### MEETING DETAILS

**Date:** March 27, 2024

**Time:** 9:00am

**Location:** Indiana Government Center South, Conference Room 18

#### 1. Call to Order

Chairman Cronley called the meeting to order at 9:10am.

#### 2. Roll Call

Quorum was met. See above for details.

#### 3. Review of February Minutes

Committee members had not had time to review February minutes. Was tabled until April meeting.

#### 4. Review of Code Change Proposals and Fiscal Impact

No code change proposals submitted for A10.4. Chairman made a motion for A10.4 to remain open along with A90.1 in its entirety for the April meeting. Committee **approved** the motion unanimously. No discussion of fiscal impact was had.

Committee Member Watson asked about adopting the prior draft proposed rule from the previous Committee. Director Dyer informed him that any rules he wishes to carry over would

need to be resubmitted, as any prior rulemaking had been statutorily abrogated and could not be carried over.

## 5. Other Committee Business

Mr. Burgauer asked if the Committee planned to adopt A90.1 and A10.4 in its entirety should no code change proposals be submitted. Chairman Cronley confirmed that the intention was to adopt the codes with no amendments if no code change proposals are received. Mr. Burgauer reminded the Committee that fiscal impact would still need to be assessed and would need to be assigned somehow.

## 6. Next Meeting

The next meeting of the Indiana Lift Device Code Update Committee shall take place on **Wednesday, April 24, 2024 at 9:00pm**. The meeting will be held in the **Indiana Government Center South** in **Conference Room 18**. The meeting will also be streamed live via Microsoft Teams.

Public notice and virtual/electronic meeting access details will be provided on the [Committee's Web Page](#) in advance of the meeting.

## 7. Closing Comments and Adjournment

Chairman Cronley adjourned the meeting at 9:22am.
