, collaborative care program, and voluntary services eligibility requirements are detailed below.

### 1. [Chafee \(IL\) Older Youth Services:](#)

- Youth ages 16 to 21 who are in foster care or a Collaborative Care placement as a CHINS or adjudicated delinquent with a case plan establishing the need for older youth services.

### 2. [Collaborative Care:](#)

- Youth ages 18 to 21 who are in foster care or were formerly in foster care on the day of their 18<sup>th</sup> birthday and meet at least one of the eligibility requirements below:
  - Enrolled in a secondary education institution or a program leading to an equivalent credential, e.g., a youth age 18 and older is finishing high school or taking classes in preparation for a High School Equivalency (HSE) exam. OR enrolled in an institution which provides post-secondary or vocational education, e.g., a youth could be enrolled full-time or part-time in a university or college or enrolled in a vocational or trade school.
  - Participating in a program or activity designed to promote, or remove barriers to employment, e.g., a youth could be in Job Corps or attending classes on resume writing and interview skills or working with an Older Youth Service provider on skills for Successful Adulthood.
  - Employed for at least 80 hours per month, e.g., a youth could be employed part-time or full-time, at one or more places of employment.
  - Incapable of performing any of the activities described above due to a medical condition documented in the youth's case plan

### 3. [Chafee Voluntary Older Youth Services:](#)

Chafee Voluntary Services are continued case management and supports for who want to remain in services after their CHINS or Collaborative Care case has closed. Youth must meet the following requirements:

- Youth ages 18 to 23 who were formerly in foster care, in a Collaborative Care placement or adjudicated a delinquent between the ages of 16-18 that were returned to their own homes on a Trial Home Visit and remained a CHINS or adjudicated a delinquent with a case plan establishing the need for older youth services.
- Youth age 18 to 23 who were formerly in foster care or a Collaborative Care placement for a minimum of 6 months as a CHINS or adjudicated a delinquent between the ages of 16-18 under the supervision of the DCS and had a case plan establishing the need for older youth services.
- Youth who are 18 to 23 who would otherwise meet the eligibility criteria above and who were in the custody of another state or were a "ward of another state" will be eligible if through the Interstate Compact for the Placement of Children there is a verification of wardship and all eligibility criteria from the state of jurisdiction.

- Youth age 16 to 23 that left foster care after obtaining 16 years of age and entered a kinship guardianship or adoption.

Service Provider shall provide voluntary service to youth who turn 18 in foster care and do not meet the 6-month requirement indicated in the target population. For probation youth adjudicated a delinquent the county of residence must have an interagency agreement between the court and DCS relating responsibilities of each party for meeting all state and federal mandates.

## **II. OLDER YOUTH SERVICES: LICENSED CHILD PLACING AGENCY (LCPA) FOSTER HOME, RESIDENTIAL TREATMENT FACILITIES, or GROUP HOMES**

All youth are to start receiving Older Youth Services at age 16. If a youth is placed in a LCPA foster home, residential or group home, the agency/facility is responsible for providing older youth services as part of their per diem. Agencies/facilities shall refer to the Older Youth Services Protocol and the Older Youth Services Service Standards for instruction regarding Older Youth service delivery.

Based on a youth's developmental age and skill set, agencies/facilities should provide at least one (1) to three (3) hours per week of Older Youth Services. Older youth services instruction should not include time spent solely on Activities of Daily Living. Experiential learning should be utilized based on youths' behavioral and developmental needs and in conjunction with classroom, group, or one on one instruction.

When appropriate, older youth instruction should be community-based learning. In addition, a portion of the older youth services must be in the community. Youth benefit from training that is community oriented, outside of a placement facility.

If Older Youth Services cannot be provided due to a critical behavior or developmental needs, the placement provider must document the youth's current behavior and develop a plan to ensure older youth services are provide in the future. Youth who have approved Medicaid waivers are not required to receive Older Youth Services.

## **III. CHAFEE FUNDED SERVICES & SUPPORTS**

The Service Provider shall provide financial support to youth referred to and participating in services; based their needs and independent living goals.

There are specific services and supports that may be funded under Title IV-E / Extended Foster Care – Collaborative Care or the Chafee Program: Older Youth Services / Voluntary Services. These funded services and supports may be used to eliminate barriers and meet the needs of youth as they transition into successful adulthood and gain self-sufficiency.

