5. FY18 Administrative Appeals

### a. Richmond Community School Corporation (DHS-1751-SSSB-008)

Michelle Allen, Staff Attorney, stated that this matter was currently under appeal; any proposed settlement amount would be used to fund security equipment. David Murtaugh noted that if these expenditures were allowable by statute, and the funds were available, then funding this project was appropriate. Doug Carter moved to settle the administrative appeal pending with Richmond Community School Corporation in the amount of \$32,970. Kevin McDowell made the second. It was voted upon and carried.

### b. Southwestern Consolidated School District (DHS-1740-SSSB-003)

Michelle Allen, Staff Attorney, stated that this matter was currently under appeal, and would remain so unless the Board wanted to offer a settlement. She explained that she would not recommend that the Board fund this project unless the school could supply proof or guarantee that the project would comply with fire code requirements. The next step would be for Ms. Allen to draft a brief and submit it to the ALJ.

### 6. FY19 Funding Recommendations

Rusty Goodpaster provided an overview of the FY19 SSSG program. He identified the amount of requested funds (\$14,850,434.85), available funds (\$14,285.000.00) and recommended funds (\$14,256,526.80). He noted that there were 390 applicants; specifically 76 private schools, 30 charter schools, and 284 public schools. Funding request categories included: (1) equipment, (2) SROs, and (3) threat assessments. There were recommendations to deny one private school applicant and one public school applicant. Additionally, it was noted that Fayette County was currently on a partially funded list, and that the NOFO mentions not applying to both.

### a. <u>IDHS Recommendation to fully fund 281 public and charter schools</u>

David Murtaugh moved to approve the recommendation to fully fund 281 public and charter schools listed in Exhibit 1. Doug Carter made the second. It was voted upon and carried. Kevin McDowell abstained from his vote for the School for the Blind and Visually Impaired.

### b. IDHS Recommendation to fully fund 60 private schools

Doug Carter moved to approve the recommendation to fully fund 60 private schools listed in Exhibit 2. Scott Mellinger made the second. It was voted upon and carried.

### c. IDHS Recommendation to partially fund 30 public/charter schools

David Murtaugh noted that Fayette County's award should be amended to include the SRO funding. David Murtaugh moved to approve the recommendation to partially fund 30 public/charter schools listed in Exhibit 3, as amended, and Scott Mellinger made the second. It was voted upon and carried.

### d. IDHS Recommendation to partially fund 16 private schools

Kevin McDowell moved to approve the recommendation to partially fund 16 private schools listed in Exhibit 4. Doug Carter made the second. It was voted upon and carried.

e. <u>IDHS Recommendation to deny one (1) public school – Tell City-Troy Township and IDHS</u>
Recommendation to deny one (1) private school – St. James Schools

Doug Carter moved to approve the recommendation to deny one (1) public school – Tell City-Troy Township—listed in Exhibit 5, and one (1) private school – St. James Schools --- also listed in Exhibit 5. David Murtaugh made the second. It was voted on and carried.

Amanda Carver stated that the award/denial letters would be distributed by July 6, 2018. The performance period begins July 1, 2018. Recipients may begin spending awarded funds once the letter has been signed and returned to IDHS at grants@dhs.in.gov.

### 7. Common School Fund Update - HB 1230

Jonathan Whitham, IDHS General Counsel, explained that as a result of the special session for HB 1230, schools, who have previously applied for and received SSSG money, are now allowed to request an advance from the Common School Fund for security improvements. A new web page was created to allow schools to submit a request using a web form; it also provides information for schools regarding allowable expenses. The Board's role in this process is to review these applications, within 30 days of submission, and determine: whether they are allowable, and whether the school has previously applied for and received grant money in the past. The recommendation will then be sent to the State Board of Education. Schools must exhaust their grant funding prior to submitting this request. It was noted that the General Assembly has forgiven \$93 million in loans to charter schools.

### 8. Next Meeting

The Board's next regularly scheduled meeting is October 9, 2018 at 1:00 p.m. This may need to be rescheduled, as Doug Carter and David Murtaugh may be in Orlando for a conference. Additionally, meetings may be required to be held between now and October in the event that applications are received for the Common School Fund.

### 9. Adjournment

Doug Carter moved to adjourn the meeting, and David Murtaugh made the second. It was voted upon and carried. The meeting was adjourned at 2:40 p.m.