Chafee funds are specifically designed to assist youth with meeting their older youth services goals and should be linked to the youths learning plan and transition plan. Not all requests will require a referral such as payment for rent, utilities, or any other item under budget 2 that were added to the program cost.

Chafee funded services and supports are available to current and former foster youth ages 16 – 23 based on the Indiana DCS older youth services policy, service standards and protocol.

The Older Youth Services Funded Categories chart below, represents financial supports and services allowable under older youth services (also known as The Chafee Program) and is identified by the older youth services budget type. The chart provides a high-level overview of items appropriate for financial support. Many of these items are fundable under the NYTD service elements and should be identified in the NYTD service logs under the appropriate element.

**Note:** Chafee billable services are set on the Indiana State fiscal calendar year (July 1st – June 30th).

**Note:** Items with asterisk are not billable Chafee items but can be funded by DCS through other funding mechanisms for youth.

The Older Youth Services Funded Categories chart below, represents financial supports and services allowable under older youth services and is identified by the older youth services budget type. The chart provides a high-level overview of items appropriate for financial support.

Many of the funded services that are payable through Chafee funds have additional discounts and resources that can be applied to the overall cost of the service, item, or program. It is expected that these additional discounts and resources are identified and applied as needed.

Example: SAT Fee Waiver Services

6. Voluntary Host Home`	Budget 4		

### A. Maximum Allowance

The items listed below have an identified maximum dollar amount per state fiscal year. An increase in funding under the below service items must be approved by the Older Youth Initiatives Manager, Collaborative Care Division Manager, or designee.

Items	Maximum Allowance
*Birthday Allowance	\$50

*December Holiday Allowance	\$50
*Personal Allowance	\$300
Transportation	\$1000

To access additional information on maximum allowance for transportation or other OYS funded services review the OYS Transportation Guidance and OYS Chafee & IV-E Allowable Expenses guide.

## B. Documentation

All Chafee funded services must have viable documentation supporting the need for the services and how the services are connected to the youths learning plan and transition plan. Documentation should show the cost of the item, description of program and cost, collateral information, and receipts. This information must be documented in the NYTD service logs and in at least one of, or all the following: DCS monthly contacts, DCS case file, provider monthly reports, provider notes, provider case files.

### *Example of Documentation*

- a. Program Brochure
- b. Proof of Enrollment or Acceptance Letter
- c. Receipt or Invoice
- d. Estimates (Car Repairs)
- e. Proof of Purchase
- f. Proof of Attendance
- g. Proof of Employment
- h. Registration Letter or Proof of Registration

## C. Access to Chafee Funding

Access to Chafee funds is dependent upon the referred service and budget type of the youth. Referrals may need to be completed by DCS prior to the contracted OYS Service Provider distributing funds. The EG&S form may need to be completed by the OYS provider prior to distributing funds. Please note, some budget 2 or budget 4 cost are built into the program cost and do not require an additional referral.

### 1. Referrals & EG&S Form

Accessing Chafee funded services through budget 1 or budget 2 will require a global service referral to be completed by the DCS Family Case Manager / Collaborative Care Case Manager.

- Global Services Referrals: A global services referral may need to be completed under budget 1 or budget 2 with the following referral type.
  - Clothing
  - Bedding
  - Driver's Education
  - Transportation
  - Prom

- Education

Accessing Chafee funded service through budget 4 will require completion of the EG&S form. The EG&S form is required to be completed by the contracted OYS Service Provider and approved by DCS Older Youth Initiatives Manager or Independent Living Specialist before Chafee funds can be disbursed. More information about EGS can be found in section C, Older Youth Service Delivery.

## D. Direct Financial Assistance

Youth who are referred to Collaborative Care services may be eligible for direct financial assistance based on their developmental aptitude and placement type. Direct financial assistance may be disbursed to youth who are placed in their own or shared apartment.

The OYS service provider will provide direct financial assistance to youth through direct deposit or Venmo. Before, direct financial assistance can be utilized, the service provider will assist the youth with opening up a bank account in their community. Funding can be deposited in the youths account, bank card, or through Venmo.

### 1. Funding & Utilization

Youth receiving direct financial assistance will receive a monthly stipend based on their participation in the Collaborative Care program and placement setting. Youth will sign a direct financial assistance agreement. This agreement will provide information on the amount of assistance, the youths responsibilities in utilizing this funding and OYS providers responsibility to disburse the funds and provide financial and assets management services. This agreement must be signed by the youth and OYS provider staff.

#### a. Direct Financial Assistance Agreement

The OYS service provider will develop a direct financial assistance agreement with the youth. The youth must identify who funding will be utilized to encourage experiential learning. Youth may utilize direct financial assistance for the following expenses:

- Groceries / Food Purchases
- Phone Bill
- Clothing
- Housing Essentials i.e.: Cleaning Supplies
- Gas or other transportation lower cost i.e.: uber bus pass etc.
- Incidentals

The direct financial assistance agreement must:

- a) Be developed with the youth
- b) Initially completed within **30 calendar days** of the youth moving into their own apartment
- c) Be signed by the youth and the youth should receive a copy

- d) Be reviewed monthly and during critical junctures i.e.: when the youth is excessively spending and not following the agreement.
- e) Be provided to the DCS within 10 days of signature.

The OYS provider will provide a monthly stipend of \$700 to youth who are placed in their own apartment or shared apartment setting. The OYS provider will develop a budget with the youth and review the utilization stipend to help develop the youth skills in financial and asset management.

### E. Reimbursement Agreement

To provide a higher level of experiential learning the OYS provider may enter into a reimbursement agreement with a youth. This agreement must be developed with the youth and the Collaborative Care Case Manager must have knowledge of said agreement. The reimbursement agreement can be used when developing skills for youth on how to manage their finances. To utilize the reimbursement agreement the youth must be employed. The provider may reimburse youth for items eligible under Chafee supports and services.

Note: Youth who receive direct cash assistance cannot be reimbursed for utilization of those funds.

## IV. National Youth in Transition Service Elements and Outcome Survey

The National Youth in Transition (NYTD) reportable service elements are identified in the broker of services matrix highlighted in yellow and identified in bold.

Please refer to these when submitting monthly reports through the web portal. All questions regarding reportable service elements should be directed to the NYTD email box: [dcsnytd@dcs.in.gov](mailto:dcsnytd@dcs.in.gov).

### NYTD Service Elements

- Independent Living Assessment
- Academic Support
- Post-Secondary Educational Support
- Career Preparation
- Budget and Financial Management
- Health Education
- Housing Education and Home management Training
- Family Support and Health Marriage Education
- Mentoring
- Employment Program or Vocational Training
- Supervised Independent Living
- Other Financial Assistance

The Service Provider shall provide information to youth on taking the NYTD outcomes survey. The provider will:

1. Ensure youth watch the "Take the NYTD Survey" informational NYTD video and are provided a NYTD flyer explaining the NYTD Survey during the intake process (<https://www.in.gov/dcs/2793.htm>)

2. Complete within **30 calendar days** of the youth's initial OYS referral
3. Document and date on the intake form when the youth was provided NYTD information
4. Review taking the NYTD outcomes video annually and document on monthly report

The Service Providers shall update youth contact information monthly and collaborate with the NYTD service provider and the department on youth selected to complete the NYTD survey to ensure contact information is updated and surveys are being completed timely.

### A. Youth Satisfaction Survey

Service Providers shall ensure youth participating in services complete a youth satisfaction survey **30 days** prior to services ending for each older youth initiatives OYS program type. Service Providers are responsible for administering the youth satisfaction survey and managing the data.

### B. Case Management

Service Providers shall provide instruction, experiential learning, coaching, mentoring and monitor that the youth receive services that include, but are not limited to the following:

- Education
- Employment
- Financial and Asset Management
- Physical and Mental Health
- Housing
- Activities of Daily Living
- Youth Engagement

Service providers will collaborate and partner with community agencies to provide direct services to youth and ensure youth have the community resources needed as they emerge into adulthood.

The OYS provider provide direct case management to the youth and work closely with the youth to ensure the most appropriate services have been delivered. OYS providers should assist the youth with organizing and coordinating a network of activities, services and support designed to optimize the well-being and IL skills of youth transitioning into adulthood. Case Management should include the following functions:

1. Youth Engagement
2. IL / Supportive Assessments
3. Learning Plan Development
4. Linkage to Additional Supportive Services and Resources
5. Monitoring Progress
6. Advocacy

#### Face to Face Contact

The OYS case manager will have ongoing face to face contact with youth based on the needs of the youth and as identified by the youths DCS case manager and child and family team.

### C. Older Youth Services Outcomes Area Matrix Guide

The older youth services outcomes area matrix guide identifies each outcome area's results and NYTD related activities. The Service Providers shall use the matrix as a guide of delivering services based on the desired core competencies, youth outcomes, and service provider's responsibilities. The Service Providers are responsible for ensuring service delivery are meeting The Chafee Program federal NYTD requirements and services are being delivered to ensure successful transition into adulthood.

## OLDER YOUTH SERVICES OUTCOMES MATRIX GUIDE

### OUTCOME AREA: EDUCATION

**Result:**

- Young people acquire sufficient education, advocacy skills and training to enable them to achieve their career and life goals.
- Educational and other institutions and agencies provide opportunities, encouragement, and advocacy to increase youth’s achievement of educational goals.

\*\*NYTD\*\*

All activities are identified in bold font listed under “provider responsibilities” are reportable as NYTD service elements **“Academic Support” & “Post-Secondary Educational Support”**

CORE COMPETENCIES	YOUTH OUTCOMES / BENCHMARKS	PROVIDER RESPONSIBILITIES
Ability to succeed in school	<p>Young people attain their educational goals and are knowledgeable about and understand the importance of:</p> <ul style="list-style-type: none"> <li>• Participating in educational activities including, but not limited to tutoring, mentoring, extra-curricular activities, support programs, voluntary office hours with educational supports</li> <li>• Identifying when and if they require support services and how to seek out assistance that meets their needs</li> <li>• Resources for youth-specific <del>connections for transitions</del></li> </ul>	<p>1. ## V. CONTRACTED PROVIDERS ADMINISTRATIVE DUTIES

### A. On Call Responsibilities

The Service Provider shall be available 24/7 for emergencies and provide a written-on call plan. A written-on call plan will be provided to the DCS Collaborative Care team Division Manager, Supervisor, and Independent Living Specialist. The on-call plans should detail the agency on call process / procedure and contact information.

### B. Staffing Qualifications

#### 1. Direct Worker

Service Provider staff who provide direct case work must have a bachelor's degree in social work, psychology, sociology, or a related field. Service Provider direct case workers shall carry a case load according to the following ranges:

- OY Services only: 18-22
- Collaborative Care: 12-15
- Voluntary Services: 25-30

#### 2. Supervisor

Service Provider supervisors must have a master's degree in social work, psychology, or other related human services field OR a bachelor's degree with minimum of 5 years of experience in social services, case management, education in a community setting, or other relevant experience.

Supervision/consultation is to include not less than one (1) hour of face-to-face supervision/consultation per 20 hours of direct client services provided, not occur less than every two (2) weeks. The Service Provider Supervisor is responsible for ensuring direct workers are engaging clients delivering individual based services based on the OYS service standards and OYS protocol. The Supervisor is responsible for consulting with direct workers to address case management barriers and review client service delivery.

All staff who have contact with youth must be aware of and sensitive to a racial, sexual or gender preference, cultural, ethnic, religious, and linguistic differences. Services will be conducted with behavior and language that demonstrates respect for socio-cultural values, personal goals, life-style choices, as well as complex family (biological or other) interactions; services will be delivered in a neutral valued culturally competent manner.

### C. Documentation Requirements

#### 1. Service Access

Services must be accessed through a valid DCS or Juvenile Probation referral. Referrals are valid from the start date until the end date as identified on the referral form, when the youth ages out of Collaborative Care, or when their CHINS case closes. Providers must initiate, via a 3CM, a reauthorization for services to continue beyond the approved period.

## 2. Case Record Documentation

The Service Provider is responsible for necessary case record documentation of service eligibility for CHINS and probation youth must include:

1. Authorized DCS/probation Referral
2. Case Plan indicating the need for older youth services for Chafee Older Youth Services and Chafee Voluntary Older Youth Services
3. Initial Life Skills Assessment and ongoing assessments every year during the service provision period
4. Other identified assessments
5. Learning Plan for successful adulthood service
6. Additional plans
7. Documentation of regular contact with the referred youth and DCS
8. Monthly written reports on the required form regarding the progress of the youth provided to the referral source via the NYTD web portal. This report must include the youth's full name and MaGIK number. All reports must be turned in by the **10th of the month** unless otherwise specified by the referring party.
9. Completed Youth Satisfactory Survey

## 3. Monthly Reporting

The Service Providers are responsible for providing monthly reports. All reports must be typed and prepared in Microsoft Word or Adobe format. Reports must detail the date and time of day spent with the youth and the goal the youth is working toward. The narrative of the report should detail what goal orientated activities occurred during the time being billed. The approved format is located on the website of the Department of Child Services at [DCS Older Youth Initiatives: Forms](#). Monthly reports are to be submitted to the DCS KidTraks portal. Other means of submitting reports may be accepted upon request; however, will not be recognized as the official report. The signature of the individual service provider, including the date in which the report was completed, who writes an older youth services report is required on all reports. A hand signature is preferable, but if the individual agency does not have the technology to provide an uploaded report with a hand signature, then a typed signature will suffice. Youth signatures on monthly reports are required for auditing purposes but are not required prior to submission into the web portal.

## 4. National Youth in Transition Database (NYTD) Reporting

Older Youth services (independent living) and support provided to youth ages 16 and older who are referred to OYS must be reported monthly.

This federal and state requirement is fulfilled by service providers submitting their monthly provider reports life skills assessment and learning plan and other collateral documents by the 10th of the month, through the NYTD web portal, which can be accessed through KidTraks.

When submitting monthly reports, providers are required to document the progress of each OYS outcome measures, and the service elements provided to every youth during a report period (the NYTD service elements can be found in section G, National Youth in Transition Service Elements and Outcome Survey). Reporting the NYTD service elements is required under the federal Chafee Program rule. The Final Rule requires states to collect information on each youth who receives older youth (independent living) services paid for or provided through the administration of the Chafee Program.

Providers can be assigned usernames and passwords through the DCS NYTD helpdesk email ([dc snytd@dcs.in.gov](mailto:dc snytd@dcs.in.gov)). Monthly report templates, definitions and other NYTD information can be found through the following link: [DCS: NYTD](#). Failure to upload monthly reports on time or through the NYTD web portal will result in the denial of all claims submitted for each reporting period missing a monthly report.

Service element descriptions can be found in two separate places:

1. In the Service Standards under section II, Broker of Services Matrix under each outcome area description, the NYTD service element is identified in (bold).
2. Each of the federal service elements, definitions and examples from Indiana's Service Standards can be found by following the link: [DCS: NYTD](#). Please note that not all service activities listed in Indiana's Service Standards are reportable as a NYTD service element. Additionally, some activities can be reported under two NYTD service elements. Questions regarding NYTD reporting should be directed to the email box: [dc snytd@dcs.in.gov](mailto:dc snytd@dcs.in.gov).

#### *NYTD Service Log Report*

The older youth initiatives team will pull service log reports to review service delivery and the amount of time provider spend providing services within each performance measure. NYTD service logs are used to assist providers with enhancing services by looking at data trends within the service area.

#### **D. Quarterly Regional Older Youth Meetings**

All contracted Service Providers will have at least one representative present at the Quarterly Regional Older Youth Meeting. Quarterly Regional Older Youth meetings are designed to

inform the DCS local staff about the Older Youth Initiatives (OYI) program and services as well as connect local office field staff to their area Older Youth service provider and Collaborative Care team, in the regions which they serve. Chafee and Collaborative Care Provider will attend provider meetings. Provider meeting are held with DCS OYI and CC management staff to provide high level updates and overview of older youth program and services which includes identifying service gaps and providing solutions to meet the needs of the youth.

## E. Data Collection

### 1. Older Youth Services Monthly Snapshot

Service Providers shall submit a monthly data snapshot detailing the type of services provided per youth and the financial cost per youth. The report is due the **10th day of each month**. The monthly data snapshot is a supporting document of each provider's service delivery.

### 2. Annual Review and Outcomes Report

The Service Providers shall provide an annual review of their service delivery and outcomes data. The annual review and outcomes report are due by the **10<sup>th</sup> day of August**.

The Service Providers shall provide detailed information on how their services were delivered in each performance measure, interventions or protective factors provided and stakeholder collaborations. The report will also describe barriers to services and how services can be enhanced.

## F. Continuous Quality Improvement & Quality Assurance

### 1. Continuous Quality Improvement

All Service Providers will be responsible for completing yearly Continuous Quality Improvement (CQI) project. The Service Providers shall use the Plan – Do – Study – Act CQI framework. The Service Provider shall utilize the CQI process to address service gaps to improve service delivery and outcomes. The Service Providers shall identify a CQI champion and develop a CQI team that will consist of at least 1 youth and utilize data to inform decisions. The department may provide training on the plan – do – study – act framework while available. Service Providers shall adhere to the fidelity of the model.

### 2. Quality Assurance

All Service Providers must maintain the quality and performance of Older Youth Services service delivery. Service Providers shall ensure all case records maintain the appropriate case documentation and ensure OYS services are being delivered in the most appropriate way to meet the individualized needs of youth.
